**RE: ABEYANCE - SDR-78441 [PRJ-78340] - SITE DEVELOPMENT
PLAN REVIEW
CITY COUNCIL MEETING OF JUNE 17, 2020**

Dear Mr. Gold:

The City Council at a regular meeting held on June 17, 2020 voted to **APPROVE** a request for a Site Development Plan Review FOR A PROPOSED TWO-STORY, 16-UNIT MULTI-FAMILY DEVELOPMENT WITH A WAIVER TO ALLOW 10 PARKING SPACES WHERE 28 ARE REQUIRED on 0.34 acres at 405 South 10th Street (APN 139-34-712-124), R-4 (High Density Residential) Zone, Ward 3 (Diaz) [PRJ-78340].

This approval is subject to the following conditions:

Planning

1. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.16. An Extension of Time may be filed for consideration by the City of Las Vegas.
2. All development shall be in conformance with the site plan, landscape plan, and building elevations, date stamped 04/23/20, except as amended by conditions herein.
3. A Waiver from Title 19 is hereby approved, to allow 15 parking spaces where 24 spaces are required.
4. All necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Department of Building and Safety.

5. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.
6. The applicant shall coordinate with the City Surveyor and other city staff to determine the most appropriate mapping action necessary to consolidate the existing lots. The mapping action shall be completed and recorded prior to the issuance of any building permits.
7. All utility or mechanical equipment shall comply with the provisions of the Interim Downtown Las Vegas Development Standards, unless approved by a separate Waiver.
8. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. A permanent underground sprinkler system is required, which shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications. Installed landscaping shall not impede visibility of any traffic control device.
9. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.
10. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

11. Correct all American's with Disabilities Act (ADA) deficiencies on the sidewalks on 10th Street adjacent to this site in accordance with code requirements of Title 13.56.040, if any, to the satisfaction of the City Engineer concurrent with development of this site. All existing paving damaged or removed by this development shall be restored at its original location and to its original width concurrent with development of this site.
12. All landscaping and private improvements installed with this project shall be situated and maintained so as to not create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections.

13. Submit a License Agreement for landscaping and private improvements in the public rights-of-way, if any, adjacent to this site prior to this issuance of permits for these improvements. The applicant must carry an insurance policy for the term of the License Agreement and add the City of Las Vegas as an additionally insured entity on this insurance policy. If requested by the City, the applicant shall remove property encroaching in the public right-of-way at the applicant's expense pursuant to the terms of the City's License Agreement. The installation and maintenance of all private improvements in the public right of way shall be the responsibility of the adjacent property owner(s) and shall be transferred with the sale of the property for the entire term of the License Agreement.
14. Meet with the Flood Control Section of the Department of Public Works for assistance with establishing finished floor elevations and drainage paths for this site prior to submittal of construction plans, the issuance of any building or grading permits or the submittal of a map for this site, whichever may occur first. Provide and improve all drainage ways as recommended.

The Notice of Final Action was filed with the Las Vegas City Clerk on June 18, 2020.

Sincerely,

Robert Summerfield, AICP[®]
Director
Department of Planning
