If you have any questions regarding the following Survey comments please call 229-6217

The map is technically correct as submitted.

We have not seen a map this clean for CLV Survey review since the last time CLV Survey submitted a map into CLV. Please extend our sincere appreciation to your mapping Surveyor for taking enough pride in his work to actually perform a check of the map prior to submittal to CLV, as that is seldom the case by many in the Private sector. Awesome, just totally awesome!
