**RE: TMP-48085 - TENTATIVE MAP
PLANNING COMMISSION MEETING OF MARCH 12, 2013**

Dear Ms. Sawtell:

Your request for a Tentative Map FOR A 17-LOT SINGLE FAMILY RESIDENTIAL SUBDIVISION on 5.15 acres adjacent to the north side of Farm Road, approximately 280 feet west of Grand Canyon Drive (APN 125-18-201-008), PD (Planned Development) Zone [L (Low Density Residential) Grand Teton Village Special Land Use Designation], Ward 6 (Ross), was considered by the Planning Commission on March 12, 2013.

The Planning Commission voted to **APPROVE** your request, subject to the following:

Planning

1. Approval of the Tentative Map shall be for no more than four (4) years. If a Final Map is not recorded on all or a portion of the area embraced by the Tentative Map with four (4) years of the approval of the Tentative Map, this action is void.
2. All development shall conform to the Conditions of Approval for Site Development Plan Review (SDR-47230), the Grand Teton Village Development Agreement and Grand Teton Village Master Development Plan and Design Standards.
3. Street names must be provided in accordance with the City's Street Naming Regulations.
4. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

5. In conjunction with creation, declaration and recordation of the subject common-interest community, and prior to recordation of the Covenants, Codes and Restrictions ("CC&R"), or conveyance of any unit within the community, the Developer is required to record a Declaration of Private Maintenance Requirements ("DPMR") as a covenant on all associated properties, and on behalf of all current and future property owners. The DPMR is to include a listing of all privately owned and/or maintained infrastructure improvements, along with assignment of maintenance responsibility for each to the common interest community or the respective individual property owners, and is to provide a brief description of the required level of maintenance for privately maintained components. The DPMR must be reviewed and approved by the City of Las Vegas Department of Field Operations prior to recordation, and must include a statement that all properties within the community are subject to assessment for all associated costs should private maintenance obligations not be met, and the City of Las Vegas be required to provide for said maintenance. Also, the CC&R are to include a statement of obligation of compliance with the DPMR. Following recordation, the Developer is to submit copies of the recorded DPMR and CC&R documents to the City of Las Vegas Department of Field Operations.
6. All development is subject to the conditions of City Departments and State Subdivision Statutes.

Public Works

7. The private streets for this site must be granted as Public Utility Easements, Public Sewer Easements, and Public Drainage Easements to be Privately Maintained.
8. Grant a minimum 20-foot wide public sewer easement across Common Element 3. The easement shall be labeled as such and include the note "No trees or vegetation taller than 3 feet will be allowed within the Public Sewer Easement."
9. A Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of any building or grading permits, submittal of any construction drawings or the submittal of a Map subdividing this site, whichever may occur first. Provide and improve all drainageways recommended in the approved drainage plan/study. The developer of this site shall be responsible to construct such neighborhood or local drainage facility improvements as are recommended by the City of Las Vegas Neighborhood Drainage Studies and approved Drainage Plan/Study concurrent with development of this site.

10. Site development to comply with all applicable conditions of approval for SDR-47230 and all other applicable site-related actions.
11. The approval of all Public Works related improvements shown on this Tentative Map is in concept only. Specific design and construction details relating to size, type and/or alignment of improvements, including but not limited to street, sewer and drainage improvements, shall be resolved prior to approval of the construction plans by the City. No deviations from adopted City Standards shall be allowed unless specific written approval for such is received from the City Engineer prior to the recordation of a Final Map or the approval of subdivision-related construction plans, whichever may occur first. Approval of this Tentative Map does not constitute approval of any deviations. If such approval cannot be obtained, a revised Tentative Map must be submitted showing elimination of such deviations.

This action by the Planning Commission on March 12, 2013 is final unless a written appeal is filed with the City Clerk within seven days of the date of the Planning Commission's decision or there is a review action filed by the City Council within the same time period.

Sincerely,

Doug J. Rankin, AICP
