RESOLUTION
AND

NOTICE OF PUBLIC HEARING

WHEREAS, the City of Las Vegas (the "City" herein) is desirous of providing its residents the opportunity to receive community antenna television service; and

WHEREAS, the Nevada Legislature, pursuant to Chapter 711 of the Nevada Revised Statutes, has authorized city councils to grant franchises to community antenna television systems for the construction, maintenance and operation of such systems if they require the use of the property of such city or the portion of such city that is dedicated to public use, or both, for the maintenance of their cables or wires underground, on the surface or on poles for the transmission of the television pictures; and

WHEREAS, VALLEY COMMUNICATIONS, INC. ("Valley" herein), is a Nevada corporation that was created for the purpose of providing community antenna television service to areas which are designated in its various franchises or permits, or both, and is qualified to do business in the State of Nevada; and WHEREAS, on October 28, 1985 (as updated by a supplemental filing on April 25, 1986), Valley applied to the City for a franchise to permit it to install, maintain, operate and use a community antenna television system within the corporate boundaries of the City, pursuant to the terms and conditions proposed in the Franchise Agreement accompanying such application; and

WHEREAS, there exists a need to insure that the installation, maintenance, operation and use of such a community antenna television system is conducted in a manner that will not interfere with the public's use of the improved and unimproved public roads, highways, freeways, streets, avenues, lanes, paths, alleys, drives, parkways, courts and easements which now or may hereafter exist; and

WHEREAS, the purpose of the proposed Franchise Agreement between the City and Valley is to grant the necessary permission and authority to Valley to utilize the various improved and unimproved public roads, highways, freeways, streets, avenues, lanes, paths, alleys, drives, parkways, courts and easements, which now or may hereafter exist, for the purpose of installing, maintaining, operating and using its proposed community antenna television system.

NOW, THEREFORE, pursuant to the provisions of Section 7.050 of the City Charter of the City (Chapter 517, Statutes of Nevada 1983, as amended), IT IS HEREBY ACKNOWLEDGED, DETERMINED AND RESOLVED, by the City Council of the City, as follows:

1. That Valley did, on October 28, 1985, file an application with the City, as said application was updated by a supplemental filing on April 25, 1986, in which it requests that a franchise be granted to Valley for the purpose of installing, maintaining, operating and using a community antenna television system within the corporate boundaries of the City, pursuant to the terms and conditions of the proposed Franchise Agreement between the City and Valley, a copy of which is attached as Exhibit "A" hereto; and by this reference made a part hereof.

2. That the purpose, character, term, time and conditions of the proposed franchise, which the City may grant to Valley in response to such application, is to install, maintain, operate and use a community antenna television system in, upon, along, across, above, over and under the property of the City and the portion of the City that is dedicated to public use for a term of twenty (20) years from and after the date thereof, all as is more fully set forth in Exhibit "A". A copy of the proposed Franchise Agreement is on file in the Office of the City Clerk of the City and is available for inspection thereof by members of the public.

3. That a public hearing on the advisability of granting the proposed franchise be, and it hereby is, set for Wednesday, June 4, 1986, in the City Council Chamber, City Hall Complex, 400 East Stewart Avenue, Las Vegas, Nevada, at the hour of 2:00 p.m., for the purpose of hearing any objection or protest which may be made by any person to the granting of the proposed franchise to Valley.

4. That all interested persons shall have, and they are hereby given, the right to appear and be heard on the question of the advisability of granting the proposed franchise to Valley on the date and at the place and hour which are specified for the public hearing in paragraph 3 of this Resolution and Notice, or at any subsequent time to which said public hearing may be adjourned.

5. That the notice provided by this Resolution and Notice is reasonably calculated to inform each interested person of his or her opportunity to appear and be heard on the advisability of granting the proposed franchise, and that the City Clerk therefore be, and she hereby is, authorized, empowered and directed to cause a copy of this Resolution and Notice to be published in full in the editions of the Las Vegas Sun and the Las Vegas Review Journal which will be published on the 16th day of May, 1986, and the 23rd day of May, 1986.
