(A) "Applicant" means any person who has applied for a City business license, approval of suitability, work card or any permit.

(B) "Business" means any business, commercial enterprise, trade, occupation, calling, profession, vocation or activity engaged in, conducted or carried on by any person, his agent or employee for the purpose of gain, benefit or advantage, either direct or indirect.

(C) "Department" means the Department of Finance and Business Services.

(D) "Director" means the Director of the Department of Finance and Business Services and those persons authorized by him to act in his behalf.

(E) "Employee" means any person who performs services for another for hire, salary, wages or any other kind of compensation, whether or not the services are casual, temporary

2 (F) "Establishment" means any business conducted in or upon any premises, and
3 includes any buildings, improvements, equipment and facilities used or maintained in connection with
4 such business.

5 (G) "Gross sales/gross revenues," as used in connection with the determination of
6 license taxes, means the total amount of the sale price of all goods sold, the total amount charged or
7 received for the performance of any act, service or employment, of whatever nature it may be, whether
8 or not such service, act or employment is performed as part of or in connection with the sale of goods,
9 wares or merchandise for which a charge is made or credit allowed, including all receipts, cash, credits
10 or property of any kind, any amount for which credit is allowed by the seller to the purchase without
11 any deduction therefrom on account of the cost of property of any kind, any amount for which credit
12 is allowed by the seller to the purchaser without any deduction therefrom on account of the cost of
13 property of any kind, any amount for which credit is allowed by the seller to the purchaser without
14 any deduction therefrom on account of the cost of property sold, cost of materials used, labor or
15 service costs, interest paid or payable, losses or any other expense whatsoever.

16 (1) The following shall not be included in calculating gross sales/gross

19 (b) [Over-allowance.] Over-allowance on trade-ins of used

22 trade-in which is in excess of the actual sale price of the trade-in by the dealer, whether that sale is
23 wholesale, retail or at auction. In order for a dealer of new merchandise, cars or goods to substantiate
24 deductions for over-allowances, a separate general ledger account must be maintained which
25 accumulates the total over-allowances. This account must be supported by a cash receipt journal or
26 similar journal which summarizes the daily transactions. Each daily entry must be supported by the
27 original contract which clearly substantiates the difference between the actual sales price and the
28 allowance which is given to the customer on the trade-in;

1 (c) [Inventory Transfers.] Inventory transfers between dealers of
2 new merchandise, cars or goods and their wholly owned leasing companies, wherein no profit is
3 involved. In order for a dealer of new merchandise, cars or goods to substantiate deductions for
4 inventory transfers, a separate account must be maintained in the general ledger for all merchandise,
5 cars or goods which are transferred to its wholly owned leasing company. These transactions must
6 be traceable to a cash receipt journal or similar journal which summarizes daily transactions. Each
7 daily entry must be supported by paperwork which legally transfers the new merchandise, car or goods
8 to the leasing company[.] ; and

9 (d) Any tax on fuel or retail sales that is collected by the seller.

10 (H) "License" means permission granted by the licensing authority to engage in the
11 business for which the license is issued.

18 form of business or social association or organization, as well as a natural person and the estate of a
19 natural person.

21 estate of a natural person.

22 [(M)] (N) "Premises" means land together with all buildings, improvements, and personal
23 property located thereon.

24 [(N)] (O) "Principal" means:

25 (1) Any person who is an officer, director, trustee, personal representative
26 or general partner or who has an ownership interest in or voting control of the business equal to or
27 greater than ten percent of the entire ownership of voting control of such business. If the ownership
28 interest or voting control is held by a person other than an individual, then each officer, director,

1 trustee, personal representative or general partner of such person is a principal;

2 (2) Any person who is or will be directly engaged in the administration or
3 supervision of the business; and

21 shall cause a notice to be mailed to each licensee setting forth the amount of license tax owed for the
22 next license period; provided, however, that the failure of a licensee to receive actual notice does not

AS FOLLOWS:

SECTION 1: Title 6, Chapter 2, Section 10, of the Municipal Code of the City of Las Vegas, Nevada, 1983 Edition, is hereby amended to read as follows:

6.02.010: Unless the context otherwise requires, the scope of all words in this Title shall be liberally construed in order to effectuate the purposes of this Title. In particular, the following words shall have the meaning ascribed to them as follows:

(A) "Applicant" means any person who has applied for a City business license, approval of suitability, work card or any permit.

(B) "Business" means any business, commercial enterprise, trade, occupation, calling, profession, vocation or activity engaged in, conducted or carried on by any person, his agent or employee for the purpose of gain, benefit or advantage, either direct or indirect.

(C) "Department" means the Department of Finance and Business Services.

(D) "Director" means the Director of the Department of Finance and Business Services and those persons authorized by him to act in his behalf.

(E) "Employee" means any person who performs services for another for hire, salary, wages or any other kind of compensation, whether or not the services are casual, temporary or permanent, and whether or not the contract of service is express or implied, oral or written.

1 (F) "Establishment" means any business conducted in or upon any premises, and
2 includes any buildings, improvements, equipment and facilities used or maintained in connection with
3 such business.

4 (G) "Gross sales/gross revenues," as used in connection with the determination of
5 license taxes, means the total amount of the sale price of all goods sold, the total amount charged or
6 received for the performance of any act, service or employment, of whatever nature it may be, whether
7 or not such service, act or employment is performed as part of or in connection with the sale of goods,
8 wares or merchandise for which a charge is made or credit allowed, including all receipts, cash, credits
9 or property of any kind, any amount for which credit is allowed by the seller to the purchase without
10 any deduction therefrom on account of the cost of property of any kind, any amount for which credit
11 is allowed by the seller to the purchaser without any deduction therefrom on account of the cost of
12 property of any kind, any amount for which credit is allowed by the seller to the purchaser without
13 any deduction therefrom on account of the cost of property sold, cost of materials used, labor or
14 service costs, interest paid or payable, losses or any other expense whatsoever.

15 (1) The following shall not be included in calculating gross sales/gross
16 revenue:

17 (a) Cash discounts which are allowed or taken on sales/revenue;

18 (b) [Over-allowance.] Over-allowance on trade-ins of used
19 merchandise, cars or goods which are received in trade for the purchase of new merchandise, cars or
20 goods. For purposes of this Section, "over-allowance" means the amount which is allowed on any
21 trade-in which is in excess of the actual sale price of the trade-in by the dealer, whether that sale is
22 wholesale, retail or at auction. In order for a dealer of new merchandise, cars or goods to substantiate
23 deductions for over-allowances, a separate general ledger account must be maintained which
24 accumulates the total over-allowances. This account must be supported by a cash receipt journal or
25 similar journal which summarizes the daily transactions. Each daily entry must be supported by the
26 original contract which clearly substantiates the difference between the actual sales price and the
27 allowance which is given to the customer on the trade-in;

28 (c) [Inventory Transfers.] Inventory transfers between dealers of

new merchandise, cars or goods and their wholly owned leasing companies, wherein no profit is involved. In order for a dealer of new merchandise, cars or goods to substantiate deductions for inventory transfers, a separate account must be maintained in the general ledger for all merchandise, cars or goods which are transferred to its wholly owned leasing company. These transactions must be traceable to a cash receipt journal or similar journal which summarizes daily transactions. Each daily entry must be supported by paperwork which legally transfers the new merchandise, car or goods to the leasing company[.] : and

(d) Any tax on fuel or retail sales that is collected by the seller.

(H) "License" means permission granted by the licensing authority to engage in the business for which the license is issued.

(I) "Licensee" means any person to whom a valid license has been issued pursuant to this Title.

(J) "License fee" or "license tax" means any money required by law to be paid to obtain, renew or maintain a license.

(1) Any person who is an officer, director, trustee, personal representative or general partner or who has an ownership interest in or voting control of the business equal to or greater than ten percent of the entire ownership of voting control of such business. If the ownership interest or voting control is held by a person other than an individual, then each officer, director, trustee, personal representative or general partner of such person is a principal;

1 (2) Any person who is or will be directly engaged in the administration or
2 supervision of the business; and

3 (3) Any other person if, in the Director's opinion, the person exercises, or
4 is capable of exercising, significant influence over the business.

5 [(O)] (P) "Valid unexpired license" means a license that has not been suspended or
6 revoked before its expiration date.

11 the renewal of the license for any subsequent period. Until such deficiency is paid, the licensee shall
12 not be issued a new license or renewal of an existing license for any other business.

13 (B) [With respect to calculating the fee for the second semiannual period and all
14 periods thereafter, the licensee shall certify the amount of gross sales made during the last preceding
15 period, which shall be used as the basis of payment for the next licensing period.] In the event of
16 overpayment of the license fee for the first semiannual license period, the amount overpaid shall be
17 credited toward the license fee owed for the succeeding licensing period.

22 such period.

23 (D) With respect to calculating the fee for the second semiannual period and all
24 periods thereafter, the licensee shall certify the amount of gross sales made during the last preceding
25 semiannual period, which shall be used as the basis for the license fee for the next licensing period.

2 renewal of a license for any subsequent period. In addition, the licensee making such underpayment
3 declaration shall be assessed a penalty and interest as provided in this Section on the deficiency which
4 shall be paid before the renewal of a license for any subsequent period.

5 (B) In the event the underpayment is discovered by the first audit of the business
6 after the first licensing period, the penalty shall be an amount equal to thirty-five percent of the
7 delinquency.

8 (C) In the event the underpayment is discovered by the second or any subsequent
9 audit of the business after the first licensing period, the penalty shall be an amount equal to seventy

18 underdeclaration places the licensee in a lower fee bracket shall be considered one of the major
19 determining factors.

20 SECTION 15: Title 6, Chapter 2, Section 240, of the Municipal Code of the City of

23 to each licensee of the license tax required before the due date to the next licensing period; provided,

25 as actual receipt is in no case required.] Prior to the due date of the next licensing period, the Director
26 shall cause a notice to be mailed to each licensee setting forth the amount of license tax owed for the
27 next license period; provided, however, that the failure of a licensee to receive actual notice does not
28 affect the obligation to pay the license tax.

1 (B) The due date shall be the first day of the first month of a licensing period.

2 SECTION 16: Title 6, Chapter 2, Section 280, of the Municipal Code of the City of

16 Las Vegas, Nevada, 1983 Edition, is hereby amended to read as follows:

17 **6.02.310:** All persons licensed to do business under this Title shall report to the Director on a
18 form acceptable to the Department any change in business name from that designated in the original
19 business license application within [thirty] fifteen days after such change occurs and pay the
20 processing fee required by LVMC 6.02.085.

21 SECTION 19: Title 6, Chapter 2, Section 320, of the Municipal Code of the City of
22 Las Vegas, Nevada, 1983 Edition, is hereby amended to read as follows:

23 **6.02.320:** (A) Licensees have a continuing duty and obligation to notify the Department of
24 additions, deletions, changes or modifications in the information furnished the Department and this
25 duty continues as long as a valid license remains in effect. Failure to report any change that alters the
26 licensing status of the licensee or business is unlawful.

27 (B) A licensee may be required, in the discretion of the Director, to apply for a new
28 license if changes in the licensee's business operations alters the original purpose for which the

1 business was licensed. The burden is on the licensee to show that the changes have not altered the
2 original business purpose.

3 SECTION 20: Title 6, Chapter 2, Section 360, of the Municipal Code of the City of
4 Las Vegas, Nevada, 1983 Edition, is hereby amended to read as follows:

5 **6.02.360:** Upon a showing of good cause and in the discretion of the City Council, disciplinary
6 action against a holder may take the form of cancellation, revocation, refusal to renew, suspension,
7 imposition of conditions or restrictions or civil fine in an amount not to exceed one thousand dollars
8 for each day that the violation which forms the subject matter of the complaint that recommends such
9 disciplinary action continues after the date on which the City Council establishes a date for the
10 consideration of such complaint, or any combination of such actions, as the particular situation may
11 require. The Council may also impose against the licensee the actual costs incurred, and a reasonable
12 amount for attorney's fees, resulting from the imposition of disciplinary action. The disciplinary
13 actions available in this Section shall be in addition to, and not exclusive of, any other civil or criminal
14 remedy which otherwise might be available.

15 SECTION 21: Section 10 of this Ordinance becomes effective on the anniversary date
16 of the passage of this Ordinance.

17 SECTION 22: Whenever in this ordinance any act is prohibited or is made or declared
18 to be unlawful or an offense or a misdemeanor, or whenever in this ordinance the doing of any act is
19 required or the failure to do any act is made or declared to be unlawful or an offense or a
20 misdemeanor, the doing of such prohibited act or the failure to do any such required act shall
21 constitute a misdemeanor and upon conviction thereof, shall be punished by a fine of not more than
22 \$1,000.00 or by imprisonment for a term of not more than six months, or by any combination of such
23 fine and imprisonment. Any day of any violation of this ordinance shall constitute a separate offense.

24 SECTION 23: If any section, subsection, subdivision, paragraph, sentence, clause or
25 phrase in this ordinance or any part thereof, is for any reason held to be unconstitutional, or invalid
26 or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or
27 effectiveness of the remaining portions of this ordinance or any part thereof. The City Council of the
28 City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision,

1 paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections,
2 subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional,
3 invalid or ineffective.

4 SECTION 24: All ordinances or parts of ordinances or sections, subsections, phrases,
5 sentences, clauses or paragraphs contained in the Municipal Code of the City of Las Vegas, Nevada,
6 1983 Edition, in conflict herewith are hereby repealed.
