Dear Mr. Frayer:

Planning and Development Department staff has reviewed the proposed plans to remove three (3) existing antennas at the 70-foot centerline and replace them with three (3) new antennas with the top of the antennas at 72 feet of an existing Wireless Communication Facility, Non-Stealth Design (Monopole) located at 1311 West Owens Avenue. The determination has been made that this request cannot be approved administratively.

A Special Use Permit application will be required prior to submittal of building permits. A copy of this letter must be included in the permit package.

If you have any questions, please contact me at (702) 229-6895.

Sincerely,
