RE: SNC-3-98 - STREET NAME CHANGE

Dear Mr. Lewis:

The City Council at a regular meeting held December 7, 1998 APPROVED the request for two Street Name Changes and Three Waivers of the Addressing Ordinance (Title 13) on property generally located on the northeast corner of Charleston Boulevard and Mojave Road. The Proposed Street Name Changes are as follows: 1) Contract Avenue east of Mojave Road, From: Contract Avenue, To: Venture Drive and; 2) Research Street north of Charleston Boulevard, From: Research Street, To: Research Lane. The Waivers of the Addressing Ordinance are as follows: 1) To allow streets on the same alignment (Contract Avenue east of Mojave Road and the proposed Venture Drive) to have different names; 2) To allow the suffix "Drive" to be used for an east/west street where "Drive" is required to represent a multi-directional curved street; and 3) To allow the suffix "Lane" to be used for a north/south street where "Lane" is required to represent a northeast/southwest street. The Notice of Final Action was filed with the Las Vegas City Clerk on December 8, 1998.

Sincerely,

A handwritten signature in black ink, appearing to read 'Barbara Jo Ronemus', is written over a horizontal line.
