Summary: Provides for the

10
11 THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES HEREBY
12 ORDAIN AS FOLLOWS:

13 SECTION 1: Title 6 of the Municipal Code of the City
14 of Las Vegas, Nevada, 1983 Edition, is hereby amended by adding
15 thereto a new chapter, to be designated and entitled as "Chapter
16 6.83 - Video Centers," consisting of the provisions that are set
17 forth as Sections 2 to 15, inclusive, of this Ordinance.

18 SECTION 2: The City Council hereby declares as a
19 matter of legislative determination that:

20 (A) Enclosed or concealed booths and unlit or dimly lit
21 areas within video centers greatly increase the potential for the
22 misuse of the premises, including unlawful conduct of a type
23 which facilitates the transmission of disease.

24 (B) The provisions of this Chapter are therefore
25 necessary in order to reduce the opportunity for, and therefore
26 the incidence of, illegal conduct within video centers and to
27 facilitate the inspection of the interior of the premises thereof
28 by law enforcement personnel.

29 SECTION 3: Except where the context otherwise
30 requires, the definitions that are provided in Sections 4 to 7,
31 inclusive, of this Ordinance govern the construction of this
32 Chapter.

1 SECTION 4: "Film or videotape viewing device" means
2 any electrically, electronically or mechanically controlled still
3 or motion picture machine or projector or videotape monitor that
4 is designed, operated or maintained to project or display still
5 or motion pictures or videotapes to five or fewer persons per
6 machine, projector or monitor at any one time, the temporary use
7 of which is contingent upon the payment of some consideration and
8 which use is to occur upon the premises in which the machine,
9 projector or monitor is located.

10 SECTION 5: "Premises" means the location with
11 respect to which a video center license has been issued pursuant
12 to this Chapter.

13 SECTION 6: "Video center" means any establishment,
14 or any room therein, in which any film or videotape viewing
15 device is made available to the public.

16 SECTION 7: "Viewing area" means each area in which a
17 patron or customer of the video center would ordinarily be posi-
18 tioned in order to watch a film or videotape viewing device.

19 SECTION 8: No person shall own or operate a business
20 in which any film or videotape viewing device is located without
21 first obtaining and thereafter maintaining a valid unexpired
22 video center license pursuant to this Chapter.

23 SECTION 9: An applicant for a video center license
24 pursuant to this Chapter shall provide the Director with the
25 number of film or videotape viewing devices that will be located
26 upon the premises, the name of the manufacturer, serial or iden-
27 tification number, if any, and type of each and a floor plan of
28 the premises that shows the size of each room in which any device
29 will be located and the size and type of each such device, and
30 the number thereof, in each such room.

31 SECTION 10: Each video center license shall specify
32 . . .

1 the specific number of film or videotape viewing devices for
2 which it is issued, and the number of devices upon the premises
3 may not exceed the number that is permitted under that license.
4 An increase in the number of devices that is permitted upon the
5 premises requires a new video center license.

6 SECTION 11: The licensee shall notify the Director,
7 within 10 days after any such change is made, of any change in
8 the number of film or videotape viewing devices upon the premises
9 and any change in the floor plan thereof, including without limi-
10 tation any change in the size or type of any device that is iden-
11 tified in the application for the license, any change in the size
12 of any room in which any device is located and any change in the
13 number of devices that are located in any room of the premises.

14 SECTION 12: It is unlawful for any person to place in
15 any video center any film or videotape viewing device with
16 respect to which the information that is required by Section 9 of
17 this Ordinance has not been provided to the Director.

18 SECTION 13: (A) Each entire viewing area within the
19 licensed premises shall be continuously open and fully visible to
20 any person who enters the premises and shall not be obscured by
21 any curtain, door, wall or other enclosure, including without
22 limitation a viewing booth.

23 (B) In no event shall the interior lighting of any
24 viewing area be of less intensity than one foot-candle, when the
25 same is measured at a height of 30 inches above the floor, during
26 all the hours in which the premises are open to the public.

27 SECTION 14: (A) If a film or videotape viewing
28 device which has been registered with the Director pursuant to
29 Section 9 of this Ordinance is sold, the seller of the device
30 shall notify the Director of such sale before the device is deli-
31 vered to the purchaser, and the purchaser shall reregister the
32 device with the Director pursuant to said Section 9 before he can

1 place it into operation.

2 (B) Any film or videotape viewing device which is
3 registered with the Director pursuant to Section 9 of this Ordinance
4 may be operated upon any premises of the licensee who
5 registered the same that have been licensed pursuant to this
6 Chapter as long as the licensee of the premises complies with
7 Section 11 of this Ordinance.

8 SECTION 15: Each person who is required to be
9 licensed by this Chapter shall pay a semi-annual license fee in
10 the amount of \$50.00 for each film or videotape viewing device
11 that is located on the premises.

12 SECTION 16: Any video center that is lawfully in
13 existence on September 16, 1987, but is made illegal by the provisions
14 of this Chapter may nevertheless continue to operate
15 through December 31, 1987, but must comply with all of such provisions
16 by January 1, 1988.

17 SECTION 17: If any section, subsection, subdivision,
18 paragraph, sentence, clause or phrase in this ordinance or any
19 part thereof, is for any reason held to be unconstitutional or
20 invalid or ineffective by any court of competent jurisdiction,
21 such decision shall not affect the validity or effectiveness of
22 the remaining portions of this ordinance or any part thereof.
23 The City Council of the City of Las Vegas, Nevada, hereby
24 declares that it would have passed each section, subsection, sub-
25 division, paragraph, sentence, clause or phrase thereof irrespec-
26 tive of the fact that any one or more sections, subsections, sub-
27 divisions, paragraphs, sentences, clauses or phrases be declared
28 unconstitutional, invalid or ineffective.

29 SECTION 18: Whenever in this ordinance any act is
30 prohibited or is made or declared to be unlawful or an offense or
31 a misdemeanor, or whenever in this ordinance the doing of any act
32 is required or the failure to do any act is made or declared to

1 be unlawful or an offense or a misdemeanor, the doing of any such
2 prohibited act or the failure to do any such required act shall
3 constitute a misdemeanor and upon conviction thereof, shall be
4 punished by a fine of not more than \$1,000.00 or by imprisonment
5 for a term of not more than six (6) months, or by any combination
6 of such fine and imprisonment. Any day of any violation of this
7 ordinance shall constitute a separate offense.

8 SECTION 19: All ordinances or parts of ordinances,
9 sections, subsections, phrases, sentences, clauses or paragraphs
10 contained in the Municipal Code of the City of Las Vegas, Nevada,
11 1983 Edition, in conflict herewith are hereby repealed.

21 first obtaining and thereafter maintaining a valid unexpired
22 video center license pursuant to this Chapter.

23 SECTION 9: An applicant for a video center license
