RE: ZON-5849 - REZONING

Dear Mr. Shirit:

Your request for a Rezoning FROM: R-E (RESIDENCE ESTATES) TO: R-1 (SINGLE-FAMILY RESIDENTIAL) on 4.77 acres adjacent to the east side of Bradley Road, between Deer Springs Way and Rome Boulevard (APN 125-24-701-005), Ward 6 (Mack), was considered by the Planning Commission on February 10, 2005.

The Planning Commission voted to recommend **APPROVAL** of your request, subject to the following:

Planning and Development

1. A Resolution of Intent with a two-year time limit.
2. A Site Development Plan Review application approved by the Planning Commission or City Council prior to issuance of any permits, any site grading, and all development activity for the site.
3. The site plan shall be limited to a maximum of 16 lots. All product on this site shall be single story.
4. Approval of and conformance to the Conditions of Approval of WVR-5850.

Public Works

5. Construct half-street improvements on Bradley Road adjacent to this site concurrent with development of this site. Install all appurtenant underground facilities, if any, adjacent to this site needed for the future traffic signal system concurrent with development of this site. All existing paving damaged or removed by this development shall be restored at its original location and to its original width concurrent with development of this site. Extend all required underground utilities, such as electrical, telephone, etc., located within public rights-of-way, past the boundaries of this site prior to construction of hard surfacing (asphalt or concrete).

6. A Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of any building or grading permits, submittal of any construction drawings or the recordation of a Map subdividing this site, whichever may occur first. Provide and improve all drainageways recommended in the approved drainage plan/study. The developer of this site shall be responsible to construct such neighborhood or local drainage facility improvements as are recommended by the City of Las Vegas Neighborhood Drainage Studies and approved Drainage Plan/Study concurrent with development of this site. In lieu of constructing improvements, in whole or in part, the developer may agree to contribute monies for the construction of neighborhood or local drainage improvements, the amount of such monies shall be determined by the approved Drainage Plan/Study and shall be contributed prior to the issuance of any building or grading permits, or the recordation of a Map subdividing this site, whichever may occur first, if allowed by the City Engineer.

7. The approval of all Public Works related improvements shown on the submitted plan is in concept only. Specific design and construction details relating to size, type and/or alignment of improvements, including but not limited to street, sewer and drainage improvements, shall be resolved prior to submittal of a Tentative Map or construction drawings, whichever may occur first. No deviations from adopted City Standards shall be allowed unless specific written approval for such is received from the City Engineer prior to the submittal of a Tentative Map or construction drawings, whichever may occur first. We note that a non-standard cul-de-sac length is proposed on the site plan.

This item will be considered by the City Council on **March 16, 2005**, at 1:00 P.M. in the Council Chambers of City Hall, 400 Stewart Avenue, Las Vegas, Nevada. ***The council requires that you or your representative be present at this meeting.*** If you or your representative chooses not to attend, the City Council may act in your absence without your input.

Sincerely,

Douglas J. Rankin, Planning Supervisor
