C. The territory proposed to be annexed is not included within the boundaries of another incorporated city or within the boundaries of any unincorporated town as those boundaries existed as of July 1, 1983;

D. The City of Las Vegas is eligible to annex the area described in this report since the landowners have signed a petition constituting one hundred percent (100%) of the owners of record of individual lots or parcels of land within the annexation area.

SECTION 3: The City of Las Vegas will provide police protection through the Las Vegas Metropolitan Police Department, fire protection, street maintenance, and library services immediately upon annexation. Garbage collection by the company franchised by the City will also be provided immediately. The City sanitary sewer system will serve the proposed annexation area. Other services, such as participation in the City's recreational programs, special education classes and programs, public works planning, building inspections, and other City Hall services will also be available immediately. Utilities such as gas, electricity, telephone, and water are provided by private utility companies and other services to the area will not be affected by annexation. Such improvements will be extended into the undeveloped areas as development takes place and the need therefor arises, and will be located according to the needs of the area at that time. Such installations will also be made at the expense of the property owners, either by means of special assessment districts or as prerequisites to the approval of subdivision plats or the issuance of building permits, rezonings, zone variances or special use permits.

SECTION 4: The annexation of said described territory shall become

1 effective on the 14th day of April, 1995, and on such date the City of Las Vegas will have the  
2 funds appropriated in sufficient amount to finance the extension into said described territory of  
3 police protection, fire protection, street maintenance, street sweeping, and street lighting  
4 maintenance.

5 SECTION 5: Said described territory, together with the inhabitants and  
6 property thereof, shall, from and after the 14th day of April, 1995, be subject to all debts, laws,  
7 ordinances and regulations in force in the City of Las Vegas and shall be entitled to the same  
8 privileges and benefits as other parts of said City, and shall be subject to municipal taxes levied  
9 by the City of Las Vegas, Nevada.

10 SECTION 6: The City Engineer of the City of Las Vegas, Nevada, is  
11 hereby instructed to cause to be prepared an accurate map or plat of said described territory and  
12 to record the same, together with a certified copy of this ordinance in the office of the County  
13 Recorder of Clark County, Nevada, which said recording shall be done prior to the 14th day of  
14 April, 1995.

15 SECTION 7: The said described territory, which heretofore has been zoned  
16 R-E (County of Clark classification), is hereby classified as N-U (City of Las Vegas  
17 classification), which is deemed to be the City equivalent of said County classification.

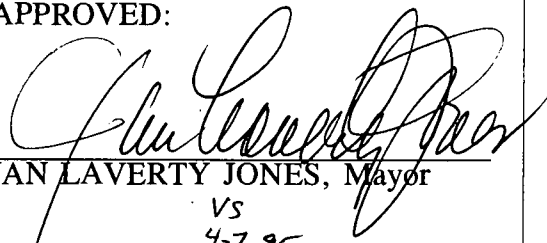

18 SECTION 8: If any section, subsection, subdivision, paragraph, sentence,  
19 clause or phrase in this ordinance or any part thereof, is for any reason held to be  
20 unconstitutional, or invalid or ineffective by any court of competent jurisdiction, such decision  
21 shall not affect the validity or effectiveness of the remaining portions of this ordinance or any part  
22 thereof. The City Council of the City of Las Vegas hereby declares that it would have passed  
23 each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective  
24 of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses  
25 or phrases be declared unconstitutional, invalid or ineffective.
