WHEREAS, the City Council caused such assessment roll to be filed in the Office of the City Clerk of the City (the

"City Clerk" herein) on the 19th day of January, 1994, and the City Clerk, by publication in a newspaper and by mail, gave the requisite notice of the date, time and place of such hearing, of the filing of such assessment roll in her office, of the date of the filing of the same, of the right of any such person so to protest or object specifically in writing and of the waiver of any protest or objection in the absence of such written protest or objection; and

WHEREAS, it is incumbent upon the City Council to provide herein when such assessments shall become due, payable

and delinquent and the penalty that is payable thereon after any delinquency;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES ORDAIN AS FOLLOWS:

SECTION 1. That all of the actions that were heretofore taken (not inconsistent with the provisions of this Ordinance) by the City and the officers and employees thereof that were directed toward the creation of "City of Las Vegas, Nevada, Special Improvement District No. 406", and the grading, gravelling, macadamizing, paving, draining and otherwise improving of Cheyenne Avenue, and portions thereof, in ASSESSMENT UNIT NO. I thereof, the installation of curbs and gutters along Cheyenne Avenue, and portions thereof, in ASSESSMENT UNIT NO. II thereof, the installation of sidewalks along Cheyenne Avenue, and portions thereof, in ASSESSMENT UNIT NO. III thereof, the installation of a street lighting system and all facilities that are incidental thereto along Cheyenne Avenue, and portions thereof, in ASSESSMENT UNIT NO. IV thereof, the installation of sanitary sewer laterals along Cheyenne Avenue, and portions thereof, in ASSESSMENT UNIT NO. V thereof, the installation of potable water laterals along Cheyenne Avenue, and portions thereof, in ASSESSMENT UNIT NO. VI thereof, the installation of residential driveway approaches along Cheyenne Avenue, and portions thereof, in ASSESSMENT UNIT NO. VII thereof and the installation of commercial driveway approaches along Cheyenne

Avenue, and portions thereof, in ASSESSMENT UNIT NO. VIII thereof, toward satisfying all of the conditions precedent to the levying of the special assessments, according to benefits, to defray the entire cost and expense of constructing and installing the improvements in each assessment unit of the District and toward the fixing of an assessment lien upon each of the several assessable lots and parcels of property that has been, and will continue to be, specially benefited by such improvements be, and the same hereby are, in all respects, approved, ratified and confirmed.

SECTION 2. That, for the purpose of defraying the cost and expense of constructing and installing such improvements, there shall be, and there hereby are, levied and assessed upon and against the several assessable lots and parcels of property within each assessment unit of the District, being all of those lots and parcels that are specially benefited by such improvements in the respective assessment units and being situate in the City of Las Vegas, Clark County, Nevada, that are described in the preliminary assessment roll for the District, as the same was filed in the Office of the City Clerk on the 19th day of January, 1994, and the final assessment roll, as the same was validated and confirmed by that certain Resolution that was duly passed, adopted and approved by the City Council on the 2nd day of March, 1994, and, on the same date, filed in the Office

of, and endorsed by, the City Clerk, the respective amounts and assessments that are shown in such final assessment roll.

SECTION 3. That such assessments shall be due and payable at the Office of the City Treasurer of the City (the "City Treasurer" herein) within thirty (30) days after this Ordinance becomes effective, without interest and without demand; provided, however, that all or any part of any of such assessments may, at the election of the owner or owners of the lot or parcel of property upon which such assessment is levied, be paid in installments, with interest, as is hereinafter provided. The failure of the owner of, or of any other person who is interested in, any such lot or parcel to pay in full the amount of the assessment thereagainst within such period of thirty (30) days shall be conclusively considered and held to be an election on the part of all of the persons who are interested in such lot or parcel, whether such owner or any of such other persons be under a disability or otherwise, to pay in such installments the amount of the assessment against such lot or parcel or, in the event that a partial payment thereon has been made within such thirty (30) day period, the amount thereof that is then unpaid. In the case of an election to pay such assessment in installments, the amount thereof or the then unpaid amount thereof, as the case may be, shall be payable at the Office of the City Treasurer in twenty (20) substantially equal semiannual installments of principal until such assessment is paid in full, with interest in

all cases on the unpaid and deferred installments of principal, from the effective date of this Ordinance after its passage and approval, at a rate or rates per annum which shall not exceed by more than three percent (3%) the Index of Twenty Bonds that was most recently published before the date on which this Ordinance is adopted; provided, however, that, if special assessment bonds are sold to pay the cost of the improvements that were constructed and installed in the District and are payable from the assessments that are being levied by this Ordinance, the City Council, in the Ordinance that authorizes the issuance of such bonds and after the sale of such bonds, may provide for a lower rate or rates of interest on such unpaid and deferred installments of principal, which reduced rate or rates shall at no time be less than the interest rate (or the higher or highest interest rate, if there be more than one) that is borne by the special assessment bonds that are then outstanding and shall not exceed by more than one percent (1%) the rate or the highest rate, as the case may be, of interest that is payable on such special assessment bonds. Both the principal of and the interest on such installments shall be payable at the Office of the City Treasurer on the 12th days of October and April in each year, commencing on the 12th day of October, 1994. The failure to pay any installment, whether of principal or of interest, when the same is due shall, ipso facto, cause the whole amount of the unpaid principal to become due and payable immediately, at the

option of the City, and the exercise of such option shall be indicated by the commencement of foreclosure proceedings by the City against the lot or parcel of property with respect to which such delinquency exists, either by means of a public sale in the manner that is provided for in NRS 271.540 to 271.625, inclusive, or through the institution of a foreclosure action that is brought in the name of the City. The whole amount of the unpaid principal and the interest that has accrued thereon shall, after such delinquency, whether such option is or is not exercised, bear a penalty at the rate of two percent (2%) per month until the day of the foreclosure sale or until the whole amount of the unpaid principal, plus the accrued interest, is paid, but, at any time prior to the day of such sale, the owner of such lot or parcel may pay the aggregate amount of all of the delinquent installments that originally became due on or before the date of such payment, together with all of the accrued interest and all of the accrued penalties thereon, and shall thereupon be restored to the right thereafter to pay the unpaid principal in installments in the same manner as if such default had not been suffered. The owner of any lot or parcel of property, the installments or payments with respect to which are not then in default, may, at any time, pay the whole amount, or any annual installment, of the unpaid principal, with the interest that will accrue thereon to the next interest payment date plus a prepayment premium, which shall not exceed by more than three

percent (3%) the Index of Twenty Bonds that is in effect at the time that such prepayment is made, as a percentage of the installment or installments of principal that is or are so prepaid.

SECTION 4. That the amounts that are assessed as aforesaid shall constitute a lien upon the respective lots and parcels of property against which they are assessed from the effective date of this Ordinance, i.e., from the 12th day of April, 1994, which lien shall be coequal with the lien of other taxes and prior and superior to all other liens, claims, encumbrances and titles. The sale of any such lot or parcel for general for other taxes shall not relieve such lot or parcel from such assessment or the lien therefor. Each such amount shall continue to constitute a lien upon the lot or parcel of property against which the same is assessed until such amount is paid in full (including all of the principal, the interest thereon and any penalty and collection cost with respect thereto).

SECTION 5. That, in case that the owner of any lot or parcel of property that is so assessed is delinquent in the payment of such assessment, or of any installment of principal or interest, the City Council shall forthwith cause the original purchaser or purchasers of the bonds that are to be hereafter authorized by ordinance to be issued in connection with the District (the ordinance that authorizes such bonds to be issued to designate definitely such original purchaser or purchasers)

and any person, partnership or corporation that is hereafter in writing designated by such original purchaser or purchasers, or its or their successor or successors, as the representative or representatives of the holder or holders of such bonds, and the owner of the lot or parcel with respect to which such assessment is delinquent, if the same is known, to be immediately notified in writing of such delinquency by first-class mail, certified with return receipt requested and the postage thereon prepaid. The notice to such owner shall be addressed to the last known address thereof, and, if the amount of such delinquency is not paid in full within ten (10) days after such notice has been given by the deposit thereof with the United States Postal Service, such assessment shall be enforced by the City Treasurer and the other officers of the City in the manner that is provided for in NRS 271.540 to 271.625, inclusive; provided, however, that nothing that is contained herein shall be construed in such a manner as to prevent the City, as an alternative to proceeding in accordance with NRS 271.540 to 271.625, inclusive, from collecting any such assessment by means of a foreclosure action that is brought in the name of the City against the lot or parcel of property with respect to which such delinquency exists, and such assessment roll and a certified copy of this Ordinance shall be prima facie evidence of the regularity of the proceedings in making such assessment and of the right of the City to recover a judgment therefor. If the City Treasurer and

the other officers of the City do not promptly and diligently proceed in the manner that is provided for in NRS 271.540 to 271.625, inclusive, to enforce such assessment or if such foreclosure action not be filed promptly and prosecuted diligently, any holder of such bonds may file and prosecute a foreclosure action in the name of the City. Any holder of such bonds may also proceed against the City to protect and enforce the rights that are by this Ordinance conferred upon the holders of such bonds, by suit, action or special proceedings at law or in equity, either for the appointment of a receiver or for the specific performance of any provision that is contained herein or in any award for the execution of any power that is granted herein for the enforcement of any proper legal or equitable remedy as such bondholder may deem is the most effective in order to protect any such right as aforesaid. Any such proceedings, either at law or in equity, shall be instituted, had and maintained for the equal benefit of all of the holders of such bonds and the coupons thereon that are then outstanding. The failure of any holder of such bonds to commence such foreclosure action with respect to such delinquent assessments, or to proceed against the City in respect thereof, shall not relieve the City, or any of its officers, employees or agents, of any liability for its or their failure so to enforce such delinquent assessments.

SECTION 6. That the City Clerk shall, as soon as is reasonably possible, publish a notice in the Las Vegas Review-Journal, a newspaper that is an official newspaper, published daily, for the City, once a week for three (3) consecutive weeks and mail a copy of such notice, by first-class mail, certified with a return receipt requested and the postage thereon prepaid, to the last known address of each last known owner of each lot or parcel of property that is situate within the District and will be so assessed, which notice shall state that such assessments have been levied and are due and payable. The City Council hereby determines that the manner of giving the notice that is provided for herein by such publication is reasonably calculated to inform the interested parties of the proceedings concerning the District which may directly and adversely affect their legally protected interests.

SECTION 7. That the City Clerk is hereby authorized, empowered and directed to deliver to the County Assessor of Clark County, Nevada, ex officio the City Assessor of the City, a copy of the final assessment roll, as the same was confirmed by that certain Resolution that was duly passed, adopted and approved by the City Council on the 2nd day of March, 1994, and as is designated in this Ordinance, which contains a description of each lot and parcel of property that is being assessed and indicates the amount of the assessment that is levied upon each such lot or parcel and the name of the owner or occupant thereof

against whom the assessment was made. The City Clerk is further directed to record in the Office of the County Recorder of said County the final assessment roll, endorsed by her as the roll that is designated in this Ordinance, together with a statement to the effect that the current payment status of any of the assessments that are shown thereon may be obtained from the City Treasurer, and the City Clerk is additionally directed to deliver to the City Treasurer a copy of this Ordinance and to require the City Treasurer to collect, in the manner that is provided for in NRS 271.415(5) and 271.540 to 271.625, inclusive, the several sums that are so assessed as a tax upon the respective lots and parcels of property upon which they are levied.

SECTION 8. That the notice that is provided for in Section 6 of this Ordinance shall be, substantially, in the following form:

NOTICE TO PROPERTY OWNERS OF ASSESSMENTS  
FOR IMPROVEMENTS IN CITY OF LAS VEGAS, NEVADA,  
SPECIAL IMPROVEMENT DISTRICT NO. 406

NOTICE IS HEREBY GIVEN to the owners of property within the special improvement district that is hereinafter identified and all other interested persons that, by Ordinance No. 3790 of the City of Las Vegas, Nevada (the "City" herein), that was duly passed, adopted, approved and signed on the 6th day of April, 1994, there were levied and assessed upon and against the several assessable lots and parcels of property that have been, and will continue to be, specially benefited by the local improvements that have been constructed and installed within that certain area of the City that is designated and commonly known and referred to as "City of Las Vegas, Nevada, Special Improvement District No. 406", such lots and parcels being more specifically described in the assessment roll that is designated in said Ordinance as Assessment Roll No. 1994-1, their proportionate shares of the total cost and expense of constructing and installing such improvements.

Such assessments shall be due and payable at the Office of the City Treasurer of the City (the "City Treasurer" herein) on or before the 12th day of May, 1994, being thirty (30) days after the effective date of said Ordinance, i.e., the day following the date of its second and final publication, without interest and without demand; provided, however, that all or any part of any of such assessments may, at the election of the owner

of the lot or parcel of property upon which such assessment was levied, be paid in installments, with interest, as is hereinafter provided. The failure of the owner of, or of any other person who is interested in, any such lot or parcel to pay in full the amount of the assessment thereagainst within such thirty (30) day period shall be conclusively considered and held to be an election on the part of all of the persons who are interested in such lot or parcel, whether such owner or any of such other persons be under a disability or otherwise, to pay in such installments the amount of the assessment against such lot or parcel or, in the event that a partial payment has been made thereon within such thirty (30) day period, the amount thereof that is then unpaid. In the case of an election to pay such assessment in installments, the amount thereof or the then unpaid amount thereof, as the case may be, shall be payable at the Office of the City Treasurer in twenty (20) substantially equal semiannual installments of principal until such assessment is paid in full, with interest in all case on the unpaid and deferred installments of principal, from the 12th day of April, 1994, i.e., the day following date of the second and final publication of said Ordinance, at a rate or rates which shall not exceed NINE AND 07/100THS percent (9.07%) per annum, both the principal of and the interest on such installments being payable at the Office of the City Treasurer on the 12th days of October and April in each year, commencing on the 12th day of October,

1994. The failure to pay any installment, whether of principal or of interest, when the same is due shall, ipso facto, cause the whole of the unpaid principal to become due and payable immediately, at the City's option, and the exercise of such option shall be indicated by the commencement of foreclosure proceedings by the City against the lot or parcel of property with respect to which such delinquency exists, either by means of a public sale or through the institution of a foreclosure action that is brought in the name of the City. The whole amount of the unpaid principal and the interest that has accrued thereon shall, after such delinquency, whether such option is or is not exercised, bear a penalty at the rate of two percent (2%) per month until the day of the foreclosure sale or until the whole amount of the unpaid principal, plus the accrued interest, is paid, but, at any time prior to the day of such sale, the owner of such lot or parcel may pay the aggregate amount of all of the delinquent installments that originally became due on or before the date of such payment, together with all of the accrued interest and all of the accrued penalties thereon, and shall thereupon be restored to the right thereafter to pay the unpaid principal in installments in the same manner as if such default had not been suffered. The owner of any lot or parcel of property, the installments or payments with respect to which are not then in default, may, at an time, pay the whole amount, or any annual installment, of the unpaid principal, with the

interest that will accrue thereon to the next interest payment date plus a prepayment premium, which shall not exceed by more than three percent (3%) the Index of Twenty Bonds that is in effect at the time that such prepayment is made, as a percentage of the installment or installments of principal that is or are so prepaid.

The amounts that are assessed as aforesaid shall constitute a lien upon the respective lots and parcels of property against which they are assessed from the 12th day of April, 1994, the effective date of said Ordinance, which lien shall be co-equal with the lien of other taxes and prior and superior to all other liens, claims, encumbrances and titles. The sale of any such lot or parcel for general or other taxes shall not relieve such lot or parcel from such assessment or the lien therefor. Each such amount shall continue to constitute a lien upon the lot or parcel of property against which the same is assessed until such amount is paid in full (including all of the principal, the interest thereon and any penalty and collection cost with respect thereto).

DATED this 12th day of April, 1994.

  
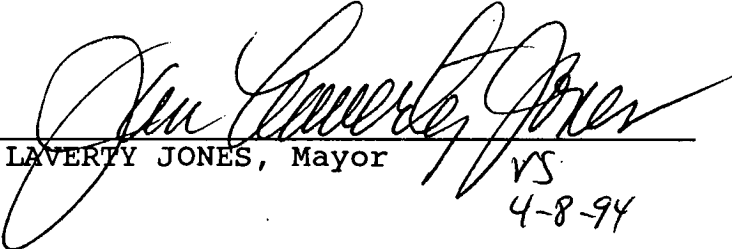

KATHLEEN M. TIGHE, City Clerk
