RE: SDR-34450 - SITE DEVELOPMENT PLAN REVIEW
CITY COUNCIL MEETING OF AUGUST 19, 2009

Dear Mr. Keach:

The City Council at a regular meeting held August 18, 2009 APPROVED the request for a request for a Major Amendment of a previously approved Site Development Plan Review (SDR-23906) FOR A 34-FOOT HIGH, 5,705 SQUARE-FOOT OFFICE BUILDING WITH THREE PARKING SPACES on 0.16 acres at 521 South 3rd Street (APN 139-34-311-092), C-2 (General Commercial) Zone. The Notice of Final Action was filed with the Las Vegas City Clerk on August 20, 2009. This approval is subject to:

Planning and Development

1. Approval of and conformance to the Conditions of Approval for Site Development Plan Review (SDR-23906) shall be required, if approved.
2. This approval shall be void two years from the date of final approval, unless a building permit has been issued for the principal building on the site. An Extension of Time may be filed for consideration by the City of Las Vegas.
3. All development shall be in conformance with the site plan, landscape plan, and building elevations, date stamped 06/02/09, and color and materials board date stamped 05/08/09, except as amended by conditions herein.
4. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. A permanent underground sprinkler system is required, and shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications.
5. Pre-planting and post-planting landscape inspections are required to ensure the appropriate plant material, location, size of planters, and landscape plans are being utilized. The Planning and Development Department must be contacted to schedule an inspection prior to the start of the landscape installation and after the landscape installation is

completed. A certificate of occupancy will not be issued or the final inspection will not be approved until the landscape inspections have been completed.

6. Reflective glazing at the pedestrian level is prohibited. Glazing above the pedestrian level shall be limited to a maximum reflectance rating of 22% (as defined by the National Institute of Standards and Technology).
7. All mechanical equipment, air conditioners and trash areas shall be fully screened in views from the abutting streets.
8. All utility boxes exceeding 27 cubic feet in size shall meet the standards of LVMC Title 19.12.040.
9. Parking lot lighting standards shall be no more than 30 feet in height and shall utilize downward-directed lights with full cut-off luminaries. Lighting on the exterior of buildings shall be shielded and shall be downward-directed. Non-residential property lighting shall be directed away from residential property or screened, and shall not create fugitive lighting on adjacent properties.
10. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.
11. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

12. Coordinate with the City Surveyor to determine whether a Reversionary Map is necessary; comply with the recommendations of the City Surveyor.
13. Remove all substandard public street improvements and unused driveway cuts adjacent to this site, if any, and replace with new improvements meeting Downtown Centennial Plan Standards concurrent with development of this site. All existing paving damaged or removed by this development shall be restored at its original location and to its original width concurrent with development of this site. An off-site Geotechnical Pavement Design recommendation will be required for all asphalt pavement required for completion of this project.
14. Parking spaces designed perpendicular to and accessed directly from public alleys shall be a minimum of 22 feet in depth from the alley right-of-way line.
15. Landscape and maintain all unimproved right-of-way on 3rd Street adjacent to this site. All landscaping and private improvements installed with this project shall be situated and

maintained so as to not create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections.

16. Submit an Encroachment Agreement for all landscaping and private improvements, if any, located in the 3rd Street public right-of-way adjacent to this site prior to occupancy of this site.
17. Meet with the Flood Control Section of the Department of Public Works for assistance with establishing finished floor elevations and drainage patterns for this site prior to submittal of construction plans or the issuance of any building or grading permits, whichever may occur first. Provide and improve all drainage ways as recommended.

Sincerely,

Gabriela Portillo-Brenner
Deputy City Clerk II for
Beverly K. Bridges, CMC, City Clerk
