Avenue from Spencer Street to a point 83 feet
east of the center line of 17th Street.

Section 2. That the streets and parts of streets shall
be improved by installing thereon a complete street lighting system

15 Section 13. That all special assessments, assessed as

21 Section 14. That said assessments shall be due and pay-
22 able at the office of the County Treasurer of Clark County, Nevada,
23 acting Ex-officio City Treasurer and Ex-officio Tax Collector of
24 the City of Las Vegas, Nevada, within one week after said special
25 assessment roll is confirmed and approved, without interest and
26 without demand; provided, that all such assessments, or any part
27 thereof, may, at the election of the owner, be paid in installments,
28 with interest, as hereinafter provided. Failure to pay the whole
29 assessment, or any part thereof, within said period of one week
30 shall be conclusively considered and held an election on the part
31 of all persons interested, whether under disability or otherwise,
32 to pay in such installments. In case of such election to pay in
installments, the unpaid assessments shall be payable at the office

of said Ex-officio City Treasurer in ten substantially equal annual installments of principal, the first of which installments of principal shall be due and payable on or before the 1st day of December, 1951, and the remainder of said installments shall be due and payable successively on or before the same day in each year thereafter until paid in full, with interest in all cases on the unpaid and deferred installments of principal from the 1st day of January, 1951, at the same rate of interest as that provided for in the special assessment bond to be hereafter authorized, sold, issued and delivered, but not to exceed seven per centum (7%) per annum, payable annually at the office of said Ex-officio City Treasurer, the first annual payment of interest being due and payable on the said 1st day of December, 1951, and the remainder of said annual installments of interest being due and payable on the 1st day of December in each year thereafter. Failure to pay any installment, whether of principal or interest, when due, shall cause the whole of the unpaid principal to become due and payable immediately, and the whole amount of the unpaid principal and accrued interest shall thereafter draw interest at the rate of ten per centum per annum, until the day of sale, but at any time prior to the day of the sale, the owner may pay the amount of all unpaid installments, with interest thereon at ten per centum per annum, and all penalties accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any property not in default as to any installment or payment, may, at any time, pay the whole of the unpaid principal with interest accruing thereon to the next interest paying date.

Each assessment, together with interest thereon, shall be placed on the tax roll of Clark County on and against the several owners and premises, and the County Assessor of Clark County, acting Ex-officio Assessor of the City of Las Vegas, is hereby authorized and directed to enter the same on the tax roll of said County

and to extend the same in a special column for special assessments on said tax roll, and the County Treasurer of said County, the Ex-officio City Treasurer and Ex-officio Tax Collector of the City of Las Vegas, is hereby authorized and directed to collect the same, all in the same manner and at the same time as other State and County taxes are collected.

Section 15. That the special assessments, both principal and interest, when collected, shall be placed in a special fund to be known as "Street Improvement Assessment District No. 100-3 Bond Interest and Redemption Fund," and as such shall at all times constitute a sinking fund for and deemed specially appropriated to the payment of the special assessment improvement bonds and interest thereon, to be hereafter authorized, sold, issued and delivered for the purpose of paying in part the cost or expense of said improvements; and said fund shall be applied to payment for the improvements for which said assessments were made, and shall not be used for any other purpose until said bonds and the interest thereon is fully paid.

Section 16. That after said assessment roll has been confirmed and approved, said Ex-officio City Treasurer immediately shall notify each person known to said Ex-officio City Assessor, whose name appears on said assessment roll, by United States of America mail, that an assessment has been levied against said person and the designated property in said Street Improvement Assessment District No. 100-3, and shall state therein when and where said assessment is due and payable.

Section 17. That all action (not inconsistent with the provisions of this ordinance) heretofore taken by the City of Las Vegas, and the officers of said City, directed toward the paving, curbing, guttering and otherwise improving certain streets and parts of streets in said Street Improvement Assessment District No. 100-3, toward the creation of said District, and toward levying and effecting special assessments to defray the entire cost

thereof, be, and the same is, hereby ratified, approved and confirmed.

Section 18. That all by-laws, orders, resolutions and ordinances, or parts of by-laws, orders, resolutions and ordinances, in conflict with this ordinance, are hereby repealed.

Section 19. That if any one or more sections, sentences, clauses or parts of this ordinance shall, for any reason, be questioned or be held invalid, such judgment shall not affect, impair or invalidate the remaining provisions of this ordinance, but shall be confined in its operation to the specific sections, sentences, clauses or parts of this ordinance so held unconstitutional and invalid, and the inapplicability and invalidity of any section, sentence, clause or part of this ordinance, in any one or more instances shall not affect or prejudice in any way the applicability and validity of this ordinance in any other instances.

Section 20. That by reason of the fact that the streets of the City of Las Vegas are inadequate to meet the present and future needs of the City and its inhabitants and that it is necessary immediately to raise funds to improve said streets, therefore, it is hereby declared that an emergency exists, and that this ordinance is necessary for the immediate preservation of the public peace, health and safety.

Section 21. That the City Clerk and Clerk of the Board of Commissioners of the City of Las Vegas, shall cause this ordinance to be published once a week for two successive weeks immediately following its final reading and adoption, in the Las Vegas Review-Journal, a daily newspaper published in said City, and this ordinance shall become effective immediately following the second publication hereof.
