- 1 B. More than one-eighth (1/8) of the aggregate external boundaries of the area are
2 contiguous to the City of Las Vegas;
- 3 C. The territory proposed to be annexed is not included within the boundaries of
4 another incorporated city or within the boundaries of any unincorporated town
5 as those boundaries existed as of July 1, 1983;
- 6 D. The City of Las Vegas is eligible to annex the area described in this report
7 since the landowners have signed a petition constituting one hundred percent
8 (100%) of the owners of record of individual lots or parcels of land within the
9 annexation area.

10 SECTION 3: The City of Las Vegas will provide police protection through the Las

13 be provided immediately. The City sanitary sewer system will serve the proposed annexation area.

19 Street paving, curbs and gutters, sidewalks and street lights which are not in place at the time of
20 annexation will be installed in the presently developed areas upon the request of the property owners
21 and at their expense by means of special assessment districts. Such improvements will be extended
22 into the undeveloped areas as development takes place and the need therefor arises, and will be located
23 according to the needs of the area at that time. Such installations will also be made at the expense of
24 the property owners, either by means of special assessment districts or as prerequisites to the approval
25 of subdivision plats or the issuance of building permits, rezonings, zone variances or special use
26 permits.

27 SECTION 4: The annexation of said described territory shall become effective on the
28 25th day of October, 1996, and on such date the City of Las Vegas will have the funds appropriated

1 in sufficient amount to finance the extension into said described territory of police protection, fire
2 protection, street maintenance, street sweeping, and street lighting maintenance.

4 thereof, shall, from and after the 25th day of October, 1996, be subject to all debts, laws, ordinances
