RE: ZON-2411 - REZONING  
CITY COUNCIL MEETING OF AUGUST 6, 2003  
Related to VAR-2413 and SUP-2414

Dear Mr. Davis:

The City Council at a regular meeting held August 6, 2003 APPROVED the request for a Rezoning FROM R-E (Residential Estates) TO: R-1 (Single Family Residential) on 2.17 acres adjacent to the southeast corner of Whispering Sands Drive and Leon Avenue (APN: 125-13-203-008), PROPOSED: SINGLE FAMILY RESIDENTIAL DEVELOPMENT. The Notice of Final Action was filed with the Las Vegas City Clerk on August 7, 2003. This approval is subject to:

Planning and Development

1. A Resolution of Intent with a two-year time limit.

Public Works

2. Construct half-street improvements including appropriate overpaving on Whispering Sands Drive and Leon Avenue adjacent to this site concurrent with development of this site. Install all appurtenant underground facilities, if any, adjacent to this site needed for the future traffic signal system concurrent with development of this site. All existing paving damaged or removed by this development shall be restored at its original location and to its original width concurrent with development of this site.
3. Provide public sewer easements for all public sewers not located within existing public street right-of-way prior to the issuance of any permits as required by the Department of Public Works. Improvement Drawings submitted to the City for review shall not be approved for construction until all required public sewer easements necessary to connect this site to the existing public sewer system have been granted to the City.
4. A Traffic Impact Analysis must be submitted to and approved by the Department of Public Works prior to the submittal of any construction drawings or issuance of any building or grading permits. Comply with the recommendations of the approved Traffic Impact Analysis prior to occupancy of the site. The City shall determine area traffic mitigation contribution

requirements based upon information provided in the approved Traffic Impact Analysis; such monies shall be contributed prior to the issuance of any permits for this site. The Traffic Impact Analysis shall also include a section addressing Standard Drawings #234.1 #234.2 and #234.3 to determine additional right-of-way requirements for bus turnouts adjacent to this site, if any; dedicate all areas recommended by the approved Traffic Impact Analysis. All additional rights-of-way required by Standard Drawing #201.1 for exclusive right turn lanes and dual left turn lanes shall be dedicated prior to or concurrent with the commencement of on-site development activities unless specifically noted as not required in the approved Traffic Impact Analysis. Phased compliance will be allowed if recommended by the approved Traffic Impact Analysis. No recommendation of the approved Traffic Impact Analysis, nor compliance therewith, shall be deemed to modify or eliminate any condition of approval imposed by the Planning Commission or the City Council on the development of this site.

Alternatively, in lieu of a Traffic Impact Analysis, the applicant may participate in a reasonable alternative mutually acceptable to the applicant and the Department of Public Works.

5. A Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of any building or grading permits, submittal of any construction drawings or the recordation of a Map subdividing this site, whichever may occur first. Provide and improve all drainageways recommended in the approved drainage plan/study. The developer of this site shall be responsible to construct such neighborhood or local drainage facility improvements as are recommended by the City of Las Vegas Neighborhood Drainage Studies and approved Drainage Plan/Study concurrent with development of this site. In lieu of constructing improvements, in whole or in part, the developer may agree to contribute monies for the construction of neighborhood or local drainage improvements, the amount of such monies shall be determined by the approved Drainage Plan/Study and shall be contributed prior to the issuance of any building or grading permits, or the recordation of a Map subdividing this site, whichever may occur first, if allowed by the City Engineer.

Sincerely,

Diana Davis
