RE: Z-97-98 - REZONING [Related to U-166-98]

Dear Mr. Jones:

The City Council at a regular meeting held February 22, 1999 APPROVED the request for a Rezoning on property located at 5426 Vegas Drive and 1700 Shadow Mountain Place, From: P-R (Professional Office and Parking) To: O (Office), PROPOSED USE: A 3,200 SQUARE FOOT OFFICE BUILDING, Size: 0.48 Acres. The Notice of Final Action was filed with the Las Vegas City Clerk on February 23, 1999. This approval is subject to:

1. The existing walls on the northeast portion of the property shall be brought up to code.
2. Remove all substandard public street improvements and unused driveway cuts adjacent to this site, if any, and replace with new improvements meeting current City Standards prior to occupancy of this site as required by the Department of Public Works.
3. Meet with the Traffic Engineering Representative in Land Development for assistance in the possible redesign of the proposed driveway access, on-site circulation and parking lot layout prior to the submittal of any construction plans or the issuance of any permits, whichever may occur first. All new driveways and modifications to existing driveways shall be designed, located and constructed to meet the intent of Standard Drawing #222a as required by the Department of Public Works.
4. Conformance to the Site Plan as amended by the above conditions.
5. A Resolution of Intent with a 1 year time limit.
6. Landscaping and a permanent underground sprinkler system shall be provided as required by the Planning Commission and shall be permanently maintained in a satisfactory manner. Failure to properly maintain required landscaping and underground sprinkler systems shall be cause for revocation of a business license.
7. A landscaping plan must be submitted prior to or at the same time application is made for a building permit or license, or prior to occupancy, whichever occurs first.

8. All mechanical equipment, air conditioners and trash areas shall be screened from view from the abutting streets (excluding single family development).
9. All City Code requirements and design standards of all City departments must be satisfied.
10. All damage to the existing street improvements resulting from this development must be repaired as required by the Department of Public Works.
11. Provide plans showing accessible exterior routes from public transportation stops, accessible parking, passenger loading zones and public sidewalks to the accessible building entrance(s) with submittal of plans for building permits as required by the Planning and Development Department. Accessible routes shall have running slopes and cross slopes in accordance with the applicable code.

Sincerely,

BARBARA JO RONEMUS
City Clerk
