RE: VAC-13-96 - VACATION

Dear Mr. and Mrs. Ghelfi:

The City Council at a regular meeting held April 17, 1996 APPROVED the request for a Petition of Vacation to vacate U. S. Government Patent Reservations generally located on the southeast corner of Oakey Boulevard and Durango Drive, subject to:

1. All improvements, if any, adjacent to and in conflict with this vacation application are to be modified, as necessary, at the applicant's expense prior to the recordation of an Order of Relinquishment of Interest as required by the Department of Public Works.
2. This vacation application shall retain all drainage easements (if any) required in accordance with the approved Drainage Plan and Technical Drainage Study for Diamond Springs Estates prior to the recordation of the Order of Relinquishment of Interest.
3. All development shall be in conformance with code requirements and design standards of all City departments.
4. The Order of Relinquishment of Interest shall not be recorded until all of the above conditions have been met provided, however, that Condition #1 may be fulfilled for purposes of recordation by providing sufficient security for the performance thereof in accordance with the Subdivision Ordinance of the City of Las Vegas. City Staff is empowered to modify this application if necessary because of technical concerns or because of other related review actions as long as current City right-of-way requirements are still complied with and the intent of the vacation application is not changed. If applicable, a five foot wide easement for public streetlight and fire hydrant purposes shall be retained on all vacation actions abutting public street corridors that will remain dedicated and available for public use. Also, if applicable and where needed, public easement corridors and sight visibility or other easements that would/should cross any right-of-way being vacated must be retained.
