SECTION 2: The City Council hereby determines that the described territory
meets the requirements provided by law for annexation to the City for the following reasons:

- A. The area to be annexed was contiguous to the City's boundaries at the
time the annexation proceedings were instituted;
- B. More than one-eighth (1/8) of the aggregate external boundaries of
the area are contiguous to the City;
- C. The territory proposed to be annexed is not included within the
boundaries of another incorporated city or within the boundaries of
any unincorporated town as those boundaries existed as of July 1,
1983;
- D. The City is eligible to annex the described territory since the

1 landowners have signed a petition constituting one hundred percent
2 (100%) of the owners of record of individual lots or parcels of land
3 within the annexation area.

4 SECTION 3: The City will provide police protection through the Las Vegas
5 Metropolitan Police Department, fire protection, street maintenance, and library services
6 immediately upon annexation. Garbage collection by the company franchised by the City
7 will also be provided immediately. The City sanitary sewer system will serve the proposed
8 annexation area. Any connection to or extension of this sewer line to serve the annexation
9 area shall be at the expense of the landowners. Other services, such as participation in the
10 City's recreational programs, special education classes and programs, public works planning,
11 building inspections, and other City services will also be available immediately. Utilities
12 such as gas, electricity, telephone, and water are provided by private utility companies and
13 other services to the area will not be affected by annexation. Street paving, curbs and gutters,
14 sidewalks and street lights which are not in place at the time of annexation will be installed
15 in the presently developed areas upon the request of the property owners and at their expense
16 by means of special assessment districts. Such improvements will be extended into the
17 undeveloped areas as development takes place and the need therefor arises, and will be
18 located according to the needs of the area at that time. Such installations will also be made
19 at the expense of the property owners, either by means of special assessment districts or as
20 prerequisites to the approval of subdivision plats, building permits or other land use or
21 development applications.

22 SECTION 4: The annexation of the described territory shall become
23 effective on the 10th day of June, 2005, and on that date the City will have the funds
24 appropriated in sufficient amount to finance the extension into the described territory of
25 police protection, fire protection, street maintenance, street sweeping, and street lighting
26 maintenance.

27 SECTION 5: The described territory, together with the inhabitants and
28 property thereof, shall, from and after the 10th day of June, 2005, be subject to all debts,

1 laws, ordinances and regulations in force in the City and shall be entitled to the same
2 privileges and benefits as other parts of the City, and shall be subject to municipal taxes
3 levied by the City.

4 SECTION 6: The City Engineer is hereby instructed to cause to be prepared
5 an accurate map or plat of the described territory and to record the map or plat, together with
6 a certified copy of this ordinance, in the office of the County Recorder of Clark County,
7 Nevada, which recording shall be done prior to the 10th day of June, 2005.

8 SECTION 7: The described territory, which previously has been zoned R-E
9 (County of Clark classification), is hereby classified as U (R) (City of Las Vegas
10 classification), which is deemed to be the City equivalent of the County classification.

11 SECTION 8: If any section, subsection, subdivision, paragraph, sentence,
12 clause of phrase in this ordinance or any part thereof, is for any reason held to be
13 unconstitutional, or invalid or ineffective by any court of competent jurisdiction, such
14 decision shall not affect the validity or effectiveness of the remaining portions of this
15 ordinance or any part thereof. The City Council of the City of Las Vegas hereby declares that
16 it would have passed each section, subsection, subdivision, paragraph, sentence, clause or
17 phrase thereof irrespective of the fact that any one or more sections, subsections,
