**RE: ABEYANCE - 21-0330-SUP1 AND 21-0330-SDR1
PLANNING COMMISSION MEETING OF AUGUST 10, 2021**

Dear Applicant:

The Planning Commission at a regular meeting held on *August 10, 2021* voted to **APPROVE** the following Land Use Entitlement project requests on 2.56 acres on the east side of Rancho Drive, approximately 375 feet south of Lone Mountain Road (APN 138-02-102-014), C-2 (General Commercial) Zone, Ward 4 (Anthony).

21-0330-SUP1 - SPECIAL USE PERMIT - FOR A MINI-STORAGE FACILITY USE

21-0330-SDR1 - SITE DEVELOPMENT PLAN REVIEW - FOR A PROPOSED 45-FOOT TALL, 140,602 SQUARE-FOOT, 1,036-UNIT MINI-STORAGE FACILITY WITH WAIVERS OF BUILDING PLACEMENT AND ARCHITECTURAL DESIGN STANDARDS

This approval is subject to the following conditions:

21-0330-SUP1 CONDITIONS

Planning

1. Approval and conformance to the Conditions of Approval for Site Development Plan Review (21-0330-SDR1) shall be required, if approved.
2. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.16. An Extension of Time may be filed for consideration by the City of Las Vegas.
3. All necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Department of Building and Safety.

4. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit, as well as submitted as part of any business license application.
5. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

21-0330-SDR1 CONDITIONS

Planning

1. Approval of and conformance to the Conditions of Approval for Special Use Permit (21-0330-SUP1) shall be required, if approved.
2. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.16. An Extension of Time may be filed for consideration by the City of Las Vegas.
3. All development shall be in conformance with the site plan, landscape plan and building elevations date stamped 08/03/21, except as amended by conditions herein.
4. A Waiver from Title 19.08.040 is hereby approved, to allow the mini-storage building to be set back from the minimum setback line where required to be placed at the minimum setback line or behind the front landscape buffer.
5. A Waiver from Title 19.08.040 is hereby approved, to allow the rear elevation of the building to differ in design where all sides of a building shall be coherently designed and treated.
6. An Exception from Title 19.08.040.F is hereby approved, to allow four parking lot trees where seven 24-inch box shade trees are required.
7. All necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Department of Building and Safety.
8. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.

9. Prior to or at the time of submittal for any building permit, the applicant shall provide written verification by the FAA and/or the Clark County Department of Aviation of the following:
 - a. Applicant is required to file a valid FAA Form 7460-1, "Notice of Proposed Construction or Alteration" with the FAA, in accordance with 14 CFR Part 77, or submit to the Clark County Director of Aviation a "Property Owner's Shielding Determination Statement" and request written concurrence from the Clark County Department of Aviation;
 - b. No Building Permit or other construction permit shall be issued for any structure greater than 35 feet above the surface of land that, based upon the FAA's 7460 airspace determination (the outcome of filing the FAA Form 7460-1) would (a) constitute a hazard to air navigation, (b) would result in an increase to minimum flight altitudes during any phase of flight (unless approved by the Department of Aviation), or (c) would otherwise be determined to pose a significant adverse impact on airport or aircraft operations.
 - c. Applicant is advised that FAA's airspace determinations are dependent on petitions by any interested party and the height that will not present a hazard as determined by the FAA may change based on these comments.
10. Pursuant to LVMC Title 19.08.040.G for commercial and industrial properties, a perimeter wall shall be constructed adjacent to any residential zoning district or property used solely for residential purposes. The wall or fence is intended to screen the commercial or industrial activity from the residential property, and shall be of a solid decorative material that is a minimum of six feet in height measured from the side of the commercial or industrial property. In no case shall the wall or fence exceed the overall height limitation applicable to the adjacent zoning district or property unless approved through a Variance or other applicable means. The overall height of a wall or fence shall be measured from the side with the greatest vertical exposure above finished grade.
11. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. A permanent underground sprinkler system is required, which shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications. Installed landscaping shall not impede visibility of any traffic control device.
12. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.
13. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

14. Construct all incomplete half-street improvements on Rancho Drive adjacent to this site concurrent with development. All existing paving damaged or removed by this development shall be restored at its original location and to its original width concurrent with development of this site.
15. Obtain an Occupancy Permit from the Nevada Department of Transportation (NDOT) for the proposed driveway, median modification, and any other private improvements in the Rancho Drive public right-of-way adjacent to this site prior to constructing any improvements within NDOT jurisdiction. If a traffic study is required by NDOT, provide a copy to the City of Las Vegas.
16. Connect to the public sewer system at a location acceptable to the City of Las Vegas Public Works Sanitary Sewer Section.
17. Unless otherwise allowed by the City Engineer, construct sidewalk on at least one side of all access drives connecting this site to the adjacent public streets concurrent with development of this site. The connecting sidewalk shall extend from the sidewalk on the public street to the first intersection of the on-site roadway network and shall be terminated on-site with a handicap ramp.
18. Contact the City Engineer's Office at 702-229-6272 to coordinate the development of this project with the Rancho Drive Capital Improvement project and any other public improvement projects adjacent to this site. Comply with the recommendations of the City Engineer.
19. A Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of any building or grading permits or submittal of any construction drawings, whichever may occur first. Provide and improve all drainageways recommended in the approved drainage plan/study. The developer of this site shall be responsible to construct such neighborhood or local drainage facility improvements as are recommended by the City of Las Vegas Neighborhood Drainage Studies and approved Drainage Plan/Study concurrent with development of this site.

This action by the Planning Commission on **August 10, 2021** is final unless a written appeal is filed with the City Clerk within ten days of the date of the Planning Commission's decision as allowed by code or there is a review action filed by the City Council within the same time period. For additional information on appeals or review requests submitted please access <https://www.lasvegasnevada.gov/Business/Permits-Licenses/Building-Permits/Permit-Application-Status>, or contact the Department of Planning and Development at 702.229.6301 after **August 23, 2021**.
