NOTICE AND ORDER TO ABATE DANGEROUS BUILDING

You are hereby notified as owner(s) of the property located at **409 West Adams Avenue, Las Vegas, NV, Parcel #139-27-210-103**, that it has been found to be a dangerous building(s) as defined in the Uniform Code for the Abatement Dangerous Building, 1994 Edition, Section 302, adopted by the Las Vegas Municipal Code 16.08. The building(s) constitutes a public hazard and an attractive nuisance because *the property is open and accessible to vagrants, vandals and minor children.*

To correct this condition you need to board all windows and entrances per attached City of Las Vegas Abatement Specifications, including gates. Remove all debris from building interior; and all litter, trash, debris and high vegetation from all yards. Remove all vehicles from property. NOTE: Interior and exterior renovations require prior permits from Building and Safety Department.

Once you have been officially notified that this condition exists and you fail to respond, court citations could be issued with each day constituting a separated offense.

If the problem still exists after this ten (10) day Notice and Order, the City may hire a licensed contractor to remove the nuisance and hazard either by demolition or safely securing the structure and cleaning the premises. As the property owner(s), you will be responsible for all costs incurred, including a fifteen (15%) administrative processing fee, and a two hundred dollar (\$200.00) boarding fee. You will be notified of a public hearing to be conducted by the City Council to review the costs, and their decision shall be final and conclusive. Upon approval of the costs by the City Council, A Lien of Assessment shall be filed with the County Recorder office, certified copies of the Lien given to the County Treasurer, and the amount of the Lien of Assessment shall then be collected at the same time and in the same manner as ordinary taxes. All laws applicable to the levy, collection, and enforcement of property taxes shall be applicable to such assessment.
