Sponsored by:

Summary: Amends the City's Water Distribution Authorization Program to clarify the procedures and standards for reserving water for planned community districts.

THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES HEREBY
ORDAIN AS FOLLOWS:

SECTION 1: That certain document entitled "The City of Las Vegas Water Distribution Authorization Program," adopted pursuant to Title 14, Chapter 8, Section 160, of the Municipal Code of the City of Las Vegas, Nevada, 1983 Edition, and as amended previously, is hereby amended further by deleting Section II(H) thereof and substituting therefor a new Section II(H), reading as follows:

H. Application of Performance Standards to Planned Communities

In any Planned Community District in the City of Las Vegas, a "conditional water reservation letter" may be issued by the City pursuant to a development agreement relating to such planned community establishing the total water allocation for all or a portion of the planned community. Thereafter, as the developer is otherwise ready to receive a commitment from the LVVWD for any portion of the planned community, the City shall issue any necessary conditional water distribution letters for delivery to the LVVWD; provided, however, that the total amount of water allocated may not exceed the original allocation as set forth in the conditional water reservation letter. The City may certify that LVVWD financial commitments

1 are met by arterial road and other community infrastructure and facility construction.

2 With respect to a Planned Community District, a "conditional water
3 reservation letter" may also include a reservation of water in excess of water available pursuant
4 to the current Water Budget, but such reservation must be subject to the LVVWD's making
5 available to the City additional water in excess of that shown by the current Water Budget.
6 Conditional water distribution letters authorizing use of such water exceeding the current Water
7 Budget may not be issued until the LVVWD makes such additional water available to the City.

8 SECTION 2: All amendments to the Water Budget described in Section II(B)
9 of The City of Las Vegas Water Distribution Authorization Program that have been approved by
10 the City Council subsequent to the adoption of said Program are hereby ratified, with the most
11 recent amendment superseding previous budgets to the extent inconsistent therewith.

12 SECTION 3: If any section, subsection, subdivision, paragraph, sentence,
13 clause or phrase in this ordinance or any part thereof is for any reason held to be unconstitutional
14 or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the
15 validity or effectiveness of the remaining portions of this ordinance or any part thereof. The City
16 Council of the City of Las Vegas, Nevada, hereby declares that it would have passed each section,
17 subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective of the fact that
18 any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses, or phrases
19 be declared unconstitutional, invalid or ineffective.

20 SECTION 4: All ordinances or parts of ordinances, sections, subsections,
21 phrases, sentences, clauses or paragraphs contained in the Municipal Code of the City of Las
