SECTION 2: That said Board of Commissioners has determined and does hereby determine, that said described territory meets the requirements provided by law for annexation to the City of Las Vegas for the following reasons:

- A. The area to be annexed was contiguous to the City's boundaries at the time the annexation proceedings were instituted;
- B. More than one-eighth (1/8) of the aggregate external boundaries of the area are contiguous to the City of Las Vegas;
- C. The territory proposed to be annexed is not included within the boundaries of another incorporated city;
- D. The City of Las Vegas is eligible to annex the area described in this report since the landowners have signed a petition requesting annexation to the City, said petition constituting one hundred percent (100%) of the owners of record of individual lots or parcels of land within the annexation area.

SECTION 3: The City of Las Vegas will provide police protection through the Las Vegas Metropolitan Police Department, fire protection, street maintenance, and library services immediately upon annexation. Garbage collection by the company franchised by the City will also be provided immediately. The City sanitary sewer system will serve the proposed annexation area. Any connection to or extension of this sewer line to serve the annexation area shall be at the expense of the landowners. Other services, such as participation in the City's recreational programs, special educational classes and programs, public works planning, building inspections, and other City Hall services will also be available immediately. Utilities such as gas, electricity, telephone, and water are provided by private utility companies and other services to the area will not be affected by annexation. Street paving, curbs and gutters, sidewalks and street lights which are not in place at the time of annexation will be installed in the presently developed areas upon the request of the property owners and at their expense by means of special assessment districts. Such improvements will be extended into the undeveloped areas as development

takes place and the need therefor arises, and will be located according to the needs of the area at that time. Such installations will also be made at the expense of the property owners, either by means of special assessment districts or as prerequisites to the approval of subdivision plats or the issuance of building permits, re-zonings, zone variances or special use permits.

SECTION 4: The annexation of said described territory shall become effective on the 6th day of June, 1979, and on such date the City of Las Vegas will have the funds appropriated in sufficient amount to finance the extension into said described territory of police protection, fire protection, street maintenance, street sweeping, and street lighting maintenance.

SECTION 5: Said described territory, together with the inhabitants and property thereof, shall, from and after the 6th day of June, 1979, be subject to all debts, laws, ordinances and regulations in force in the City of Las Vegas and shall be entitled to the same privileges and benefits as other parts of said City, and shall be subject to municipal taxes levied by the City of Las Vegas, Nevada.

SECTION 6: The City Engineer of the City of Las Vegas, Nevada, is hereby instructed to cause to be prepared an accurate map or plat of said described territory and to record the same, together with a certified copy of this ordinance in the office of the County Recorder of Clark County, Nevada, which said recording shall be done prior to the 6th day of June, 1979.

SECTION 7: If any section, subsection, subdivision, paragraph, sentence, clause or phrase in this Chapter or any part thereof, is for any reason held to be unconstitutional, or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this Chapter or any part thereof. The Board of Commissioners of the City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences,

clauses or phrases be declared unconstitutional, invalid or ineffective.
