NOTICE AND ORDER TO ABATE DANGEROUS BUILDING

You are hereby notified as owner(s) of the property located at **3104 Merritt Ave, Las Vegas, NV, Parcel #162-08-111-038**, that it has been found to be a dangerous building(s) as defined in the Uniform Code for the Abatement Dangerous Building, 1994 Edition, Section 302, adopted by the Las Vegas Municipal Code 16.08. The building(s) constitutes a public hazard and an attractive nuisance because *the property is open and accessible to vagrants, vandals and minor children.*

To correct this condition you need to secure, board, and clean the vacant building, and post a "No Trespassing" sign. Remove all litter, debris, and items stored from the property and all surrounding yards (i.e. closet door, hand tools, brooms, mattresses, etc.). Cut the grass/vegetation in the front yard, and have the palm tree(s) trimmed of dead fronds. Remove the inoperable brown van from the property. Remove the engine block and all other vehicle parts from the property.

Once you have been officially notified that this condition exists and you fail to respond, court citations could be issued with each day constituting a separated offense.

If the problem still exists after this ten (10) day Notice and Order, the City may hire a licensed contractor to remove the nuisance and hazard either by demolition or safely securing the structure and cleaning the premises. As the property owner(s), you will be responsible for all costs incurred, including a fifteen (15%) administrative processing fee, and a two hundred dollar (\$200.00) boarding fee. You will be notified of a public hearing to be conducted by the City Council to review the costs, and their decision shall be final and conclusive. Upon approval of the costs by the City Council, A Lien of Assessment shall be filed with the County Recorder office, certified copies of the Lien given to the County Treasurer, and the amount of the Lien of Assessment shall then be collected at the same time and in the same manner as ordinary taxes. All laws applicable to the levy, collection, and enforcement of property taxes shall be applicable to such assessment.

If you disagree with the assessment of Neighborhood Response, within ten days after service of the notice of violation, the owner or responsible party may appeal to the City Council. Such appeal shall be in writing and shall be filed with the City Clerk. Within fifteen days after the appeal has been filed, the appellant shall be given written notice of the procedure and time frame for the hearing of the appeal. The appeal shall be heard by the City Council or by the Council's designee, with a right of final appeal to the Council. The decision of the City Council or the council's designee, in cases where a designee hears an appeal and no further appeal is taken, shall be final and conclusive. An owner or responsible party failing to appeal as provided in this Section shall be deemed to have waived any and all objections to the existence of a public nuisance and the abatement of such nuisance.

It is recommended that you contact the Department of Neighborhood Services, Neighborhood Response Division, by telephoning (702) 229-6615 concerning your intentions at your earliest convenience.

Sincerely,
