The City Clerk, by publication and by mail, gave the requisite notice of the time and place of such hearing, of the filing of the final assessment roll in her office, of the date of filing the same, and of the right of any such person to object specifically in writing and of the waiver of any objection in the absence of such objection; and

WHEREAS, the assessments do not exceed the benefits to the property assessed nor that portion of the total cost of the Project payable from assessments as heretofore determined; and

WHEREAS, it is incumbent upon the City Council to provide when said assessments shall become due and penalties payable after any delinquency; and

WHEREAS, the City Council has determined, and does hereby determine, that the City shall pay the costs of the Project, in part, with funds derived from the levy of assessments, and the City will pay one-half or more of the costs of the Project with monies derived from other than the levy of special assessment, and that the exception provided by NRS 271.306(2) (a) does exist with respect to the Project; and

WHEREAS, the owners of certain property to be located within the proposed District have requested the City to include as part of the improvements to be constructed within the District, for such property, water and/or sewer improvements and such owners have executed an affidavit of waiver and consent (hereinafter the "Affidavit"), consenting to the construction of such improvements and the assessment of the cost of such improvements on such property.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES ORDAIN AS FOLLOWS:

Section 1. This Ordinance shall be known as, and may be cited by, the short title "District No. 1511 Levy Ordinance" (hereinafter the "Ordinance").

Section 2. The City Council has heretofore determined, and does hereby declare, that each and every complaint, protest and objection made in connection with the District is without sufficient merit and the same be, and the same hereby is, overruled, and finally passed on by the City Council, except as provided in the District No. 1511 Assessment Protest Resolution.

Section 3. All actions, proceedings, matters and things heretofore taken, had and done by the City and the officers thereof (not inconsistent with the provisions of this Ordinance) concerning Special Improvement District No. 1511 – Farm Road (Virginia Dale Street To Tule Springs Road), including, but not limited to, the creation of the District, the acquisition of the Project, the amount of the construction contract, the levy of assessments for those purposes, the determination that the tracts in the District will receive special benefits and market value increases, and the validation and confirmation of the final assessment roll and the assessments therein, be, and the same hereby is, ratified, approved and confirmed.

Section 4. For the purpose of paying a portion of the costs and expenses of the Project, the amounts and assessments shown in the final assessment roll (as so filed, modified and confirmed) are hereby levied and assessed against the lots, tracts and parcels of land in the District (being all those specially benefited by said improvements) and described in the final assessment roll for the District, as filed in the office of the City Clerk on October 21, 2009, and as modified and confirmed by the District No. 1511 Assessment Protest Resolution duly adopted by the City Council on December 2, 2009.

Section 5. The assessments shall be due and payable at the office of the City Treasurer within 30 days after this Ordinance becomes effective, without interest and without demand, provided that all or any part of such assessments may, at the election of the owner, be paid in installments, with interest, as hereinafter provided. Failure to pay the whole assessment within said period of 30 days shall be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay in installments, the amount of the assessment then unpaid. In case of such election to pay in installments, the unpaid assessments shall be payable in forty (40) substantially equal semiannual installments of principal and interest until paid in full, with interest in all cases on the unpaid and deferred installments of principal from the effective date of this Ordinance, at a rate or rates which shall not exceed by more than one percent (1%) the highest rate of interest on the assessment bonds issued for the District, both principal and interest on such assessments being payable semiannually at the office of the City Treasurer on April 1 and October 1 in each year, commencing on October 1, 2010. After the effective date of this Ordinance and before assessment bonds are issued (or if bonds are not issued), the City Director of Finance and Business Services shall fix the rate of interest on the unpaid and deferred

installments of assessments. If assessment bonds are sold the rate will not exceed by more than one percent (1%) the highest rate of interest on the assessment bonds for the district. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed by more than three percent (3%) the "Index of Twenty Bonds", which is most recently published before the bids for such bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. If assessment bonds are not issued, such rate will not exceed 9%. Failure to pay any installment, whether of principal or interest, when due, shall cause the whole amount of the unpaid principal to become due and payable immediately, at the option of the City. The exercise of said option to be indicated by the commencement of foreclosure proceedings by the City. The whole amount of the unpaid principal and accrued interest shall, after such delinquency, whether or not said option is exercised, bear penalty interest at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, until the day of sale or until paid. At any time prior to the date of the sale, the owner may pay the amount of all delinquent installments originally becoming due on or before the date of said payment, with interest thereon, and all penalties accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any property assessed and not in default as to any installment or payment may at any time (at the option of such owner); pay the whole or any semiannual installment of the unpaid principal with interest accruing thereon to the next interest payment date. If such prepayment takes place after February 9, 2010, but before the rate of interest on deferred installments of assessments is fixed by the City Director of Finance and Business Services such interest accruing thereon to the next interest payment date shall be calculated at seven and 40/100th percent (7.40%) per annum (i.e., the presumed rate of interest on the assessment bonds for the District plus one percent).

Pursuant to NRS 271.357 and NRS 271.360, any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed, but the owner shall make payments of interest on the unpaid balance of previous and current assessments at the same rate and terms as are established for other assessments in the manner provided. The assessment

shall remain postponed until the earlier of the following occurrences: (a) the property is sold or transferred to a person other than one to whom a Hardship Determination has been granted; (b) the term of the bonds expire; (c) the property owner's application for renewal of the Hardship Determination is disapproved; (d) the property owner fails to pay interest on the unpaid balance of assessments in a timely manner; or (e) the property owner pays all previous and current assessments. The owner shall also be subject to the lien as provided in Section 6 hereof.

Section 6. The amounts assessed shall be a lien upon the owner's lots, tracts and parcels of land from the effective date of this Ordinance (i.e. January 10, 2010) until paid. The lien shall be co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general or other taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor. Such amounts shall continue to be a lien upon the lots, tracts and parcels of land assessed until paid in full (including all principal and the interest thereon, and any penalties and collection costs).

Section 7. Should any lot, tract or parcel of land within the District be divided after the effective date of this Ordinance and before the collection of all the assessment installments, or if any property in the District makes a request to do so, the City Treasurer may apportion, combine or reapportion the uncollected amounts upon the several parts of land so divided or combined in accordance with the provisions of NRS 271.425. The report of such an apportionment, combination or reapportionment, when approved, shall be conclusive on all the parties, and all assessments thereafter made upon the tracts shall thereafter be according to the subdivision. The report, when approved, shall be recorded in the office of the County Recorder of Clark County, Nevada, together with a statement that the current payment status of any of the assessments may be obtained from the City Treasurer. Neither the failure to record the report, nor any defect in the report as recorded, shall affect the validity of the assessments, the lien for the payment thereof or the priority of that lien.

Section 8. In case any lot, tract or parcel of land so assessed is delinquent in the payment of the assessment or any installment of principal or interest, the City Council shall forthwith cause the owner of such delinquent property, if known, to be immediately notified in writing of such delinquency, by first-

class mail, postage prepaid, addressed to the addressee's last known address. If such delinquency is not paid within 10 days after such notice was given by deposit in the United States mail, then said assessment shall be enforced by the City Treasurer and other officers of the City, as provided in NRS 271.545 to NRS 271.630. Nothing herein shall be construed as preventing the City, at the direction of the governing body, from collecting any assessment by suit in the name of the governing body. The final assessment roll and the certified copy of this Ordinance shall be prima facie evidence of the regularity of the proceedings in making the assessment and of the right to recover judgment therefor. If a foreclosure is not promptly filed and prosecuted, then any bondholder may file and prosecute said foreclosure action in the name of the City. Any bondholder may also proceed against the City to protect and enforce the rights of the bondholders under this Ordinance by suit, action or special proceedings in equity or at law, either for the appointment of a receiver or for the specific performance of any provision contained herein or in an award of execution of any power herein granted for the enforcement of any proper, legal or equitable remedy as such bondholder or bondholders may deem most effective to protect and enforce the rights aforesaid. All such proceedings, at law or in equity, shall be instituted, had and maintained for the equal benefit of all owners of the bonds then outstanding. The failure of the bondholders to foreclose such delinquent assessments or to proceed against the City shall not relieve the City or any of its officers, agents or employees of any liability for its failure to foreclose such delinquent assessments.

Section 9. The City Clerk is hereby directed to deliver to the City Treasurer a copy of the final assessment roll containing a description of the lots, tracts and parcels of land being assessed, with the amount of the assessment levied upon each and the name and address of the owner or owners against whom the assessment was made. The final assessment roll is to be recorded in the office of the County Recorder together with the statement that the current payment status of any assessment may be obtained from the City Treasurer. The City Treasurer is additionally directed to collect the several sums so assessed as a tax upon the several tracts to which they were assessed.

Section 10. In accordance with NRS 271.405(7) the City Clerk shall give notice by publication in the Las Vegas Review-Journal, a newspaper of general circulation in the City, and such notice to be published at least once a week, for three consecutive publications, by three weekly insertions, the first such publication to be at least 15 days prior to the end of the 30-day period stating that said assessments

have been levied and are due and payable. The notice shall further state that payment must be made in full prior to the end of the 30 day period to avoid paying interest on the assessment. It shall not be necessary that the notice be published on the same day of the week, but not less than 14 days shall intervene between the first publication and the last publication. Service by publication shall be verified by the affidavit of the publisher and filed with the City Clerk of the City. In accordance with NRS 271.390(2), the City Clerk or Deputy City Clerk shall also give written notice of the levying of the assessments by mailing a copy of such notice, postage prepaid, at least 20 days prior to the end of said 30-day period, to the owner or owners of all property upon which the assessment was levied at his or her last known address or addresses. Proof of such mailing shall be made by the affidavit of the City Clerk or Deputy City Clerk and such proof shall be filed with the City Clerk. Failure to mail any such notice or notices shall not invalidate any assessment or any other proceedings concerning the District. Proof of the publication and proof of the mailing shall be maintained in the permanent records of the office of the City Clerk until all special assessments and special assessment bonds issued (if such special assessment bonds are hereafter issued) shall have been paid in full, both principal and interest, or until any claim is barred by an appropriate statute of limitations. The City Council hereby determines that the manner of giving notice herein provided by publication and by mail is reasonably calculated to inform the parties of the proceedings concerning the District and the levy of assessments which may directly and adversely affect their legally protected interests.

Section 11. The notice provided for in NRS 271.390(2) and NRS 271.405(7) and in Section 10 of this Ordinance shall be in substantially the following form:

(Form of Notice)

NOTICE TO PROPERTY OWNERS OF THE LEVY OF ASSESSMENTS FOR IMPROVEMENTS IN CITY OF LAS VEGAS, NEVADA SPECIAL IMPROVEMENT DISTRICT NO. 1511 – FARM ROAD (VIRGINIA DALE STREET TO TULE SPRINGS ROAD)

NOTICE IS HEREBY GIVEN to the owners of all property upon which an assessment has been levied, and other interested persons, that District No. 1511 Levy Ordinance (hereinafter the "Levy Ordinance") was duly passed, adopted, signed and approved on January 6, 2010. The Levy Ordinance levied and assessed a portion of the cost and expense of such improvements against the lots, tracts and parcels of land specially benefited by the local improvements in what is commonly designated as "City of Las Vegas, Nevada, Special Improvement District No. 1511 – Farm Road (Virginia Dale Street To Tule Springs Road)," (said lots, tracts and parcels of land being more specifically described in the final assessment roll designated in the ordinance).

Assessments are due and payable at the office of the City Treasurer, in Las Vegas, Nevada, on or before February 9, 2010, being 30 days after the effective date of the Levy Ordinance, without interest and without demand, provided that all, or any part of such assessments may, at the election of the owner, be paid in installments, with interest as hereinafter provided. Failure to pay the whole assessment within the 30-day period will be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay the unpaid assessment in installments. In case of such election to pay in installments, the unpaid assessments will be payable in forty (40) substantially equal semi-annual installments of principal and interest until paid in full, with interest in all cases on the unpaid and deferred installments of principal from January 10, 2010 (i.e., the effective date of the Levy Ordinance) both principal and interest being payable semi-annually at the office of the City Treasurer, Las Vegas, Nevada, on April 1 and October 1 in each year, commencing on October 1, 2010. After the effective date of the Levy Ordinance and before assessment bonds are issued (or if bonds are not issued), the City Director of Finance and Business Services shall fix the rate of interest on the unpaid and deferred installments of assessments. If assessment bonds are sold, the rate will not exceed by more than one percent (1%) the highest rate of interest on the assessment bonds issued for the District. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate,

i.e., will not exceed by more than three percent (3%) the "Index of Twenty Bonds", which is most recently published before the bids for such bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. If assessment bonds are not issued, such rate shall not exceed 9%. Failure to pay any assessment installment, whether principal or interest, when due will cause the whole of the unpaid principal of such assessment to become due and payable immediately at the City's option, and the whole amount of the unpaid principal and accrued interest will, after such delinquency, whether or not the City's option is exercised, bear penalty interest at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, until the day of sale or until paid. At any time prior to the date of the sale, the owner may pay the amount of all delinquent installments originally becoming due on or before the date of payment, with the interest thereon and all penalties accrued, and will thereupon be restored the right, thereafter, to pay in installments in the same manner as if default had not been suffered. The owner of any property not in default as to any assessment installment or payment may, at any time, pay the whole or any semi-annual installment of the unpaid principal with interest accruing thereon to the next interest payment date. If such prepayment takes place after February 9, 2010, but before the rate of interest on deferred installments of assessments is fixed by the City Director of Finance and Business Services, such interest accruing thereon to the next interest payment date shall be calculated at seven and 40/100th percent (7.40%) per annum (i.e., the presumed rate of interest on the assessment bonds for the District plus one percent).

Pursuant to NRS 271.357 and NRS 271.360, any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed, but the owner shall make payments of interest on the unpaid balance of previous and current assessments at the same rate and terms as are established for other assessments in the manner provided. The assessment shall remain postponed until the earlier of the following occurrences: (a) the property is sold or transferred to a person other than one to whom a Hardship Determination has been granted; (b) the term of the bonds expires; (c) the property owner's application for renewal of a Hardship Determination is disapproved; (d) the property owner fails to pay interest on the unpaid balance of assessments in a

timely manner; or (e) the property owner pays all previous and current assessments. The owner shall also be subject to the lien as provided in Section 6 hereof.

Pursuant to NRS 271.395, within 15 days after the effective date of the Levy Ordinance, any person who has filed a complaint, protest or objection in writing, pursuant to NRS 271.380, shall have the right to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination. Thereafter, all actions or suits attacking the regularity, validity and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, of the amount of special benefits and market value increases, and of the amount thereof levied on each tract, including, without limiting the generality of the foregoing, the defense of confiscation shall be perpetually barred.

The amounts assessed as aforesaid constitute a lien upon said lots, tracts and parcels of land from January 10, 2010 (i.e., the effective date of the Levy Ordinance), which lien shall be co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor.

Dated this January 6, 2010.

BEVERLY K. BRIDGES, CMC
City Clerk

(End of Form of Notice)
