**NOTICE OF INTENT OF THE CITY COUNCIL OF THE CITY OF LAS VEGAS, NEVADA, TO ISSUE GENERAL OBLIGATION (LIMITED TAX) SANITARY SEWER BONDS ADDITIONALLY SECURED BY PLEDGED REVENUES.**

NOTICE IS HEREBY GIVEN that the City Council of the City of Las Vegas (the "Council", and the "City") of Clark County (the "County"), Nevada by a resolution, passed, adopted, signed and approved on the 5th day of October, 1988, and designated in Section 1 thereof by the short title "Resolution of Intent to Issue Sanitary Sewer Bonds" has proposed the issuance of the City's General Obligation Sanitary Sewer Bonds (the "Bonds") designated below, as follows:

**GENERAL OBLIGATION SANITARY SEWER BOND (ADDITIONALLY SECURED BY PLEDGED REVENUES) PROPOSAL:**

Shall the City Council of the City of Las Vegas, Nevada, be authorized to incur a general obligation indebtedness (additionally secured by pledged revenues) on behalf of the City of Las Vegas by the issuance at one time, or from time to time of the City's general obligation sanitary sewer bonds, in one series or more, in the aggregate principal amount of not exceeding \$40,800,000 for the purpose of acquiring and constructing facilities pertaining to the City's municipal sanitary sewerage system for the collection, interception, transportation, treatment, purification and disposal of sewage, liquid wastes, solid waste and night soil and industrial wastes, all appurtenances incidental thereto (the "project"), such bonds to mature serially commencing not later than five (5) years from the date or respective dates of the bonds and ending not later thirty (30) years therefrom payable from general (ad valorem) taxes (except to the extent pledged revenues of the municipal sanitary sewerage system of which the project is a part are available therefor), and to be issued at sold at, above, or below par at an effective interest rate (including any sale discount) not exceeding the statutory maximum rate, if any, as shall be determined at the time of the sale thereof, and otherwise to be issued in such manner, upon such terms and conditions, with such covenants and agreements, and with such other detail as the City Council may determine, including at its option but not necessarily limited to provisions for the redemption of bonds prior to maturity without or with the payment of a premium? (herein the "Bond Proposal" or "Proposal").

The above Bond Proposal was previously approved upon the adoption of the "1988 GOBC Las Vegas Bond Approval Resolution" by the General Obligation Bond Commission of Clark County, Nevada, at a special meeting of the Commission.

The City has determined that the general obligation Bonds to be issued for the purpose of financing a sanitary sewer project (as further described in the above Bond Proposal) will be additionally secured by a pledge of the revenues of the financed sewer project and other revenues of the municipal sanitary sewer system of which the project is a part (the "Pledged Revenues"). The City has, in addition, determined that the "Pledged Revenues" will at least equal the amount required in each year for the payment of the interest on and the principal of the Bonds.

Based upon this determination, the City intends to incur this general obligation as set forth above without an election as provided in subsection 2 of Section 350.020, Nevada Revised Statutes, unless within thirty (30) days after the publication of this notice a petition requesting an election is presented to the City signed by not fewer than five percent (5%) of the registered voters of the City who, together with any corporate petitioners, own not less than two percent (2%) in assessed value of the taxable property in the City. The number of registered voters is to be determined as of the close of registration for the last preceding general election. The assessed values are to be determined from the next preceding final assessment roll of the City. An unauthorized corporate officer may sign such a petition whether or not he or she is a registered voter of the City.

At a meeting or meetings of the City to be held not earlier than thirty (30) days after the publication of this notice, the City shall proceed to enact an ordinance or ordinances authorizing the issuance of the Bonds. Such ordinance or ordinances authorizing the issuance of the Bonds will be adopted unless prior to 5:00 p.m. on the 7th day of November, 1988, a petition is presented to the City asking for a special election upon the question of whether or not the proposed general obligations shall be incurred. The petition for an election herein referred to may be presented to the City at any time prior to the expiration of thirty (30) days after the publication of this notice. In the event such petition is presented, no such ordinance or ordinances shall be enacted except pursuant to a special election called and held for such purpose and carried by a majority of the votes cast. In the event no such petition is presented, the Bonds will be authorized as described above. The ordinance or ordinances authorizing Bonds will, in addition, contain provisions for additionally securing the payment of the general obligations by pledging the "Pledged Revenues" designated above and in the Bond Proposal to the payment of the Bonds.

The authority to issue the Bonds if conferred at the special election or if conferred by the fact no petition is presented to the City requesting such an election within thirty (30) days of the date of publication hereof shall be deemed to be a continuing authority and the City shall be authorized to sell the Bonds at such time or times and upon such terms and conditions as it deems proper in accordance with the provisions of the Proposal and the laws of the state.

All persons interested are hereby advised that further information regarding the Project to be financed by the Bonds, the Bonds and the revenues to be pledged to the Bonds, and all proceedings in the premises, are on file in the office of the City Finance Director, 400 East Stewart Avenue, Las Vegas, Nevada, and can be seen and examined by the interested persons during the regular office hours of the City.

The determination by the City that the Pledged Revenues will at least equal the amount required in each year for the payment of interest and principal on the Bonds becomes conclusive on the last day for filing the petition specified above.

BY ORDER of the City Council of Las Vegas, Clark County, Nevada.

Dated this 5th day of October, 1988
