ATTEST:

CAROL ANN HAWLEY, City Clerk

While there are no rules of the City Council which might prevent, unless suspended, the final passage and adoption of such proposed ordinance at this meeting as though an emergency existed, Section 2.110 of the City Charter states that final passage and adoption at this meeting requires the unanimous vote of all elected members of the City Council.

Councilman Nolen then moved that the ordinance be passed and adopted as read. No second to the motion to pass the Ordinance being required by the rules of procedure established by the Council, the question was called for the passage and adoption of such ordinance, and roll was called with the following results:

Those voting Aye:	Mayor Ron Lurie
	Councilman Bob Nolen
	Councilman W. Wayne Bunker
	Councilman Steven Miller

Those voting nay:	None
-------------------	------

The Mayor thereupon declared that all the members of the City Council having voted in favor thereof, the motion carried and the ordinance duly passed and adopted.

It was ordered that the ordinance, after signature by the Mayor and the City Clerk and the affixing thereto of the City seal, be recorded in the minute book of the Council according to law.

Thereupon, after the consideration of other business not relevant to the matters contained in the ordinance, the
