RE: VAC-2317 - VACATION
CITY COUNCIL MEETING OF JULY 16, 2003

Dear Mr. Parkinson:

The City Council at a regular meeting held July 16, 2003 APPROVED the Petition to Vacate a portion of right-of-way and U.S. Government Patents generally located between Donald Nelson Avenue and Farm Road, east of Grand Canyon Drive. The Notice of Final Action was filed with the Las Vegas City Clerk on July 17, 2003. This approval is subject to:

1. Prior to the recordation of the Order of Vacation, the legal description for the unnamed street shall be changed from sixty feet wide to thirty feet wide to correspond with actual dimensions.
2. A Drainage Plan and Technical Drainage Study or other related drainage information acceptable to the Flood Control Section must be submitted to and approved by the Department of Public Works prior to the recordation of the Order of Vacation for this application. Appropriate drainage easements shall be reserved if recommended by the approved Drainage Plan/Study. The Drainage Study required by ZON-1761 may be used to satisfy this condition.
3. All public improvements, if any, adjacent to and in conflict with this vacation application are to be modified, as necessary, at the applicant's expense prior to the recordation of an Order of Vacation and Order of Relinquishment of Interest.
4. Reservation of easements for the facilities of the various utility companies together with reasonable ingress thereto and egress therefrom shall be provided if required
5. All development shall be in conformance with code requirements and design standards of all City departments.

6. The Order of Vacation and Order of Relinquishment of Interest shall not be recorded until all of the above conditions have been met provided, however, that modifications to public improvements may be fulfilled for purposes of recordation by providing sufficient security for the performance thereof in accordance with the Subdivision Ordinance of the City of Las Vegas. City Staff is empowered to modify this application if necessary because of technical concerns or because of other related review actions as long as current City right-of-way requirements are still complied with and the intent of the vacation application is not changed. If applicable, a five foot wide easement for public streetlight and fire hydrant purposes shall be retained on all vacation actions abutting public street corridors that will remain dedicated and available for public use. Also, if applicable and where needed, public easement corridors and sight visibility or other easements that would/should cross any right-of-way being vacated must be retained.
7. If the Order of Vacation and Order of Relinquishment are not recorded within one (1) year after approval by the City Council or an Extension of Time is not granted by the Planning Director, then approval will terminate and a new petition must be submitted.

Sincerely,

Angela Crolli
