

# Memorandum

050477

Las Vegas

Office of the City Clerk

To: Permanent File for All Related Applications Listed Below  
From: Barbara Jo Ronemus, City Clerk   
CC: Margo Wheeler, Deputy Director, Planning & Development

Mr. William Childs  
Redrock Engineering  
2001 South Rainbow Blvd., Suite K  
Las Vegas, Nevada 89146

Date: October 25, 2004

Re: ZON-4003; VAR-4005; GPA-4000; and SDR-4004

---

The City Clerk's office was advised by the Department of Planning and Development on October 7, 2004 that they **incorrectly included Redrock Engineering as a "cc" on the application information** supplied to the Clerk's office for the above mentioned applications.

This information was used to generate action letters after the July 7, 2004 City Council meeting, which were mailed to the applicant and filed in the permanent files for these applications. Redrock Engineering was not the engineer on these applications and requested their name be withdrawn from the files. This memo to the file will serve as a correction to remove Redrock Engineering from the action letters and the files as the engineer for the above listed applications.
