**Includes full amount of unpaid assessment, accrued and delinquent interest to December 3, 1998, penalties and collection costs, including attorney fees.

Each property described above will be sold to satisfy the total amount due thereon as is stated above, to the first person at the sale offering to pay the amount due on that property as is listed above. The sale shall be held, and purchasers at the sale shall receive certificates of sale, as provided in NRS § 271.555 to NRS § 271.575. The sale shall be continued from day to day as provided in NRS § 271.555. The property sold is subject to redemption as provided in NRS 271.595. If not redeemed as provided in that Section, after expiration of the period of redemption, the City Treasurer will issue a deed to the property on demand of the certificate holder in the manner provided in NRS § 271.595. The Council has elected its option to cause the whole unpaid principal amount of the assessments to be due and payable at this time with respect to the parcels listed above, that have been delinquent for two assessment installments. Those parcels are designated with a "*" in the above table.

As provided in NRS § 271.410, at any time prior to the date of sale the owner may pay the amount of delinquent installments with accrued interest, all penalties and costs of collection accrued including but not necessarily limited to any attorneys fees, and shall thereupon be restored the right to thereafter pay in installments in the same manner as if default had not been made. A property owner may obtain from the Las Vegas City Treasurer the amount that he is required to pay to the City in order to bring his assessment to a current payment status.
