

FIRST AMENDMENT

BILL NO. 2000-38

ORDINANCE NO. 5227

AN ORDINANCE TO AMEND THE ZONING CODE TO REQUIRE THE SUBMITTAL OF AN IMPACT STATEMENT REGARDING PROJECTS OF SIGNIFICANT IMPACT, AS DESCRIBED IN STATE LAW, AND TO PROVIDE FOR OTHER RELATED MATTERS.

Sponsored by: Mayor Oscar B. Goodman

Summary: Requires the submittal of an impact statement regarding projects of significant impact, as described in State law.

THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1: Subchapter 19A.18.010 of the Zoning Code of the City of Las Vegas is hereby amended by adding thereto a new Section (E), reading as follows:

E. DEVELOPMENT IMPACT NOTICE AND ASSESSMENT (DINA)

1. Background

Pursuant to 1999 Statutes of Nevada, Chapter 481 ("Chapter 481"), a person who proposes to develop a project of significant impact is generally required to submit an impact statement to the local zoning authority before specified actions can be taken regarding the project. This Section implements the requirements associated with Chapter 481. The impact statement to be required by the City is identified as a Development Impact Notice and Assessment (DINA), and requires the information described in Chapter 481. The required information includes information regarding vehicle trips, student enrollment, sewage generation, water demand, storm water runoff, distance from public safety facilities, existing and planned capacities of services required for the project, and other anticipated effects of the project.

For purposes of this Section, a project is deemed to be a "project of significant impact" if it would create:

- a. Final maps or planned unit developments of 500 units or more;

- b. Tourist accommodations of 300 units or more;
- c. A commercial or industrial facility generating more than 3,000 average daily vehicle trips; or
- d. A nonresidential development encompassing more than 160 acres.

2. Applicability

This Subchapter applies to all development within the City, except for any project:

- a. Located on property which was the subject of a development agreement with a local government, if the agreement became effective before June 8, 1999; or
- b. Which was approved before June 8, 1999.

3. Requirements Prior to and in Connection with Submittal of An Application

Before scheduling a pre-application conference in accordance with Section 19A.18.010(B), a person proposing a development of significant impact in connection with an application for rezoning, for site development plan review, or for a special use permit must meet with agencies and service providers from which the information required for a DINA report must be obtained. At the pre-application conference, the applicant must present to Planning and Development staff, on forms provided by the Department, the agency and provider responses that have been obtained by the applicant. A completed DINA report must be submitted no later than at the time of making an application under this Chapter. The Department is authorized to withhold the processing of an application until a completed DINA report has been submitted.

4. Review

Action by the City Council concerning a project of significant impact shall be in accordance with Chapter 481. Pursuant to the provisions of Chapter 481, the City Council may approve a project with respect to which the capacities of roads, sources of water supply or facilities for wastewater and flood control will not be sufficient to support the project if the Council requires the person who proposes to develop the project to carry out appropriate measures of mitigation to substantially reduce the impact of the project on those elements of infrastructure.

1 SECTION 2: If any section, subsection, subdivision, paragraph, sentence, clause or phrase in
2 this ordinance or any part thereof, is for any reason held to be unconstitutional, or invalid or
3 ineffective by any court of competent jurisdiction, such decision shall not affect the validity or
4 effectiveness of the remaining portions of this ordinance or any part thereof. The City Council of the
5 City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision,
6 paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections,
7 subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional,
8 invalid or ineffective.
9

10 SECTION 3: All ordinances or parts of ordinances or sections, subsections, phrases,
11 sentences, clauses or paragraphs contained in the Municipal Code of the City of Las Vegas, Nevada,
12 1983 Edition, in conflict herewith are hereby repealed.
