THE BOARD OF CITY COMMISSIONERS OF THE CITY OF LAS VEGAS, NEVADA, DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1: Title V, Chapter 24 and Title IX, Chapter 19, of the Municipal Code of the City of Las Vegas, Nevada, 1960 Edition, are hereby repealed in their entirety.

SECTION 2: Title X of the Municipal Code of the City of Las Vegas, 1960 Edition, is hereby amended by adding thereto a new chapter, designated as Chapter 32, reading as follows:

10-32-1: DEFINITIONS

The following words, terms and phrases shall have the meaning indicated:

"Park" means to stand a vehicle for a period of time greater than is reasonably necessary for the actual loading thereon or unloading therefrom of persons or property.

"Patron Parking Lot" means any building, structure, outdoor space, uncovered plot, place, lot, parcel, yard, or enclosure or any portion thereof, on the same or adjacent property and provided exclusively for the use and convenience of persons doing business at or with a business establishment and for which no charge to park is made and whether or not a ticket must be validated.

1 "Public Parking Lot" means any building, structure, outdoor
2 space, uncovered plot, place, lot, parcel, yard or enclosure,
3 or any portion thereof, where motor vehicles are parked,
4 stored, housed or kept, for which any charge is made, and
5 which is open to the general public.

6 "Semipublic Parking Lot" means any building, structure, out-
7 door space, uncovered plot, place, lot, parcel, yard or
8 enclosure, or any portion thereof, where motor vehicles are
9 parked, stored, housed or kept, pursuant to agreement with
10 the owner, operator, or manager and for which a charge is
11 made on a daily, weekly or monthly rate.

12 10-32-2: DESIGNATION OF SPACE; METHOD OF PARKING:

13 When any person shall establish any parking lot as
14 defined in Section 10-32-1 of this Chapter such person shall
15 designate the space for parking and the manner of parking
16 thereon, the space thereon to be used for parking by dif-
17 ferent types of vehicles and may also limit the time such
18 vehicles may remain parked on the premises.

19 10-32-3: SIGN REQUIRED; CONTENTS:

20 Such person in addition shall maintain at each entrance
21 to such parking lot permanent sign or signs suitable to
22 apprise persons using the same of the following information:

23 (A) The hours of the day or night during which said parking
24 lot is open for business, unless said parking lot is
25 open for business twenty four (24) hours a day.

26 (B) Rates charged for parking (if any charge is made) and
27 when more than one rate is charged, or a sliding rate
28 scale is charged, the figures and letters stipulating
29 each rate shall be of uniform size and dimensions, and
30 shall be not less than six inches (6") in height and

31 . . .
32 . . .

1 three inches (3") in width.

2 (C) If the parking lot is exclusively a patron parking lot,
3 such information as to properly advise the users of the
4 terms and conditions of such use.

5 (D) The name, address, and telephone number of the holder of
6 the business license.

7 (E) If the parking lot is a self-service public parking lot,
8 such information as to properly advise the users of the
9 manner and place of fee payment.

10 (F) A patron parking a vehicle without paying the posted fee
11 in the manner made available is deemed a trespasser, for
12 which a citation will be issued. Any vehicle receiving
13 two (2) such citations will be subject to impound, and
14 information concerning any impounded vehicle may be
15 obtained by calling the Metropolitan Police Department.
16 (Provide phone number)

17 10-32-4: DUTY OF INDIVIDUAL:

18 Every person establishing or maintaining a parking lot
19 as defined in this Chapter shall furnish to the Metropolitan
20 Police Department the name and telephone number of a respon-
21 sible person who may be contacted in the event an emergency
22 arises.

23 10-32-5: LOG BOOK:

24 There shall be maintained by each licensee a log book
25 showing date and time and license number of any vehicle
26 issued a violation envelope.

27 (A) Vehicles in violation will be issued a violation enve-
28 lope by the licensee on their first offense, containing
29 the date, time and place of violation; and giving the
30 reason for the violation and explaining the consequences.

31 (B) No vehicle will be impounded on its first violation.

32 Each twenty four (24) hour period after a violation has

1 been issued may be considered a separate violation.

2 (C) Impound Procedures: If a tow truck has answered a call
3 to impound a vehicle and the owner/driver of the vehicle
4 returns for the vehicle before it has been "raised"
5 (attached), the vehicle will be released upon payment of
6 the parking fee due. If the vehicle has been raised,
7 the vehicle will be released to the owner/driver upon
8 payment of parking fees due and one-half (1/2) of the
9 towing charge (\$7.00). After the vehicle is raised, but
10 before the truck removes the vehicle from the parking
11 lot, the tow truck operator will call the Metropolitan
12 Police Department by radio to advise: the make of the
13 car, registration number, the name of the registered
14 owner, if available, the parking lot from which towed
15 and the place of impound from which the vehicle may be
16 recovered.

17 (D) It will be the duty of the Metropolitan Police
18 Department to check the place of impound after twenty
19 four (24) hours have elapsed from the time the
20 Department was notified that a vehicle had been towed,
21 to determine if the vehicle has been recovered, and the
22 fees due to release the vehicle. If the vehicle has not
23 been recovered, the Metropolitan Police Department will
24 notify the parking lot licensee of that fact, and will
25 further notify the licensee of the name and address of
26 the registered owner of the impounded vehicle. It will
27 then become the duty of the parking lot licensee to mail
28 a certified letter, return receipt requested, to the
29 address of the registered owner of the vehicle advising
30 him of the circumstances, place of impound, and fees due
31 to release the vehicle.

32

1 10-32-6: TRASH CANS LOCATED ON LOTS; NOTICE:

2 Each parking lot will be free of trash and refuse. A
3 suitable trash can will be made available by the holder of
4 the license at or near the fee collection device, which will
5 be emptied as often as required. Signs will be posted
6 requesting that parking patrons cooperate and put all trash
7 in the proper trash receivers. Any patron observed to ignore
8 such notice will be reprimanded and cited if he should not
9 replace the refuse from the lot surface to the appropriate
10 receptacle. Police may be called to assist, if necessary.

11 10-32-7: MINIMUM ILLUMINATION STANDARDS:

12 Any parking lot open for business from dusk to dawn, or
13 any portion thereof, will be illuminated between the time
14 with lamps and fixtures emitting a minimum of one foot
15 candle. Parking lots open for business between dawn to dusk,
16 or any portion thereof, will not require illumination.

17 SECTION 4: If any section, subsection, subdivision,
18 paragraph, sentence, clause or phrase in this Chapter or any part
19 thereof, is for any reason held to be unconstitutional or invalid
20 or ineffective by any court of competent jurisdiction, such deci-
21 sion shall not affect the validity or effectiveness of the
22 remaining portions of this Chapter or any part thereof. The
23 Board of Commissioners of the City of Las Vegas hereby declares
24 that it would have passed each section, subsection, subdivision,
25 paragraph, sentence, clause or phrase thereof irrespective of the
26 fact that any one or more sections, subsections, subdivisions,
27 paragraphs, sentences, clauses or phrases be declared unconstitu-
28 tional, invalid or ineffective.

29 SECTION 5: All ordinances or parts of ordinances;
