SECTION 1: Chapter 1 of Title V of the Municipal Code of the City of Las Vegas, Nevada, 1960 Edition, is hereby repealed.

SECTION 2: Title V of the Municipal Code of the City of Las Vegas, Nevada, is hereby amended to add a new chapter one as follows:

5-1-1: Unless the context otherwise requires, the scope of all words in this Title shall be liberally construed in order to effectuate the purpose of this Title, and, in particular, the following words shall have the meaning ascribed to them as follows:

(A) "Applicant" means any person who has applied for a City business license, approval of suitability, work card or any permit.

1 (C) "Department" means the Department of Business
2 Activity.

3 (D) "Director" means the Director of the Department of
4 Business Activity and those persons authorized by
5 him to act in his behalf.

6 (E) "Employee" means any person who performs services

10 not the contract of service is express or implied,
11 oral or written.

12 (F) "Establishment" means any business conducted in or
13 upon any premises, and includes any buildings, im-
14 provements, equipment, and facilities used or
15 maintained in connection with such business.

16 (G) "Gross sales/gross revenues" as used in connection
17 with the determination of license taxes means the
18 total amount of the sale price of all goods sold,
19 the total amount charged or received for the
20 performance of any act, service, or employment, of
21 whatever nature it may be, whether or not such
22 service, act, or employment is performed as part
23 of or in connection with the sale of goods, wares,
24 merchandise for which a charge is made or credit
25 allowed, including all receipts, cash, credits, or
26 property of any kind, any amount for which credit
27 is allowed by the seller to the purchaser without
28 any deduction therefrom on account of the cost of
29 property sold, cost of materials used, labor or
30 service costs, interest paid or payable, losses,
31 or any other expense whatsoever, provided that
32 cash discounts allowed or taken on sales shall be

23 trustee, personal representative or general
24 partner or who has an ownership interest in
25 or voting control of the business equal to or
26 greater than ten percent of the entire owner-
27 ship or voting control of such business. If
28 the ownership interest or voting control is
29 held by a person other than an individual,
30 then each officer, director, trustee, per-
31 sonal representative or general partner of
32 such person is a principal.

1 (2) Any person who is or will be directly en-
2 gaged in the administration or supervision
3 of the business; and

4 (3) Any other person, if, in the Department's
5 opinion, the person exercises, or is capable
6 or exercising, significant influence over the
7 business.

8 5-1-2: (A) It is unlawful for any person to commence,
9 carry on, engage in or continue in the City any
10 business without a valid unexpired license issued
11 pursuant to this code. Each day or portion
12 thereof in which a violation is committed, con-
13 tinued or permitted constitutes a separate offense.

14 (B) A business license shall only be issued if the
15 applicant has a fixed place of business from which
16 the business will actually be conducted, unless
17 this Code specifically states otherwise.

18 (C) Upon the filing of a complete and accurate business
19 license application and the payment of all fees
20 relating thereto, the applicant may be issued a
21 temporary business license by the Director.

22 Provided, however, that all inspections relating
23 to the Uniform Fire Code, proper zoning and
24 structural building requirements have first been
25 made and tentatively approved by the proper depart-
26 ment within the City. This temporary business
27 license shall permit the applicant to engage in
28 the business designated at the location so stated
29 for a period of up to, but not to exceed, 60 days
30 within which all inspections and requirements
31 imposed upon the applicant by the various Depart-
32 ments of the City are to be complied with. Upon

1 recommendation by the departments of the City, the
2 Director shall have the discretion to extend said
3 temporary business license for a period of an
4 additional 60 days. The denial by the Director of
5 an additional 60 day extension is appealable to
6 the Board. It is the applicant's burden to pre-
7 sent any and all facts and mitigating circumstances
8 to the next regularly scheduled meeting of the
9 Board.

10 (D) The above stated provisions for a temporary
11 business license shall not apply or be applicable
12 to any business subject to LVC Title V, Chapter 4
13 or any business which requires formal approval by
14 the Board.

15 5-1-3: (A) The Department shall have jurisdiction to in-
16 vestigate and enforce the provisions of this
17 Title. The Department shall have all powers which
18 may be necessary or appropriate for a complete and
19 effective exercise of its jurisdiction, including,
20 but not limited to, the power to enter and inspect
21 the licensed premises at any time during the
22 business hours of the licensee, and the Department
23 shall have the power to examine all books and
24 records of the licensee or applicant. The Depart-
25 ment is authorized to request information from a
26 licensee or applicant at any time in furtherance
27 of the exercise of its jurisdiction.

28 (B) It shall be the duty of the Director to administer
29 the provisions of this Title unless provided
30 otherwise herein.

31 (C) Whenever in the administration of this Title it is
32 advisable for investigations to be made of persons

1 engaged in or connected to a present or a proposed
2 business activity the investigators and super-
3 visory personnel of the Department on behalf of
4 and for the Board, City Manager and City Attorney
5 is authorized and empowered to obtain:

- 6 (1) Records of criminal history from various
7 criminal justice agencies and repositories of
8 criminal history records, and
9 (2) Other records and information from various
10 criminal justice agencies which is outside
11 the term "records of criminal history".

12 (D) The information obtained pursuant to Subsection C
13 of this Section should not be disseminated beyond
14 that which is permitted by Federal or State law
15 and is to be used only for the purposes of:

- 16 (1) Determining the fitness of any applicant or
17 principal thereof, for a business license,
18 approval for suitability, work card or other
19 permit as required by this Code, or any
20 holder of a license, approval for suitability,
21 work card or permit; or
22 (2) Determining whether there has been any viola-
23 tion of this Code or other business regula-
24 tions enforceable by the City.

25 5-1-4: No license to conduct any business or occupation which
26 is regulated and licensed under any provision of the
27 Nevada Revised Statutes shall be issued unless and
28 until a State license has been obtained therefor.

29 5-1-5: (A) Any person who desires to engage in business
30 shall first apply for and obtain the appropriate
31 license. The license application shall be filed
32 with the department on forms acceptable to the

1 department. The applicant shall furnish all the
2 information required by the Department including,
3 but not limited to:

- 4 (1) The applicant's business organization and
5 structure.
6 (2) The proposed business operation and location.
7 (3) The name and address of each principal; and
8 (4) Any other information that reasonably relates,
9 or may lead to information that reasonably
10 relates to the applicant's qualification,
11 acceptability or fitness for a license.

12 (B) The applicant shall swear or affirm the truth of
13 the information contained in the application.

14 5-1-6: (A) A license issued pursuant to this title authorizes
15 the person to whom it is issued to exercise only
16 those privileges expressly permitted for the
17 specific classification of license issued and
18 only on the premises identified in the license.

19 (B) Separate licenses must be obtained for each
20 branch establishment or separate place of business,
21 and a license must be obtained for every class
22 and type of business in this Code specified, even
23 though several classes or types of business may
24 be operated by the same person and at the same place
25 of business; provided, that any person conducting
26 several classes or types of businesses, each of
27 which is required by LVC 5-1(A)-1(A) to pay a
28 license fee on the basis of gross sales, at the
29 same location and under the same business name,
30 shall be required to apply for and obtain only one
31 license.

32 5-1-7: (A) Unless specifically provided otherwise all license

1 taxes imposed by this Title shall be for a
2 semi-annual period and shall be prorated for the
3 first period if the business does not start at
4 the beginning of the period.

5 (B) License taxes are due in advance and shall be
6 established in such a manner that licenses for
7 various businesses shall fall due at different
8 times of the calendar year, provided that like
9 businesses insofar as possible shall pay their
10 license taxes in the same month.

11 5-1-8: (A) When first securing a license to commence opera-
12 tions of a business required to pay the license
13 tax on the basis of gross sales, the applicant
14 shall pay a minimum fee of twenty five dollars for
15 the first semi-annual period.

16 (B) In the event the gross sales of a business for the
17 first period exceeds the amount of sales for the
18 payment of the minimum fee, the balance due shall
19 be added to the fee for the second semi-annual
20 period. With respect to calculating the fee for
21 the second semi-annual period and all periods
22 thereafter, the licensee shall certify the amount
23 of gross sales made during the last preceding
24 period which shall be used as the basis of payment
25 for the next licensing period. If an audit during
26 the first period of operation indicates that the
27 gross sales of the business will substantially
28 exceed the amount required for the payment of the
29 minimum fee, the Director may require the immediate
30 payment of the balance of the fee for such period.

31 5-1-9 (A) In the event there is an underpayment for any
32 licensing period because of a discrepancy between

1 actual and declared gross sales, the balance of
2 the fee shall be paid before the renewal of a
3 license for any subsequent period. In addition,
4 the licensee making such underdeclaration shall be
5 assessed a penalty and interest on the deficiency
6 which shall be paid before the renewal of a
7 license for any subsequent period. In the event
8 the underpayment is discovered by the first audit
9 of the business, the penalty shall be an amount
10 equal to thirty five percent (35%) of the de-
11 linquency.

12 (B) In the event the underpayment is discovered by the
13 second or any subsequent audit of the business,
14 the penalty shall be an amount equal to seventy
15 percent (70%) of the delinquency. Interest on the
16 amount of such delinquency shall be one percent
17 (1%) per month from the date when such tax became
18 due and payable until the date when paid.

19 (C) The Director and any other person designated by
20 him shall have access to the books of such bus-
21 inesses for the purpose of auditing the amount of
22 gross sales. It is unlawful for a licensee to
23 fail to keep adequate records of gross sales and
24 to fail to produce adequate records to the Director
25 within 72 hours on demand by the Director, or any
26 other person designated by him. Adequate records
27 shall mean original copies of all sales invoices
28 and credit slips for a period of one year preceding
29 the date of the audit and all cash receipts
30 journals for a period of 3 years preceding the date
31 of the audit. The information received from the
32 licensee under this Section shall be confidential

1 and available to only those City employees concerned
2 in such matters.

3 5-1-10 It is unlawful for any licensee required to pay a
4 license tax on the basis of gross sales to make a
5 material and intentional underdeclaration of his gross
6 sales for any licensing period to the Director. In
7 determining materiality, the fact that the underdec-
8 laration places the licensee in a lower fee bracket
9 shall be considered.

10 5-1-11: In order to renew a license the licensee must pay the
11 appropriate license tax, and where the tax is based
12 upon gross sales or amount of business, the licensee
13 shall certify the gross sales or amount of business he
14 did in the last preceding period.
15 The Director shall cause notices to be mailed to each
16 licensee of the license tax required before the due
17 date of the next licensing period; provided, however,
18 that the failure of a licensee to receive notice does
19 not waive the payment of the license tax as actual
20 receipt is in no case required. The due date shall be
21 the first day of the first month of a licensing period.

22 5-1-12: All licenses other than gambling and liquor licenses
23 shall become delinquent if the license fee is not paid
24 within 15 days after the due date. If payment is made
25 after 15 days and before 30 days after the due date,
26 five percent of the license fee shall be assessed as a
27 penalty charge. All licenses for which fees have not
28 been paid within 30 days after the due date shall be
29 deemed to have expired. Any such license shall not be
30 reinstated until the five percent penalty fee and a ten
31 percent reinstatement fee shall have been paid, in
32 addition to the regular license fee.

- 1 5-1-13: (A) Upon the transfer of ownership of a business
2 licensed under this Code for which a license fee
3 has already been paid, the transferee shall apply
4 for the transfer of the license and shall be
5 entitled to receive the same upon payment of a
6 \$20.00 transfer fee, provided that the transferred
7 business meets all other requirements of this
8 Code. No transfer of license shall be approved
9 until the required tax has been paid to the next
10 succeeding licensing period.
- 11 (B) A licensee may change the location of the licensed
12 business by filing a form to be provided by the
13 Director who shall approve such transfer if the
14 new location meets all the requirements of this
15 Code and such applicant pays a \$20.00 transfer fee
16 upon filing of such application
- 17 (C) All persons licensed to do business under this
18 Title shall report to the Director on a form
19 acceptable to the Department any change in business
20 name from that designated in the original business
21 license application within 30 days after such
22 change occurs and pay a \$10.00 fee.
- 23 (D) Licensees have a continuing duty and obligation to
24 notify the Department of additions, deletions,
25 changes or modifications in the information
26 furnished the Department and this duty continues
27 as long as a valid license remains in effect.
- 28 5-1-14: (A) It is unlawful for any person having a license
29 under the provisions of this Code and carrying on
30 a business at a fixed place of business to fail to
31 prominently display this license in said place of
32 business for which it is issued.

1 (B) It is unlawful for any person who is not required
2 to have a fixed place of business and who was
3 issued a license under the provisions of this code
4 to fail to carry such license either upon his
5 person or in any vehicle or other conveyance which
6 is used in such business.

7 5-1-15: Any license tax imposed by this Code shall be deemed a
8 debt due the City payable by any person who commences,
9 carries on, engages in, or conducts any business, for
10 which a license is required. Such person shall be
11 liable in a civil action to the City in any court of
12 competent jurisdiction for the recovery of the amount
13 of license tax, penalties and interest, imposed by this
14 Code, and for the costs of suit and reasonable attorney's
15 fees.

16 5-1-16: The Director after receipt of an application for a
17 license, shall approve, deny or take such other action
18 with respect to such application as he considers appro-
19 priate. The Director may deny or refuse to renew a
20 license for good cause which includes, but is not
21 limited to, the grounds for disciplinary action against
22 a licensee as set forth in LVC 5-1-19.

23 5-1-17: Upon final approval of a license application and upon
24 payment of all required fees and taxes, the Director
25 shall issue a license. The license shall specify the
26 classification of the license, the premises where the
27 business is allowed and the name of the licensee.

28 5-1-18; Any person aggrieved by a decision of the Director
29 denying or refusing to renew a license or denying,
30 revoking or suspending a permit may appeal that decision
31 within 30 days to the Board by filing written notice
32 of appeal with the Department. The Board shall hear

1 the applicant at the next regularly scheduled meeting
2 following the expiration of 10 days after the applicant
3 filed a notice of appeal.

4 5-1-19: (A) The Licensee may be subject to disciplinary action
5 by the Board for good cause, which may include,
6 but is not limited to:

- 7 (1) The application is incomplete or contains
8 false, misleading or fraudulent statements
9 with respect to any information required in
10 the application;
- 11 (2) The Licensee or any of its Principals fails
12 to satisfy any qualification or requirement
13 imposed by this Code, or other local, state
14 or federal law or regulation pertaining to
15 the particular license or approval for
16 suitability sought or held;
- 17 (3) The Licensee or any of its Principals ille-
18 gally resides in the United States;
- 19 (4) The Licensee or any of its Principals is or
20 has engaged in a business, trade or profession
21 without a valid license, permit, approval for
22 suitability or work card when the applicant
23 or holder knew that one was required or under
24 such circumstances that he reasonably should
25 have known one was required;
- 26 (5) The Licensee or any of its Principals has
27 been subject, in any jurisdiction, to dis-
28 ciplinary action of any kind against a license,
29 permit, approval for suitability or work card
30 to the extent that such disciplinary action
31 reflects on the qualification, acceptability
32 or fitness of the Licensee.

- 1 (6) The Licensee or any of its Principals has
2 committed acts which would constitute a crime
3 involving moral turpitude; or involving any
4 federal, state or local law or regulation
5 relating to the same or a similar business;
- 6 (7) When substantial information exists which
7 tends to show that the Licensee or any of its
8 Principals is dishonest or corrupt;
- 9 (8) The licensed premises do not satisfy local,
10 state or federal laws or regulations pertain-
11 ing to the activity to be actually engaged
12 in;
- 13 (9) The actual business activity constitutes a
14 public or private nuisance, or will be or is
15 conducted in an unlawful, illegal or improper
16 manner;
- 17 (10) The Licensee or any of its Principals lacks
18 sufficient financial, technical or educational
19 ability or experience to conduct or perform
20 the activity for which the license is sought;
- 21 (11) The Licensee or any of its Principals vio-
22 lates any condition imposed upon the license;
- 23 (12) The Licensee or any of its Principals have
24 engaged in deceptive practices upon the
25 public;
- 26 (13) The Licensee or a Principal suffers from a
27 legal disability under the laws of the State
28 of Nevada.
- 29 (B) Whenever this Title requires any act to be done or
30 prohibits or makes unlawful the doing of any act,
31 the failure to do any such required act or the
32 doing of any such prohibited or unlawful act shall

1 subject the person who commits such violation to
2 disciplinary action.

3 (C) A licensee shall be subject to disciplinary
4 action not only for acts or omissions done by
5 such licensee but also for acts and omissions
6 done by the principals, managers, agents, repre-
7 sentatives, servants or employees of such
8 licensee.

9 (D) Upon a showing of good cause and in the discretion
10 of the Board, disciplinary action against a licensee
11 may take the form of cancellation, revocation,
12 refusal to renew, suspension, imposition of con-
13 ditions or restrictions, or civil fines (or any
14 combination thereof) as the particular situation
15 may require. The Board may also impose against
16 the licensee the actual costs incurred, and a
17 reasonable amount for attorneys fees, resulting
18 from the imposition of disciplinary action. The
19 disciplinary actions available in this Section
20 shall be in addition to, and not exclusive of, any
21 other civil or criminal remedy which otherwise
22 might be available.

23 5-1-20: (A) The doing of any act for which a license is re-
24 quired or the violation of any provision of this
25 Title is declared to be unlawful and harmful to
26 the safety, welfare, health, peace and morals of
27 the residents and taxpayers of the City and con-
28 stitutes a public nuisance per se, unless such act
29 is done by a person who is authorized to do so by
30 a license issued pursuant to this Title.

31 (B) The City Attorney, upon order of the Board, shall
32 institute legal action, in any court of competent

1 jurisdiction, to abate, remove or enjoin the
2 nuisance. This remedy shall be in addition to any
3 other remedy available under this Chapter or any
4 other law.

5 SECTION 3: Whenever in this ordinance any act is pro-
6 hibited or is made or declared to be unlawful or an offense or a
7 misdemeanor, or whenever in this ordinance the doing of any act
8 is required or the failure to do any act is made or declared to
9 be unlawful or an offense or a misdemeanor, the doing of any such
10 prohibited act or the failure to do any such required act shall
11 constitute a misdemeanor and upon conviction thereof, shall be
12 punished by a fine of not more than \$1,000.00 or by imprisonment
13 for a term of not more than six months, or by any combination of
14 such fine and imprisonment. Any day of any violation of this
15 ordinance shall constitute a separate offense.

16 SECTION 4: If any section, subsection, subdivision,
17 paragraph, sentence, clause or phrase in this Chapter or any part
18 thereof, is for any reason held to be unconstitutional or invalid
19 or ineffective by any court of competent jurisdiction, such
20 decision shall not affect the validity or effectiveness of the
21 remaining portions of this Chapter or any part thereof. The
22 Board of City Commissioners of the City of Las Vegas, Nevada,
23 hereby declares that it would have passed each section, subsec-
24 tion, subdivision, paragraph, sentence, clause or phrase thereof,
25 irrespective of the fact that any one or more sections, subsec-
26 tions, subdivisions, paragraphs, sentences, clauses or phrases be
27 declared unconstitutional, invalid or ineffective.
