RE: FMP-1984 - SPRING MOUNTAIN RANCH - UNIT 36

Dear Ms. Harpster:

Your request for a Final Map Technical Review was considered by the Planning and Development Department on April 2, 2003.

The Planning Development Department Staff has administratively **APPROVED** your request, subject to the following:

Planning and Development

1. The Original Final Map Mylar shall be in conformance with the approved Tentative Map for **Spring Mountain Ranch** (TM-0007-01).
2. The Final Map shall be revised in accordance with the corrections as required by the Planning and Development Department prior to the submittal of the original mylar for signature by the City.

Public Works

3. Dimensions and information presented on the submitted civil improvement plans should match the Final Map. We note that information such as the dimensions for lots 904 and 939 and the center line bearing of Big Plantation Avenue appear to conflict with the submitted civil improvement plans. Revise drawings as necessary.
4. Revise Legend to correctly define Sight Visibility Restriction Zone as presented by Clark County Area Standard Drawing #201.2. This zone shall be annotated as "To Be Privately Maintained".
5. Site development to comply with all previous conditions of approval for the Spring Mountain Ranch Tentative Map.
6. Prior to recordation, this Final Map must show all required easements and right-of-way dedications, must coincide with the approved drainage plan/study and construction plans, and the Owner's Certificate must make specific reference

to all easements and right-of-ways noted/offered for public use as required by the Department of Public Works. Appropriate sight visibility restriction zones, if applicable, are also required to be shown on this Final Map at all interior intersections, at all perimeter intersections abutting this subdivision site, at all intersections where an interior subdivision street connects with an abutting public street and at all other locations as required by the Traffic Engineer.

This action by the Planning and Development Department on April 2, 2003 is final unless a written appeal is filed with the Director of Planning and Development within seven days of receiving written notice of the decision. A nonrefundable fee must accompany the appeal. The Planning Commission shall hear the appeal within 30 days after the appeal is filed with the Director.

Sincerely,

A handwritten signature in cursive script that reads "Linda Hartman-Maynard".
