RE: MSH-0002-01 - MASTER PLAN OF STREETS AND HIGHWAYS
CITY COUNCIL MEETING OF SEPTEMBER 5, 2001

Dear Mr. Anderson:

The City Council at a regular meeting held September 5, 2001 APPROVED the request to Amend the Master Plan of Streets and Highways to indicate that Peak Drive is an 80-foot secondary roadway between Tenaya Way and Buffalo Drive. The Notice of Final Action was filed with the Las Vegas City Clerk on September 6, 2001. This approval is subject to:

Public Works

1. Upon development, additional rights-of-way for dedicated right turn lanes, dual left turn lanes, and/or appropriate transition elements shall be required at the discretion of the Traffic Engineer.
2. City Staff is empowered to modify this application, if necessary, because of technical concerns or because of other related review actions as long as current City of Las Vegas requirements are still complied with and the intent of the submitted Master Plan of Streets and Highways is not changed.

Sincerely,

A handwritten signature in cursive script that reads "Angela Crolli".

ANGELA CROLLI
