RE: Z-0007-01 - REZONING

Dear Mr. and Mrs. Parente:

Your request for a Rezoning FROM: R-1 (Single Family Residential) TO: P-R (Professional Office and Parking) on 0.14 Acres located at 1501 South Maryland Parkway (APN: 162-02-210-012), PROPOSED USE: Office, Ward 3 (Reese), was considered by the Planning Commission on March 8, 2001.

The Planning Commission unanimously voted to recommend APPROVAL of your request, subject to the following:

Planning and Development

1. Resolution of Intent with a one-year time limit.
2. A Site Development Plan Review shall be approved by the Planning and Development Department prior to the issuance of any permits, any site grading, and all development activity on this site.

Public Works

3. Remove all substandard public street improvements, if any, adjacent to this site and replace with new improvements meeting current City Standards prior to occupancy of this site.
4. A Traffic Impact Analysis must be submitted to and approved by the Department of Public Works prior to the issuance of any building or grading permits. Comply with the recommendations of the approved Traffic Impact Analysis prior to occupancy of the site. The City shall determine area traffic mitigation contribution requirements based upon information provided in the approved Traffic Impact Analysis; such monies shall be contributed prior to the issuance of any permits for this site. The Traffic Impact Analysis shall also include a section addressing Standard Drawings #234.1 #234.2 and #234.3 to determine additional right-of-way requirements for bus turnouts adjacent to this site, if any; dedicate all areas recommended by the approved Traffic Impact

Analysis. All additional rights-of-way required by Standard Drawing #201.1 for exclusive right turn lanes and dual left turn lanes shall be dedicated prior to or concurrent with the commencement of on-site development activities unless specifically noted as not required in the approved Traffic Impact Analysis. Phased compliance will be allowed if recommended by the approved Traffic Impact Analysis. No recommendation of the approved Traffic Impact Analysis, nor compliance therewith, shall be deemed to modify or eliminate any condition of approval imposed by the Planning Commission or the City Council on the development of this site.

Alternatively, in lieu of a Traffic Impact Analysis, the applicant may participate in a reasonable alternative mutually acceptable to the applicant and the Department of Public Works.

Standard Conditions

5. All development shall be in conformance with the plot plan and building elevations.
6. Landscaping and a permanent underground sprinkler system shall be provided as required by the Planning Commission and shall be permanently maintained in a satisfactory manner. Failure to properly maintain required landscaping and underground sprinkler systems shall be a cause for revocation of a business license.
7. A landscaping plan must be submitted prior to or at the same time application is made for a building permit or license, or prior to occupancy, whichever occurs first.
8. All mechanical equipment, air conditioners and trash areas shall be screened from view from the abutting streets (excluding single family development).
9. All City Code requirements and design standards of all City departments must be satisfied.
10. Provide plans showing accessible exterior routes from public transportation stops, accessible parking, passenger loading zones and public sidewalks to the accessible building entrance(s) with submittal of plans for building permits as required by the Department of Building and Safety. Accessible routes shall have running slopes and cross slopes in accordance with the applicable code.
