RE: VAC-3178 - VACATION
CITY COUNCIL MEETING OF DECEMBER 17, 2003
Related to GPA-2993, ZON-3176 & SDR-3177

Dear Applicant:

The City Council at a regular meeting held December 17, 2003 APPROVED the request for a Petition to vacate Holmby Avenue, generally located east of Buffalo Drive, between Charleston Boulevard and Del Rey Avenue. The Notice of Final Action was filed with the Las Vegas City Clerk on December 18, 2003. This approval is subject to:

1. A Drainage Plan and Technical Drainage Study or other related drainage information acceptable to the Flood Control Section must be submitted to and approved by the Department of Public Works prior to the recordation of the Order of Vacation for this application. Appropriate drainage easements shall be reserved if recommended by the approved Drainage Plan/Study. The drainage study required by Rezoning Application ZON-3176 may be used to satisfy this condition provided that it covers the area to be vacated.
2. Prior to the recordation of an Order of Vacation all public improvements, if any, adjacent to and in conflict with this vacation application are to be modified, as necessary, at the applicant's expense, or such modifications shall be guaranteed by provision of sufficient security for the performance thereof in accordance with the Subdivision Ordinance of the City of Las Vegas.
3. All development shall be in conformance with code requirements and design standards of all City departments.

4. The Order of Vacation shall not be recorded until all of the above conditions have been met provided, however, that conditions requiring modification of public improvements may be fulfilled for purposes of recordation by providing sufficient security for the performance thereof in accordance with the Subdivision Ordinance of the City of Las Vegas. City Staff is empowered to modify this application if necessary because of technical concerns or because of other related review actions as long as current City right-of-way requirements are still complied with and the intent of the vacation application is not changed. If applicable, a five foot wide easement for public streetlight and fire hydrant purposes shall be retained on all vacation actions abutting public street corridors that will remain dedicated and available for public use. Also, if applicable and where needed, public easement corridors and sight visibility or other easements that would/should cross any right-of-way or easement being vacated must be retained.
5. If the Order of Vacation is not recorded within one (1) year after approval by the City Council and the Planning and Development Director does not grant an Extension of Time, then approval will terminate and a new petition must be submitted.

Sincerely,

Kristene Honzik
