1 the requirements provided by law for annexation to the City for the following reasons:

- 2 A. The area to be annexed was contiguous to the City's boundaries at the time the
- 3 annexation proceedings were instituted;
- 4 B. More than one-eighth (1/8) of the aggregate external boundaries of the area are
- 5 contiguous to the City;
- 6 C. The territory proposed to be annexed is not included within the boundaries of
- 7 another incorporated city or within the boundaries of any unincorporated town
- 8 as those boundaries existed as of July 1, 1983;
- 9 D. The City is eligible to annex the described territory since the landowners have
- 10 signed a petition constituting one hundred percent (100%) of the owners of
- 11 record of individual lots or parcels of land within the annexation area.

12 SECTION 3: The City will provide police protection through the Las Vegas
13 Metropolitan Police Department, fire protection, street maintenance, and library services immediately
14 upon annexation. Garbage collection by the company franchised by the City will also be provided
15 immediately. The City sanitary sewer system will serve the proposed annexation area. Any
16 connection to or extension of this sewer line to serve the annexation area shall be at the expense of
17 the landowners. Other services, such as participation in the City's recreational programs, special
18 education classes and programs, public works planning, building inspections, and other City services
19 will also be available immediately. Utilities such as gas, electricity, telephone, and water are provided
20 by private utility companies and other services to the area will not be affected by annexation. Street
21 paving, curbs and gutters, sidewalks and street lights which are not in place at the time of annexation
22 will be installed in the presently developed areas upon the request of the property owners and at their
23 expense by means of special assessment districts. Such improvements will be extended into the
24 undeveloped areas as development takes place and the need therefor arises, and will be located
25 according to the needs of the area at that time. Such installations will also be made at the expense of
26 the property owners, either by means of special assessment districts or as prerequisites to the approval
27 of subdivision plats, building permits or other land use or development applications.

28 SECTION 4: The annexation of the described territory shall become effective on the

1 11th day of July, 2003, and on that date the City will have the funds appropriated in sufficient amount
2 to finance the extension into the described territory of police protection, fire protection, street
3 maintenance, street sweeping, and street lighting maintenance.

4 SECTION 5: The described territory, together with the inhabitants and property
5 thereof, shall, from and after the 11th day of July, 2003, be subject to all debts, laws, ordinances and
6 regulations in force in the City and shall be entitled to the same privileges and benefits as other parts
7 of the City, and shall be subject to municipal taxes levied by the City.

8 SECTION 6: The City Engineer is hereby instructed to cause to be prepared an
9 accurate map or plat of the described territory and to record the map or plat, together with a certified
10 copy of this ordinance, in the office of the County Recorder of Clark County, Nevada, which
11 recording shall be done prior to the 11th day of July, 2003.

12 SECTION 7: The described territory, which previously has been zoned R-E (County
13 of Clark classification), is hereby classified as U (L) (City of Las Vegas classification), which is
14 deemed to be the City equivalent of the County classification.

15 SECTION 8: If any section, subsection, subdivision, paragraph, sentence, clause of
16 phrase in this ordinance or any part thereof, is for any reason held to be unconstitutional, or invalid
17 or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or
18 effectiveness of the remaining portions of this ordinance or any part thereof. The City Council of the
19 City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision,
20 paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections,
21 subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional,
