Dear Ms. Edelman:

Your request to Amend the Master Plan of Streets and Highways to change the alignment of the Nevada Department of Transportation (NDOT) US 95 Frontage Road between Elkhorn Road and Grand Teton Drive, Ward 6 (Mack), was considered by the Planning Commission on May 25, 2000.

The Planning Commission voted to recommend **APPROVAL** of your request, subject to the following:

**Public Works**

1. Upon development, additional rights-of-way for dedicated right turn lanes, dual left turn lanes, and/or appropriate transition elements shall be required at the discretion of the Traffic Engineer as required by the Department of Public Works.
2. City Staff is empowered to modify this application, if necessary, because of technical concerns or because of other related review actions as long as current City of Las Vegas requirements are still complied with and the intent of the submitted Master Plan of Streets and Highways is not changed.

This item will be considered by the City Council on July 5, 2000, at 1:00 P.M. in the Council Chambers of City Hall, 400 Stewart Avenue, Las Vegas, Nevada. ***The Council requires that you or your representative be present at this meeting.*** If you or your representative chooses not to attend, the City Council may act in your absence without your input.

Sincerely
