23 company providing services substantially similar to those stated herein, the Company shall have the
24 option, within sixty (60) days of final adoption by the City, of substituting the franchise terms and
25 conditions adopted by the City, in place of the terms and conditions of this Franchise Agreement.

26 B. In addition to payment of consideration pursuant to Subsection (A), Company
27 shall be liable for lawful property, ad valorem taxes and local improvement district assessments. The
28 Company shall also be responsible for exactions, fees and charges, which are generally applicable

1 during Company's real property development or use as required by the City's ordinances.

2 C. In the event that the business license fee set forth in this Franchise Agreement
3 is declared illegal, unconstitutional or void for any reason by any court or proper authority, the
4 Company shall be contractually bound to pay the City, at the same times and in the same manner as
5 provided for herein, an aggregate amount equal to the amount which would have been paid as a
6 business licensee fee; provided such fee is applied to all telecommunications providers in a
7 competitively neutral, non-discriminatory manner. This Section, however, shall not constitute a
8 waiver of any claim the Company may assert against the City.

9 D. Commencing on the effective date of this Franchise Agreement, the business
10 license fees required to be paid pursuant to Subsection (A) shall be paid quarterly by the fifteenth (15)
11 day of the second month following the end of each calendar quarter for which payment or portion
12 thereof is due. For each year, a quarter shall be determined to end on the last day of March, June,
13 September and December. The Company shall furnish to the City with each payment of compensation
14 required by this Section a written statement, showing the amount of gross revenue of the Company
15 subject to a fee under this Franchise Agreement, within the City, for a period covered by the payment.

16 E. Acceptance by the City of any payment due under this Section shall not be
17 deemed to be a waiver by the City of any breach of this Franchise Agreement occurring prior thereto,
18 nor shall the acceptance by the City of any such payments preclude the City from later establishing
19 that a larger amount was actually due, or from collecting any balance due to the City.

20 **SECTION 13: PERFORMANCE BOND.**

21 A. As security for compliance with the terms of this Franchise Agreement and the
22 Las Vegas Municipal Code, including restoration of rights-of-way in which the Company has initiated
23 projects to construct, maintain, operate, reconstruct, remove or relocate its facilities, the Company
24 shall provide, and maintain at the minimum level herein specified for the life of this Franchise
25 Agreement, security delivered to the Director of the Department of Finance & Business Services,
26 made payable to the City Treasurer, a performance bond, in the amount of TWO HUNDRED
27 THOUSAND and NO/100ths DOLLARS (\$200,000.00), or an amount agreed to by the City Council,
28 to remain in force for the term of its Franchise, any or all of which may be claimed by the City as

1 payment for fees and liquidated damages, and to recover losses resulting to the City from the
2 Company's failure to perform.

3 B. All bonds shall be in accordance with the following:

4 1. All bonds shall, in addition to all other costs, provide for payment of
5 reasonable attorney's fees.

6 2. All bonds shall be issued by a surety company authorized to do business
7 in the state of Nevada, and which is listed in the U.S. Department of the Treasury Fiscal Service
8 (Department Circular 570, Current Revision): companies holding certificates of authority as
9 acceptable sureties on federal bonds and as acceptable reinsuring companies.

10 3. The Company shall require the attorney-of-fact who executes the bonds
11 on behalf of the surety to affix thereto a certified and current copy of his power of attorney.

12 4. All bonds prepared by a licensed non-resident agent must be
13 countersigned by a resident agent per Nevada Revised Statutes, Chapter 680A.

14 C. If at any time the City draws upon such performance bond, the Company shall
15 within thirty (30) days of notice from the City replenish such performance bond to the original
16 minimum amount established in this Section.

17 D. Reduction of Bond. Upon written application by the Company, the City may,
18 at its sole option, in writing, permit the amount of the bond to be reduced or waive the requirements
19 for a performance bond. Reductions granted or denied upon application by the Company shall be
20 without prejudice to the Company's subsequent applications or to the City's right to require the full
21 bond at any time thereafter. However, no application shall be made by the Company within one (1)
22 year of any prior application.

23 E. Performance Bond Procedures. The following procedures shall apply to
24 drawing on the performance bond:

25 1. If the Company fails to make timely payment to the City of any amount
26 due under its agreement or applicable law, or fails to compensate the City within ten (10) days of
27 written notification that such compensation is due, for any damages, costs, or expenses the City suffers
28 or incurs by reason of any act or omission of the Company in connection with this Franchise

1 Agreement or its enforcement, or fails, after thirty (30) days' written notice, to comply with any
2 provision of this Franchise Agreement or the Las Vegas Municipal Code that the City determines can
3 be remedied by an expenditure of the security, the City may withdraw the amount thereof, with
4 interest and any penalties, from the performance bond.

5 2. Within three (3) days of a withdrawal from a performance bond, the City
6 shall mail, by certified mail, return receipt requested, written notification of the amount, date, and
7 purpose of such withdrawal to the Company.

8 3. If at the time of a withdrawal from a performance bond by the City, the
9 amounts available are insufficient to provide the total payment towards which the withdrawal is
10 directed, the balance of such payment shall continue as the obligation of the Company to the City until
11 it is paid.

12 4. No later than thirty (30) days after mailing of notification to the
13 Company by certified mail, return receipt requested, of a withdrawal under a performance bond, the
14 Company shall restore the performance bond to the total amount specified herein.

15 F. Failure Constitutes Material Violation. Failure to maintain or restore the
16 performance bond shall constitute a material violation of this Franchise Agreement.

17 G. Remedies Cumulative. All remedies under this Franchise Agreement are
18 cumulative unless otherwise expressly stated. The exercise of one remedy shall not foreclose use of
19 another, nor shall the exercise of a remedy or the payment of liquidated damages or penalties relieve
20 the Company of its obligations to comply with this Franchise Agreement. Remedies may be used
21 singly or in combination; in addition, the City may exercise any rights it has at law or equity.

22 H. Relation to Insurance and Indemnity Requirements. Recovery by the City of
23 any amounts under insurance, the performance bond, or otherwise does not limit the Company's duty
24 to indemnify the City in any way; nor shall such recovery relieve the Company of its obligations under
25 this Franchise Agreement, limit the amounts owed to the City, or in any respect prevent the City from
26 exercising any other right or remedy it may have.

27 **SECTION 14: BREACH.**

28 In the event that a forfeiture is declared as provided under Section 26 (C)(4) of this

Franchise Agreement, it shall be deemed a failure to perform on the part of the Company, and the City may proceed against the performance Bond, Letter of Credit or Surety Fund provided for in Section 13 of this Franchise Agreement. In such event, it is agreed by and between the parties that the City will be damaged in an amount and to an extent not reasonably foreseeable or calculable, and, that, therefore, the City shall be entitled to the sum of ONE HUNDRED THOUSAND and NO/100ths DOLLARS (\$100,000.00) as liquidated damages and not as a penalty, which sum shall be covered by the Bond, Letter of Credit or Surety Fund required to be posted by the Company.

SECTION 15: BOOKS OF ACCOUNT AND REPORTS.

A. The City shall have the right to annually review or audit the Company's books and records in accordance with regularly accepted accounting and audit standards regarding any amounts which may be owed under this Franchise Agreement. This right includes the right to review and audit all books and records of revenue which may be reasonably considered by the City to be subject to a franchise fee. The City shall give written notice to the Company of any additional amount claimed to be due to the City as a result of the City's review. Such amount due, if any, shall be paid within thirty (30) days following determination by the City that such amount is due and payable. If the City's review shows the Company has overpaid, said overpayment shall be reimbursed to the Company by the City within thirty (30) days of such determination.

B. The Company shall keep complete and accurate books and records of its business and operations pursuant to this Franchise Agreement in accordance with generally accepted accounting principles and in accordance with the rules and regulations of the State of Nevada.

C. In the event of an audit, the Company shall provide City specific books, records, contracts, accounts, documents and papers for its operations within the City.

D. All such books, records, and accounts of the Company shall be retained by the Company for a period of five (5) years. The Company shall make such records available to the City as are necessary for the City to complete its audit, and the same shall be available for inspection by the City, in the City, upon thirty (30) days notice from the City.

E. All audits will take place on Company premises in the Las Vegas area.

F. Upon request by the City, the Company shall provide to the City by U.S. mail,

1 postage prepaid, a copy of all papers filed by the Company with any federal or state regulatory agency
2 that pertain to the Company's Facilities located in Nevada.

3 **SECTION 16: SUPPLYING MAPS UPON REQUEST.**

4 Company shall maintain on file maps and operational data pertaining to its operations
5 in the City. The City may inspect the maps and data at any time during business hours. Upon request
6 of the City, the Company shall furnish to the City as soon as practical without charge, current maps
7 either in a "hard copy" printed form or in the City's GIS format or compatible data base, showing the
8 location and dimension of any existing facilities and proposed facilities, but not other proprietary
9 information, used in operating the Company's Facilities within the City of Las Vegas served by the
10 Company.

11 **SECTION 17: RATES.**

12 The rates to be charged by the Company for Telecommunications Service shall comply
13 with the appropriate local, state or federal regulatory authority, or any other governmental official,
14 commission or body having jurisdiction. If no governmental official or body had rate setting
15 jurisdiction, the Company may set rates to be charged at its sole discretion. To the extent that the City
16 may in the future become legally entitled to set fees and charges for the services provided pursuant
17 to this Franchise Agreement, the City reserves the right to regulate the rates, fees, charges, deposits
18 and associated terms and conditions for any service provided pursuant to this Franchise Agreement
19 to the fullest extent permitted by applicable law with appropriate procedural due process.

20 **SECTION 18: FRANCHISE NOT EXCLUSIVE.**

21 The Franchise Agreement hereby granted shall not be exclusive and shall not be
22 construed as a limitation on the City's right to grant rights, privileges and authority to other persons
23 or corporations similar to or different from those herein set forth to construct, install, operate or
24 maintain a public utility.

25 **SECTION 19: TRANSFERS.**

26 A City Approval Required.

27 1. The Franchise granted to the Company pursuant to the terms of this
28 Franchise Agreement shall be a privilege that is in the public trust and personal to the Company. The

1 Company's obligations under this Franchise Agreement involve services whose performance involves
2 trust and confidence in the Company.

3 2. No transfer of this Franchise Agreement or the Franchise granted
4 pursuant thereto, or of control over the same (including, but not limited to, transfer by forced or
5 voluntary sale, merger, consolidation, receivership, or any other means) shall occur unless prior
6 application is made by the Company to the City and the City Council's prior written consent is
7 obtained and only then upon such terms and conditions as the Council deems necessary and proper,
8 except to the extent that this Franchise Agreement provides that certain interaffiliate transfers may
9 occur without such consent. Any such transfer without the prior written consent of the Council shall
10 be considered to impair the City's assurance of due performance. The granting of approval for a
11 transfer in one instance shall not render unnecessary approval of any subsequent transfer.

12 B. Approval Does Not Constitute Waiver. Approval by the City Council of a
13 transfer does not constitute a waiver or release of any of the rights of the City under this Franchise
14 Agreement, whether arising before or after the date of the transfer.

15 C. Application.

16 1. The Company shall promptly notify the Manager of the Business
17 Services Division of the Department of Finance and Business Services of any proposed transfer. If
18 any transfer should take place without prior notice to the Manager, the Company will promptly notify
19 the Manager that such a transfer has occurred.

20 2. At least one hundred twenty (120) calendar days prior to the
21 contemplated effective date of a transfer, the Company shall submit to the Manager a written
22 application for approval of the transfer. Such an application shall provide complete information on
23 the proposed transaction, including details on the legal, financial, technical, and other qualifications
24 of the transferee. At a minimum, the following information must be included in the application,
25 unless these requirements are waived, reduced, or modified by the City:

- 26 a. All information and forms required under federal law;
27 b. A detailed statement of the corporate or other business entity
28 organization of the proposed transferee, including an identification of any entity or entities that

1 exercises actual working control over the Company;

2 c. Complete and unredacted copies of any contracts, financing
3 documents, or other documents that relate to the proposed transaction, and all documents, schedules,
4 exhibits, or the like referred to therein, except that the Company may redact such portions of those
5 documents as are proprietary and confidential and would cause the Company substantial harm if
6 disclosed, if and only if the Company makes the complete documents available for review and
7 analysis by the City and its agents from the date of the application until the City approves or denies
8 the application.

9 3. At the Company's option, the Company may notify the Manager of the
10 proposed transaction in general terms at least one hundred fifty (150) days prior to the contemplated
11 effective date of a transfer, and request that the City waive some or all of the information requirements
12 specified in Subsection (C)(2) of this Section. To the extent consistent with applicable law, the City
13 may waive in writing any such requirement that information be submitted as part of the initial
14 application, without thereby waiving any rights the City may have to request such information after
15 the initial application is filed.

16 4. For the purposes of determining whether it shall consent to a transfer,
17 the City or its agents may inquire into all qualifications of the prospective transferee and such other
18 matters as the City may deem necessary to determine whether the transfer is in the public interest and
19 should be approved, denied, or conditioned. The Company and any prospective transferees shall assist
20 the City in any such inquiry, and if they fail to do so, the request for transfer may be denied.

21 D. Determination by the City Council.

22 1. In making a determination as to whether to grant, deny, or grant subject
23 to conditions an application for a transfer, the City Council may consider, without limitation, the legal,
24 financial, and technical qualifications of the transferee to comply with the Company's obligations
25 under this Franchise Agreement; whether the Company is in compliance with this Franchise
26 Agreement and, if not, whether the proposed transferee will cure any noncompliance; and whether
27 operation by the transferee or approval of the transfer would adversely affect the City's interest under
28 ...

1 this Franchise Agreement, other applicable law, or the public interest.

2 2. Any transfer without the City Council's prior written approval shall be
3 ineffective, and shall make the Company's franchise subject to cancellation at the City Council's sole
4 discretion, and to any other remedies available under this Franchise Agreement or applicable law.

5 3. The Company shall be fully liable under this Franchise Agreement for
6 any transfer that is in violation of the terms of this Franchise Agreement and caused in whole or in part
7 by any other entity or entities, including but not limited to any parents or affiliated entities, as if such
8 transfer had been caused by the Company itself.

9 4. Any mortgage, pledge or lease shall be subject and subordinate to the
10 rights of the City under this Franchise Agreement and other applicable law.

11 E. Transferee's Agreement. No application for a transfer shall be granted unless
12 the transferee agrees in writing that it will abide by and accept all terms of this Franchise Agreement,
13 and that it will assume the obligations, liabilities, and responsibility for all acts and omissions, known
14 and unknown, of the Company under this Franchise Agreement for all purposes, including renewal,
15 unless the City, in its sole discretion, expressly waives this requirement in whole or in part.

16 **SECTION 20: ADDITIONAL CITY RIGHTS.**

17 Pursuant to the City Charter and applicable State statute, the right and privilege of the
18 City to construct, purchase or condemn a public utility or telecommunications provider located within
19 or without the boundaries of the City is expressly recognized herein.

20 **SECTION 21: CUSTOMER SERVICE STANDARDS.**

21 Provided that the Public Utilities Commission of Nevada ceases to set or regulate
22 customer service standards, then the following conditions shall apply:

23 A. The Company shall be required to establish and maintain offices within the Las
24 Vegas metro area for customer service. Company shall make available at such offices, at a minimum,
25 documents required by this Franchise Agreement with reasonable notice by the City to the Company.

26 B. Company representatives shall be available to respond to customer telephone
27 inquiries and complaints Monday through Friday during normal business hours. The Company shall
28 also maintain a toll-free number by which subscribers may report technical and other problems on a

1 twenty-four hour basis.

2 C. Excluding those situations beyond the control of the network operator, the
3 Company shall respond to service interruptions promptly and in no event later than six (6) hours,
4 seven (7) days per week. Other service problems will be responded to within twenty-four (24) hours
5 during the normal work week.

6 D. Company shall establish procedures for receiving, acting upon, and resolving
7 subscriber complaints to the satisfaction of the City.

8 E. Company shall maintain a written records listing date and time of customer
9 complaints, identifying the customer and describing the nature of the complaints and when and what
10 action was taken by the Company in response thereto.

11 **SECTION 22: EQUAL OPPORTUNITY AND AFFIRMATIVE ACTION.**

12 The Company is committed to stimulating and strengthening the participation of
13 minorities and women within the Company and is also committed to the principle that the success and
14 economic well being of the Company are related closely to the economic strength and vigor of the
15 communities and people it serves.

16 **SECTION 23. AGREEMENT TO REOPEN NEGOTIATIONS.**

17 The City and the Company agree that the services provided pursuant to this Franchise
18 Agreement are in an area of law undergoing significant review by state and federal authorities and that
19 there is a real possibility that some of the terms of this Franchise Agreement may be preempted by
20 state or federal law during the term of this Franchise Agreement. Therefore, the City and the
21 Company expressly agree that:

22 A. The preempted terms of this Franchise Agreement including the terms relating
23 to the compensation to be paid, shall be subject to renegotiation one (1) year from the effective date
24 of this Franchise Agreement, and again, two (2) years and three (3) years from the effective date of
25 this Franchise Agreement.

26 B. In addition to and separate and apart from the provisions of Subsection (A) of
27 this Section, in the event an earlier negotiation must occur in order to comply with newly enacted or
28 decided federal or state law, such negotiation shall begin within thirty (30) days after any request for

1 renegotiation is issued by either the City or the Company, or at such time as it becomes apparent that
2 a portion of this Franchise Agreement has been preempted by state or federal law.

3 C. The parties agree that upon the mutually acceptable conclusion of any such
4 renegotiations, the parties will enter into any reasonably necessary amendments to this Franchise
5 Agreement.

6 D. It is further expressly agreed that any renegotiation and subsequent amendment
7 shall not reduce the initial term of this Franchise Agreement. In no event shall such renegotiations
8 impose obligations on the Company that similar service providers would not also be subject to.
9 Further, if the City's right to impose a franchise agreement is totally preempted, this Franchise
10 Agreement is null and void.

11 **SECTION 24: INDEMNIFICATION.**

12 The Company, as a condition of the grant of this Franchise Agreement, and in
13 consideration thereof, shall protect, indemnify, and hold the City harmless against all claims for
14 damages to persons or property by reason of the construction, maintenance and operation of its
15 Facilities, and conduct of business, or any way arising out of performance under this Franchise
16 Agreement, directly, or indirectly, when or to the extent injury is caused, or alleged to have been
17 caused, wholly or in part, by any act, omission, negligence, or misconduct of the Company or any of
18 its contractors, subcontractors, officers, agents, or employees, or by any person for whose act,
19 omission, negligence, or misconduct, the Company is by law responsible.

20 This provision is not intended to create liability for the benefit of third parties but is
21 solely for the benefit of the Company and the City. In the event any claim is made against the City that
22 falls under this indemnity provision and a Court of competent jurisdiction should adjudge, by final
23 decree, that the City is liable therefor, the Company shall indemnify and hold the City harmless of and
24 from any such liability, including any court costs, expenses, and Reasonable Attorney Fees incurred
25 by the City in defense thereof and incurred at any stage. Upon commencement of any suit, proceeding
26 at law or in equity against the City relating to or covering any matter covered by this indemnity,
27 wherein the Company has agreed by accepting this Franchise Agreement, to indemnify and hold the
28 City harmless, or to pay said settlement, final judgment and costs, as the case may be, the City shall

1 give the Company immediate notice of such suit or proceeding; whereupon the Company shall provide
2 a defense to any such suit or suits, including any appellate proceedings brought in connection
3 therewith, and pay as aforesaid, any settlement, costs or judgments that may be rendered against the
4 City by reason of such damage suit.

5 Upon failure of the Company to comply with the "defense of suit" provisions of this
6 Franchise Agreement, after reasonable notice to it by the City, the City shall have the right to defend
7 the same and in addition to being reimbursed for any settlement or judgment that may be rendered
8 against the City, together with all costs incurred therein, the Company shall reimburse the City
9 Reasonable Attorney Fees, including those employed by the City in such case or cases, as well as all
10 expenses incurred by the City by reason of undertaking the defense of such suit or suits, whether such
11 suit or suits are successfully defended, settled, comprised, or fully adjudicated against the City. In the
12 event the City is compelled to undertake the defense of any such suit by reason of the Company's
13 failure to perform as here and above provided, the City shall have the full right and authority to make
14 or enter into any settlement or compromise of such adjudication as the governing body shall deem in
15 the best interest of the City, this without the prior approval or consent of the Company with respect
16 to the terms of such compromise or settlement.

17 **SECTION 25: INSURANCE.**

18 A. Company, concurrently with the filing of an acceptance of granting of this
19 Franchise Agreement, shall furnish to the City and file with the City Clerk, and at all times during the
20 existence of this Franchise Agreement, maintain in full force and effect, at its own cost and expense,
21 a general comprehensive liability insurance policy for the protection of the City, its officers, boards,
22 commissions, agents and employees, in a Company approved by the City Manager and a form
23 satisfactory to the City Attorney, protecting the City and all persons against liability for loss or
24 damage for personal injury, death and property damage occasioned by the operations of Company
25 under this Franchise Agreement, with minimum liability limits of ONE MILLION and NO/100ths
26 DOLLARS (\$1,000,000.00) for personal injury or death of any one person and THREE MILLION
27 and NO/100ths DOLLARS (\$3,000,000.00) for personal injury or death of two or more persons in any
28 one occurrence and FIVE HUNDRED THOUSAND and NO/100ths DOLLARS (\$500,000.00) for

1 damage to property resulting from any one occurrence.

2 B. The policies mentioned in the foregoing Subsection (a) shall name the City, its
3 officers, boards, commissions, agents and employees as additional insured and shall contain a
4 provision that a written notice of cancellation of, or reduction in coverage under each policy shall be
5 delivered to the City at least thirty (30) days in advance of the effective date thereof; if any such
6 insurance is provided by a policy which also covers the Company or any other entity or person other
7 than those above named, then such policy shall contain the standard cross-liability endorsement.

8 C. With respect to the Company's obligation to comply with requirements for
9 Commercial General (public) Liability Insurance Coverage, the City may allow the Company to self-
10 insure upon annual production of evidence that is satisfactory to the City's Risk Manager. With
11 respect to the Company's obligation to comply with the requirements for automobile liability
12 insurance and for workers' compensation insurance, a Company may also self-insure.

13 **SECTION 26: REMEDIES AND PENALTIES NOT EXCLUSIVE: DEFAULT**

14 A. All remedies and penalties under this Franchise Agreement are cumulative and
15 not exclusive, and the recovery or enforcement by one available remedy or imposition of any penalty
16 is not a bar to recovery or enforcement by any other such remedy or imposition of any other penalty.
17 The City reserves the right to enforce the penal provisions of any ordinance or resolution and to avail
18 itself of any and all remedies available at law or in equity. Failure to enforce shall not be construed
19 as a waiver of a breach of any term, condition or obligation imposed upon the Company by or
20 pursuant to this Franchise Agreement. A specific waiver of a particular breach of any term, condition
21 or obligation imposed upon the Company by or pursuant to this Franchise Agreement shall not be a
22 waiver of any other or subsequent or future breach of the same or of any other term, condition or
23 obligation, or a waiver of the term, condition or obligation itself.

24 B. The Company agrees that an Event of Default shall include, but shall not be
25 limited to, any of the following acts or failure to act by the Company:

26 1. Failure to obtain any applicable permits from the City pursuant to this
27 Franchise Agreement;

28 2. Failure to comply with the terms of Section 19 which limits the

1 assignment of this Franchise Agreement, or transfer of control of this Franchise Agreement;

2 3. Failure to supply the necessary performance bonding as specified in
3 Section 13;

4 4. Final, unappealable adjudication against the Company for violation of
5 any local, state or federal law that prohibits discrimination in employment, or prohibits the creation
6 of hostile working environments for an employee of the Company;

7 5. Failure to make any of the payments set forth in Section 6 or Section
8 12 of this Franchise Agreement;

9 6. Failure to pay any permit fees, or failure to comply with any rules,
10 regulations, orders or directives of the City as set forth in this Franchise Agreement;

11 7. Substantial or repeated failure to comply with Section 6 concerning
12 Installations, Excavations and Restorations and, if applicable, Section 21 concerning Customer
13 Service; or

14 8. Refusal to renegotiate the terms and conditions of this Franchise
15 Agreement in accordance with Section 23.

16 C. Upon the occurrence of an Event of Default, then, in accordance with the
17 procedures provided for in this Franchise Agreement, the City may:

18 1. Require the Company to take such actions as are reasonably required
19 to remedy such Event of Default;

20 2. Seek money damages from the Company as compensation for such
21 Event of Default;

22 3. Accelerate the expiration of the term of this Franchise Agreement by
23 decreasing the term of the Franchise Agreement provided in Section 4; the extent of such acceleration
24 shall be determined by the City and may include any period of time, but not less than six (6) months
25 provided that six (6) months remain under this Franchise Agreement; or

26 4. As a last measure only, revoke the Franchise granted herein by
27 termination of this Franchise Agreement.

28 D. The City shall exercise the rights set forth in this Section in accordance with

1 the following procedures:

2 1. The Manager of the Business Services Division of the Department of
3 Finance and Business Services shall notify the Company, in writing, of an alleged Event of Default.
4 This written notice shall set forth with reasonable specificity the facts the City believes are the basis
5 for declaring that an Event of Default has occurred. The Company shall, within sixty (60) days of the
6 date the notice is received by the Company, or such additional time as the Manager may specify in
7 the notice, cure the alleged Event of Default, or, in writing, present for review by the Manager a
8 reasonable time frame and method to cure the Event of Default. The Company, in lieu of the cure of
9 the Event of Default as set forth herein, may, in writing, present facts and arguments as to why the
10 Company disagrees that an Event of Default has occurred.

11 2. If the Company presents a written response that challenges whether an
12 Event of Default has occurred, the Manager shall within fourteen (14) days review the submitted
13 materials and determine again whether an Event of Default has occurred. If the Manager reaffirms
14 that an Event of Default has occurred, the Company shall be notified in writing of this decision and
15 shall, within thirty (30) calendar days, cure the alleged Event of Default.

16 3. If the Company fails to cure the event of Default so declared pursuant
17 to this Section within the time permitted by the Manager, the Manager shall prepare a written report
18 to the Council and recommend action to be taken. If the City Attorney, after consideration of this
19 report and hearing, agrees that an Event of Default has occurred, he/she may order an appropriate
20 remedy as set forth in this Section.

21 E. In addition to the rights under this Section, the City, upon any termination, may
22 direct the Company to remove, at the Company's sole cost and expense, any or all of the Facilities
23 from all Rights-of-way and other Public Places within the City, subject to the following:

24 1. If the City determines that removal of buried fiber optic cable, or
25 conduit is not necessary, the Company shall abandon its Facilities in place and transfer ownership of
26 the installed Facilities to the City.

27 2. In removing any part of the Facilities, the Company shall refill and
