A copy of the approved address plan shall be submitted with any future building permit applications related to the site.
14. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein

Public Works

15. Remove all unused driveways and correct all American's with Disabilities Act (ADA) deficiencies on the sidewalks adjacent to this site in accordance with code requirements of Title 13.56.040 to the satisfaction of the City Engineer concurrent with development of this site. All existing paving damaged or removed by this development shall be restored at its original location and to its original width concurrent with development of this site
16. Concurrent with development of this site, construct a median island in Shiloah Drive at a length and location acceptable to the City of Las Vegas Traffic Engineer to prohibit left turns into the proposed southern driveway
17. Concurrent with development of this site, remove the existing Individual Sewage Disposal System (ISDS) according to Southern Nevada Health District Environmental Health Division ISDS regulations.
18. Landscape and maintain all unimproved right-of-way adjacent to this site. All landscaping and private improvements installed with this project shall be situated and maintained so as to not create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections
19. Submit a License Agreement for landscaping and private improvements in the Shiloah Drive public right-of-way prior to the issuance of permits for these improvements. The applicant must carry an insurance policy for the term of the License Agreement and add the City of Las Vegas as an additionally insured entity on this insurance policy. If requested by the City, the applicant shall remove property encroaching in the public right-of-way at the applicant's expense pursuant to the terms of the City's License Agreement. The installation and maintenance of all private improvements in the public right-of-way shall be the responsibility of the adjacent property owner(s) and shall be transferred with the sale of the property for the entire term of the License Agreement. Coordinate all requirements for the License Agreement with the Land Development Section of the Department of Building and Safety (702-229-4836).
