RE: TMP-5777 - TENTATIVE MAP - DECATUR MANOR

Dear Mr. and Mrs. Sipes:

Your request for a Tentative Map FOR A PROPOSED SEVEN-LOT SINGLE-FAMILY RESIDENTIAL SUBDIVISION on 2.94 acres adjacent to the west side of Decatur Boulevard, approximately 200 feet south of Gilmore Avenue (APN 138-12-601-005), R-E (Residence Estates) under Resolution of Intent to R-PD2 (Residential Planned Development - 2 Units Per Acre), Ward 6 (Mack), was considered by the Planning Commission on January 27, 2005.

The Planning Commission voted to **APPROVE** your request, subject to the following:

Planning and Development

1. Approval of the Tentative Map shall be for no more than two (2) years. If a Final Map is not recorded on all or a portion of the area embraced by the Tentative Map within two (2) years of the approval of the Tentative Map, a new Tentative Map must be filed.
2. All development shall conform to the Conditions of Approval for Rezoning case [ZON-5203] and all other site related activity (VAR-5202 and SDR-5204).
3. Street names must be provided in accord with the City's Street Naming Regulations.
4. Prior to approval of any final map, developer is required to adopt a plan for the maintenance of infrastructure improvements. The plan is to include a listing of all infrastructure improvements, along with assignment of maintenance responsibility to common interest community, individual property owner, or City of Las Vegas, and the proposed level of maintenance for privately maintained components. The agreement must be approved by the City of Las Vegas, and must include a certification by the licensed professional engineer of record that all infrastructure components are addressed in the maintenance plan. The plan must include a statement that all properties within the community are subject to

Mayor
Oscar B. Goodman

City Council
Gary Reese
(Mayor Pro Tem)
Larry Brown
Lawrence Weekly
Michael Mack
Janet Moncrief
Steve Wolfson

City Manager
Douglas A. Selby

assessment for all associated costs should private maintenance obligations not be met, and the City of Las Vegas be required to provide for said maintenance. The adoption process must include recordation of the plan against all parcels prior to approval of the final map. In addition, should the development have a recreational trail, in accordance with NRS 278.4787, the following text should be added prior to the last sentence to the previous text: The plan shall note that the recreational trail to be transferred to the ownership of the City of Las Vegas shall be maintained at a basic level through utilization of public resources. That basic level to be defined as removal of debris and surface grading once every calendar year. Should additional maintenance activities be requested by the common interest community, or members thereof, the associated costs shall be assessed to the common interest community and/or members thereof.

5. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.
6. All development is subject to the conditions of City Departments and State Subdivision Statutes.

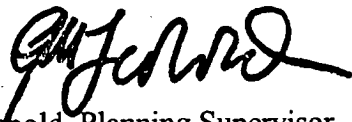

Public Works

7. Site development to comply with all applicable conditions of approval for Zoning Reclassification ZON-5203, Site Development Plan Review SDR-5204, and all other applicable site-related actions.
8. The approval of all Public Works related improvements shown on this Tentative Map is in concept only. Specific design and construction details relating to size, type and/or alignment of improvements, including but not limited to street, sewer and drainage improvements, shall be resolved prior to approval of the construction plans by the City. No deviations from adopted City Standards shall be allowed unless specific written approval for such is received from the City Engineer prior to the recordation of a Final Map or the approval of subdivision-related construction plans, whichever may occur first. Approval of this Tentative Map does not constitute approval of any deviations. If such approval cannot be obtained, a revised Tentative Map must be submitted showing elimination of such deviations.
