8. The Final Map for the overall Log Cabin Ranch subdivision [TMP-3055] must record prior to recordation of a Final Map for this unit, unless otherwise allowed by the City Engineer.
9. Unit 1 and/or Unit 2 must record prior to the recordation of this final map to provide legal access.

Also dedicate and construct a deceleration lane on Mocassin Road at the access point to this site as required by the Department of Public Works, unless specifically noted as not required in an approved update to the Traffic Impact Analysis.
11. Construct half-street improvements including appropriate overpaving (if legally able) on Cabin Street including the complete cul-de-cac bulb terminus, and Mocassin Road adjacent to this site concurrent with development of this site.
