**RE: ABEYANCE - TMP-59532 [PRJ-59467] - TENTATIVE MAP RELATED
TO GPA-59527 AND ZON-59529
CITY COUNCIL MEETING OF SEPTEMBER 16, 2015**

Dear Applicant:

The City Council at a regular meeting held on September 16, 2015 **APPROVED** a request for a Tentative Map FOR A 12-LOT SINGLE-FAMILY RESIDENTIAL SUBDIVISION on 5.00 acres at 9704 West Alexander Road (APN 138-06-401-006), R-PD2 (Residential Planned Development - 2 Units Per Acre) [PROPOSED: R-D (Single Family Residential-Restricted), Ward 4 (Anthony) [PRJ-59467].

Planning

1. This development shall be limited to a maximum of 12 lots.
2. Approval of the Tentative Map shall be for no more than four (4) years. If a Final Map is not recorded on all or a portion of the area embraced by the Tentative Map with four (4) years of the approval of the Tentative Map, this action is void.
3. Street names must be provided in accordance with the City's Street Naming Regulations and United States Postal Service.
4. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

5. In conjunction with creation, declaration and recordation of the subject common-interest community, and prior to recordation of the Covenants, Codes and Restrictions ("CC&R"), or conveyance of any unit within the community, the Developer is required to record a Declaration of Private Maintenance Requirements ("DPMR") as a covenant on all associated properties, and on behalf of all current and future property owners. The DPMR is to include a listing of all privately owned and/or maintained infrastructure improvements, along with assignment of maintenance responsibility for each to the common interest community or the respective individual property owners, and is to provide a brief description of the required level of maintenance for privately maintained components. The DPMR must be reviewed and approved by the City of Las Vegas Department of Field Operations prior to recordation, and must include a statement that all properties within the community are subject to assessment for all associated costs should private maintenance obligations not be met, and the City of Las Vegas be required to provide for said maintenance. Also, the CC&R are to include a statement of obligation of compliance with the DPMR. Following recordation, the Developer is to submit copies of the recorded DPMR and CC&R documents to the City of Las Vegas Department of Field Operations.
6. All development is subject to the conditions of City Departments and State Subdivision Statutes.

Public Works

7. Dedicate 50 feet of right-of-way for Alexander Road and 40 feet of right-of-way for Grand Canyon Drive including a 35-foot radius and Traffic Chord Easement at the northwest corner of Alexander Road and Grand Canyon Drive per standard drawing 201.3.S1 adjacent to this site concurrent with the Final Map for this site. Additionally, grant a 15-foot Multi-Use Non-Equestrian Trail Easement adjacent to Alexander Road concurrent with the Final Map for this site.
8. Construct all incomplete half-street improvements on Alexander Road including the required Multi-Use Non-Equestrian Trail and construct half street improvements on Grand Canyon Drive including appropriate over paving, where legally able, meeting current City Standards adjacent to this site concurrent with onsite development activities. All existing paving damaged or removed by this development shall be restored at its original location and to its original width concurrent with development of this site.

9. Private streets must be granted and labeled on the Final Map for this site as Public Utility Easements (P.U.E.), Public Sewer Easements, and Public Drainage Easements with private maintenance by the Homeowner's Association.
10. Landscape and maintain all unimproved right-of-way adjacent to this site. All landscaping and private improvements installed with this project shall be situated and maintained so as to not create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections.
11. Submit an Encroachment Agreement for landscaping and private improvements in the Alexander Road and Grand Canyon Drive public rights-of-way prior to this issuance of permits for these improvements. The applicant must carry an insurance policy for the term of the Encroachment Agreement and add the City of Las Vegas as an additionally insured entity on this insurance policy. If requested by the City, the applicant shall remove property encroaching in the public right-of-way at the applicant's expense pursuant to the terms of the City's Encroachment Agreement. The installation and maintenance of all private improvements in the public right of way shall be the responsibility of the adjacent property owner(s) and shall be transferred with the sale of the property for the entire term of the Encroachment Agreement. Coordinate all requirements for the Encroachment Agreement with the Land Development Section of the Department of Building and Safety (229-4836).
12. A Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of any building or grading permits, submittal of any construction drawings or the submittal of a Map subdividing this site, whichever may occur first. Provide and improve all drainageways recommended in the approved drainage plan/study. The developer of this site shall be responsible to construct such neighborhood or local drainage facility improvements as are recommended by the City of Las Vegas Neighborhood Drainage Studies and approved Drainage Plan/Study concurrent with development of this site.
13. The approval of all Public Works related improvements shown on this Tentative Map is in concept only. Specific design and construction details relating to size, type and/or alignment of improvements, including but not limited to street, sewer and drainage improvements, shall be resolved prior to approval of the construction plans by the City. No deviations from adopted City Standards shall be allowed

unless specific written approval for such is received from the City Engineer prior to the recordation of a Final Map or the approval of subdivision-related construction plans, whichever may occur first. Approval of this Tentative Map does not constitute approval of any deviations. If such approval cannot be obtained, a revised Tentative Map must be submitted showing elimination of such deviations.

The Notice of Final Action was filed with the Las Vegas City Clerk on September 17, 2015.

Sincerely,

Thomas A. Perrigo
