THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1: Title 19, Chapter 24, Sections 60, 70, 80 and 90, of the Municipal Code of the City of Las Vegas, Nevada, 1983 Edition, are hereby repealed in their entirety.

SECTION 2: Title 19, Chapter 24, of the Municipal Code of the City of Las Vegas, Nevada, 1983 Edition, is hereby amended by adding thereto a new section, designated as Section 60, reading as follows:

19.24.060: In the R-CL District:

(A) The minimum site area for an R-CL development is five acres, unless the City Council approves a waiver of that requirement.

(B) The minimum lot size is three thousand five hundred square feet. The minimum average lot size within an R-CL development is three thousand seven hundred fifty square feet.

(C) The minimum lot width is thirty-five feet. In all

1 cases lot width must be sufficient to provide the street frontage
2 necessary for driveways to conform to the requirements of LVMC
3 Chapter 13.16, LVMC 18.28.360 and other duly-adopted City dri-
4 veway standards. Lot width shall be measured at the required
5 front setback line and shall be calculated as the distance bet-
6 ween side lot lines along a line that is parallel to the front
7 lot line or a chord thereof.

8 SECTION 3: Title 19, Chapter 24, of the Municipal
9 Code of the City of Las Vegas, Nevada, 1983 Edition, is hereby
10 amended by adding thereto a new section, designated as Section
11 70, reading as follows:

12 19.24.070: (A) Except as otherwise provided in Subsection (B)
13 of this Section, the minimum front yard setback within the R-CL
14 District is fourteen feet.

15 (B) The minimum front yard setback for front-entry
16 garages and carports in the R-CL District is sixteen feet for any
17 lot located on a knuckle or cul-de-sac bulb, and eighteen feet in
18 all other cases.

19 SECTION 4: Title 19, Chapter 24, of the Municipal
20 Code of the City of Las Vegas, Nevada, 1983 Edition, is hereby
21 amended by adding thereto a new section, designated as Section
22 80, reading as follows:

23 19.24.080: In the R-CL District:

24 (A) Except as provided in Subsection (B) of this Sec-
25 tion, the minimum total (combined) width of side yards on any R-
26 CL lot is ten feet. Such side yards may be configured in any
27 manner that results in the provision of at least ten feet of side
28 yard area on each lot. In the design and layout of R-CL lots,
29 every effort shall be made to provide useable open space and yard
30 areas on each individual lot. In no case, however, may lots be
31 configured or improvements placed on lots in a manner that
32 results in open space or yard area for one lot actually being

1 located on a separately-owned lot. The use of "use easements" to
2 create such a result is specifically prohibited.

3 (1) When zero lot line setbacks are used, the
4 dwelling unit and garage (if provided) shall be placed on one
5 interior side property line, with the adjacent dwelling unit set
6 back a minimum of ten feet from the common property line.

7 (a) A perpetual wall-maintenance easement
8 with a minimum width of three feet shall be provided in favor of
9 a lot adjacent to a lot with a zero lot line. With the exception
10 of walls, fences, trellises or other connecting elements, the
11 required easement shall be kept free of structures. No doors,
12 air conditioning units, utility meters, electric panel boxes or
13 other types of openings, including windows which allow occupants
14 to view adjacent yard areas, shall be permitted on the wall of a
15 dwelling or garage placed on a zero lot line. Windows which do
16 not allow occupants to view adjacent yard areas (i.e., clear-
17 story windows) are permitted on the zero lot line wall. Roof
18 overhangs are permitted to encroach upon the easement on the
19 adjacent lot a maximum of two feet, provided that the roof is
20 designed to confine any water runoff to the easement area.
21 Required easements shall be shown on the final map and be incor-
22 porated into each deed transferring title to the property.

23 (b) Patios, pools, landscaping, garden
24 features, storage areas, awnings and other similar elements are
25 permitted to encroach upon the ten foot setback required adjacent
26 to zero lot line development; provided, however, that no struc-
27 ture is permitted within the three foot maintenance easement
28 required by subparagraph (a) of this Paragraph (1).

29 (2) In no case may setback combinations result in
30 a separation of less than ten feet between principal structures
31 (including garages) on adjacent lots.

32 (B) The minimum side yard setback for a side yard along

1 a street is ten feet.

2 SECTION 5: Title 19, Chapter 24, of the Municipal
3 Code of the City of Las Vegas, Nevada, 1983 Edition, is hereby
4 amended by adding thereto a new section, designated as Section
5 90, reading as follows:

6 19.24.090: The minimum rear yard setback within the R-CL
7 District is ten feet; provided, however, that the minimum setback
8 requirement does not apply to a garage or carport in the rear
9 yard.

10 SECTION 6: Title 19, Chapter 24, Section 100, of the
11 Municipal Code of the City of Las Vegas, Nevada, 1983 Edition, is
12 hereby amended to read as follows:

13 19.24.100: The maximum building coverage in the R-CL District
14 [for lots four thousand square feet and over shall be] is fifty
15 percent. [Permitted lots containing less than four thousand, but
16 three thousand five hundred or more square feet, shall have a
17 maximum building coverage of forty-five percent. Permitted lots
18 containing less than three thousand five hundred, but three
19 thousand or more square feet, shall have a maximum building
20 coverage of forty percent.]

21 SECTION 7: Title 19, Chapter 24, Section 110, of the
22 Municipal Code of the City of Las Vegas, Nevada, 1983 Edition, is
23 hereby amended to read as follows:

24 19.24.110: A minimum of two off-street parking spaces, [nine]
25 a minimum of eight feet by sixteen feet in size, [shall be] are
26 required in the R-CL District for each building site[, including
27 carport]. Carport or garage [area] areas may not be used to
28 satisfy off-street parking requirements. [Tandem parking shall be
29 allowed on lots with thirty five feet or less frontage, provided
30 there is a sixteen foot minimum front yard setback. All parking
31 shall be in accordance with the provisions of Chapter 19.64.]

32 SECTION 8: Title 19, Chapter 24, of the Municipal

1 Code of the City of Las Vegas, Nevada, 1983 Edition, is hereby
2 amended by adding thereto a new section, designated as Section
3 120, reading as follows:

4 19.24.120: In order to enhance the appearance of the
5 streetscape within new R-CL developments, the developer shall
6 install at least one drought-tolerant tree with a minimum box
7 size of twenty-four inches for every two lots that contain less
8 than four thousand square feet. The required trees must be
9 installed on lots that contain less than four thousand square
10 feet but otherwise may be dispersed among the lots in any pattern
11 that is acceptable to the Department of Community Planning and
12 Development.

13 SECTION 9: Whenever in this ordinance any act is
14 prohibited or is made or declared to be unlawful or an offense or
15 a misdemeanor, or whenever in this ordinance the doing of any act
16 is required or the failure to do any act is made or declared to
17 be unlawful or an offense or a misdemeanor, the doing of any such
18 prohibited act or the failure to do any such required act shall
19 constitute a misdemeanor and upon conviction thereof, shall be
20 punished by a fine of not more than \$1,000.00 or by imprisonment
21 for a term of not more than six (6) months, or by any combination
22 of such fine and imprisonment. Any day of any violation of this
23 ordinance shall constitute a separate offense.

24 SECTION 10: If any section, subsection, subdivision,
25 paragraph, sentence, clause or phrase in this ordinance or any
26 part thereof, is for any reason held to be unconstitutional or
27 invalid or ineffective by any court of competent jurisdiction,
28 such decision shall not affect the validity or effectiveness of
29 the remaining portions of this ordinance or any part thereof.
30 The City Council of the City of Las Vegas, Nevada, hereby
31 declares that it would have passed each section, subsection, sub-
32 division, paragraph, sentence, clause or phrase thereof irrespec-

1 tive of the fact that any one or more sections, subsections, sub-
2 divisions, paragraphs, sentences, clauses or phrases be declared
3 unconstitutional, invalid or ineffective.
