WHEREAS, the City Council, by resolution heretofore adopted, directed the City Engineer of the City (hereinafter the "City Engineer") to make out a final assessment roll; and

WHEREAS, after a determination of the portion of the costs of such work to be paid by the property specially benefited, the City Council, together with the City Engineer (with the assistance of the City Engineering Division) made out an final assessment roll containing, among other things, the names and addresses of the last-known owners of the property to be assessed, a description of each lot, tract, or parcel of land to be assessed, and the amount of the assessment thereon, and the City Engineer has

WHEREAS, at the time and place so designated the City Council met to hear and determine all objections so filed or made orally by any interested party; and

WHEREAS, all complaints, protests and objections, both written and oral, were found to be without sufficient merit and overruled, except as provided in the District No. 1450 Assessment Protest Resolution; and

WHEREAS, by the District No. 1450 Assessment Protest Resolution, the City Council so modified, corrected and revised the final assessment roll and, as so modified, corrected and revised, confirmed the final assessment roll to be in final form; and

WHEREAS, the assessments do not exceed the benefits to the property assessed nor that portion of the total cost of the Project payable from assessments as heretofore determined; and

WHEREAS, it is incumbent upon the City Council to provide when said assessments shall become due and penalties payable after any delinquency; and

WHEREAS, the City Council has determined, and does hereby determine, that the City shall pay the costs of the Project in part with funds derived from the levy of assessments, and the City will pay one-half or more of the costs with moneys derived from other than the levy of special assessment, and that the exception provided by NRS 271.306(2)(a) does exist with respect to the Project; and

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES ORDAIN AS FOLLOWS:

Section 1. This Ordinance shall be known as, and may be cited by, the short title "District No. 1450 Levy Ordinance" (hereinafter the "Ordinance").

Section 2. The City Council has heretofore determined, and does hereby declare, that each and every complaint, protest and objection made in connection with the District is without sufficient merit and the same be, and the same hereby is, overruled, and finally passed on by the City Council, except as provided in the District No. 1450 Assessment Protest Resolution.

Section 3. All action, proceedings, matters and things heretofore taken, had and done by the City and the officers thereof (not inconsistent with the provisions of this Ordinance) concerning Special Improvement District No. 1450 (Gowan Road), including, but not limited to, the creation of the District, the acquisition of the Project, the amount of the construction contract, the levy of assessments for those purposes, the determination that the tracts in the District will receive special benefits and market value increases, and the validation and confirmation of the final assessment roll and the assessments therein, be, and the same hereby is, ratified, approved and confirmed.

Section 4. For the purpose of paying a portion of the costs and expenses of the Project, there are hereby levied and assessed against the lots, tracts and parcels of land in the District (being all those specially benefited by said improvements) and described in the final assessment roll for the District, as filed in the office of the City Clerk on May 3, 2000, and as modified and confirmed by the District No. 1450 Assessment Protest Resolution duly adopted by the City Council on June 21, 2000, the amounts and assessments shown in the final assessment roll (as so filed, modified and confirmed).

Section 5. The assessments shall be due and payable at the office of the City Treasurer within 30 days after this Ordinance becomes effective, without interest and without demand; provided, that all or any part of such assessments may, at the election of the owner, be paid in installments, with interest, as hereinafter provided. Failure to pay the whole assessment within said period of 30 days shall be conclusively considered and held an election on part of all persons interested, whether under disability or otherwise, to pay in installments, the amount of the assessment then unpaid. In case of such election to pay in installments, the unpaid assessments shall be payable in twenty (20) substantially equal semiannual installments of principal until paid in full, with interest in all cases on the unpaid and deferred installments of principal from the effective date of this assessment ordinance, at a rate or rates which shall not exceed by more than one percent (1%) the highest rate of interest on the assessment bonds issued for the District, both principal and interest on such assessments being payable semiannually at the office of said City Treasurer on January 24 and July 24 in each year, commencing on January 24, 2001. After the effective date of this Ordinance and before assessment bonds are issued (or if bonds are not issued) the City Council shall by resolution provide the rate of interest on the unpaid and deferred installments of assessments. The effective interest rate on the assessment bonds of the District will not exceed the

statutory maximum rate, i.e., will not exceed by more than three per cent (3%) the "Index of Twenty Bonds" which is most recently published before the bids for such bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. Failure to pay any installment, whether of principal or interest, when due, shall cause the whole amount of the unpaid principal to become due and payable immediately, at the option of the City, the exercise of said option to be indicated by the commencement of the foreclosure proceedings by the City, and the whole amount of the unpaid principal and accrued interest shall, after such delinquency, whether said option is or is not exercised, bear penalty interest at the rate of two percent (2%) per month, (or at any higher rate authorized by statute) until the day of sale or until paid, but at any time prior to the date of the sale the owner may pay the amount of all delinquent installments originally becoming due on or before the date of said payment, with interest thereon, and all penalties accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any property assessed and not in default as to any installment or payment may, at any time (at the option of such owner), pay the whole or any semiannual installment of the unpaid principal with interest accruing thereon to the next interest payment date. If such prepayment takes place after August 23, 2000 but before the adoption of the aforementioned resolution establishing the rate of interest on deferred installments of assessments, such interest accruing thereon to the next interest payment date shall be calculated at seven and 2/100ths percent (7.02%) per annum (i.e., the presumed rate of interest on the assessment bonds for the District plus one percent).

Section 6. The amounts assessed as aforesaid shall be a lien upon said lots, tracts and parcels of land from the effective date of this Ordinance (i.e. July 24, 2000) until paid, co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general or other taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor. Such amounts shall continue to be a lien upon the lots, tracts and parcels of land assessed until paid in full (including all principal and the interest thereon, and any penalties and collection costs).

Section 7. Should any lot, tract or parcel of land within the District be divided after the effective date of this Ordinance and before the collection of all the assessment installments, or if any property in the District makes a request to do so, the City Council may require the City Treasurer to apportion, combine or reapportion the uncollected amounts upon the several parts of land so divided or combined in accordance with the provisions of NRS 271.425. The report of such an apportionment, combination or reapportionment, when approved, shall be conclusive on all the parties, and all assessments thereafter made upon the tracts shall thereafter be according to the subdivision. The report, when approved, shall be recorded in the office of the County Recorder of Clark County, Nevada, together with a statement that the current payment status of any of the assessments may be obtained from the City

Treasurer. Neither the failure to record the report nor any defect in the report as recorded shall affect the validity of the assessments, the lien for the payment thereof or the priority of that lien.

Section 8. In case any such lot, tract or parcel of land so assessed is delinquent in the payment of such assessment or any installment of principal or interest, the City Council shall forthwith cause the owner of such delinquent property, if known, to be immediately notified in writing of such delinquency, by first-class mail, postage prepaid, addressed to the addressee's last-known address; and if such delinquency shall not be paid within 10 days after such notice shall have been given by deposit in the United States mail, then said assessment shall be enforced by the City Treasurer and other officers of said City, as provided in NRS 271.545 to NRS 271.630. Nothing herein shall be construed as preventing the City, at the direction of the governing body, from collecting any assessment by suit in the name of the governing body. The final assessment roll and the certified copy of this Ordinance shall be prima facie evidence of the regularity of the proceedings in making the assessment and of the right to recover judgment therefor. If said foreclosure be not promptly filed and prosecuted, then any bondholder may file and prosecute said foreclosure action in the name of said City. Any bondholder may also proceed against the City to protect and enforce the rights of the bondholders under this Ordinance by suit, action or special proceedings in equity or at law, either for the appointment of a receiver or for the specific performance of any provision contained herein or in an award of execution of any power herein granted for the enforcement of any proper, legal or equitable remedy as such bondholder or bondholders may deem most effectual to protect and enforce the rights aforesaid. All such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all owners of the bonds then outstanding. The failure of the bondholders so to foreclose such delinquent assessments or so to proceed against the City, or both, shall not relieve the City or any of its officers, agents or employees of any liability for its failure so to foreclose such delinquent assessments.

Section 9. The City Clerk is hereby directed to deliver to the City Treasurer a copy of the final assessment roll containing a description of the lots, tracts and parcels of land being assessed, with the amount of the assessment levied upon each and the name and address of the owner or owners against whom the assessment was made; such final assessment roll is to be recorded in the office of the County Recorder together with the statement that the current payment status of any assessment may be obtained from the City Treasurer, and said City Treasurer is additionally directed to collect the several sums so assessed as a tax upon the several tracts to which they were assessed.

Section 10. In accordance with NRS 271.405(7) the City Clerk shall give notice by publication in the Las Vegas Review-Journal, a newspaper of general circulation in the City, and such notice to be published at least once a week, for three consecutive publications, by three weekly insertions, the first such publication to be at least 15 days prior to the end of the 30-day period stating that said assessments have been levied and are due and payable and the last day for their payment. It shall not be necessary that the notice be published on the same day of the week, but not less than 14 days shall intervene

between the first publication and the last publication. Such service by publication shall be verified by the affidavit of each of the published and filed within the City Clerk of said City. In accordance with NRS 271.390(2) the City Clerk or Deputy City Clerk shall also give written notice of the levy of assessments by mailing a copy of such notice, postage prepaid, at least 20 days prior to the end of said 30-day period, to the owner or owners of all property upon which the assessment was levied at his or her last-known address or addresses. Proof of such mailing shall be made by the affidavit of the City Clerk or Deputy City Clerk and such proof shall be filed with the City Clerk, provided, however, that failure to mail any such notice or notices shall not invalidate any assessment or any other proceedings concerning said District. Proof of the publication and proof of the mailing shall be maintained in the permanent records of the office of the City Clerk until all special assessments and special assessment bonds issued (if such special assessment bonds are hereafter issued) shall have been paid in full, both principal and interest, or until any claim is barred by an appropriate statute of limitations. The City Council hereby determines that the manner of giving notice herein provided by publication and by mail is reasonably calculated to inform the parties of the proceedings concerning the District and the levy of assessments which may directly and adversely affect their legally protected interests.

Section 11. The notice provided for in NRS 271.390(2) and NRS 271.405(7) and in Section 10 of this Ordinance shall be in substantially the following form:

(Form of Notice)

NOTICE TO PROPERTY OWNERS OF THE LEVY OF ASSESSMENTS FOR
IMPROVEMENTS IN LAS VEGAS, NEVADA SPECIAL IMPROVEMENT DISTRICT
NO. 1450 (GOWAN ROAD)

NOTICE IS HEREBY GIVEN to the owners of all property upon which an assessment has been levied, and other interested persons that, District No. 1450 Assessment Ordinance (hereinafter the "Assessment Ordinance") was duly passed, adopted, signed and approved on July 19, 2000. The Assessment Ordinance levied and assessed against the lots, tracts and parcels of land specially benefited by the local improvements in what is commonly designated as "Las Vegas, Nevada, Special Improvement District No. 1450 (Gowan Road)," (said lots, tracts and parcels of land being more specifically described in the final assessment roll designated in the ordinance) a portion of the cost and expense of such improvements.

Assessments are due and payable at the office of the City Treasurer, in Las Vegas, Nevada, on or before August 23, 2000, being 30 days after the effective date of the assessment ordinance, without interest and without demand, provided that all, or any part of such assessments may, at the election of the owner, be paid in installments, with interest as hereinafter provided. Failure to pay the whole assessment within the 30-day period will be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay the unpaid assessment in installments. In case of such election to pay in installments, the unpaid assessments will be payable in twenty (20) substantially equal semiannual installments of principal until paid in full, with interest in all cases on the unpaid and deferred installments of principal from July 24, 2000 (i.e., the effective date the assessment ordinance) both principal and interest being payable semiannually at the office of the City Treasurer, Las Vegas, Nevada, on January 24 and July 24 in each year, commencing on January 24, 2001. After the effective date of the assessment ordinance and before assessment bonds are issued (or if bonds are not issued) the City Council shall by Resolution provide the rate of interest on the unpaid and deferred installments of assessments. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed by more than three percent (3%) the "Index of Twenty Bonds" which is most recently published before the bids for such bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. Failure to pay any assessment installment, whether of principal or interest, when due will cause the whole of the unpaid principal of such assessment to become due and payable immediately at the City's option, and the whole amount of the unpaid principal and accrued interest will, after such delinquency, whether the City's option is or is not exercised, bear penalty interest at the rate of two percent (2%) per month, (or at any higher rate authorized by statute) until the day of sale or until paid, but at any time prior to the date of the sale, the owner may pay the amount of all delinquent installments originally becoming due on or before the date of payment, with the interest thereon and all penalties accrued, and will thereupon be restored to the right thereafter to pay in installments in

the same manner as if default had not been suffered. The owner of any property not in default as to any assessment installment or payment may, at any time, pay the whole or any semiannual installment of the unpaid principal with interest accruing thereon to the next interest payment date. If such prepayment takes place after August 23, 2000, but before the adoption of the aforementioned resolution establishing the rate of interest on deferred installments of assessments, such interest accruing thereon to the next interest payment date shall be calculated at seven and 2/100ths percent (7.02%) per annum (i.e., the presumed rate of interest on the assessment bonds for the District plus one percent).

Pursuant to NRS 271.395, within the 15 days immediately succeeding the effective date of the assessment ordinance, any person who has filed a complaint, protest or objection in writing shall have the right to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination. Thereafter all actions or suits attacking the regularity, validity and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, of the amount of special benefits and market value increases, and of the amount thereof levied on each tract, including, without limiting the generality of the foregoing, the defense of confiscation shall be perpetually barred.

The amounts assessed as aforesaid constitute a lien upon said lots, tracts and parcels of land from July 24, 2000 (i.e., the effective date of the assessment ordinance), which lien shall be co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefore.

Dated this June 24, 2000.

BARBARA JO RONEMUS, City Clerk

(End of Form of Notice)

Section 12. The officers of the City be, and they hereby are, authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Ordinance, including without limiting the generality of the foregoing; the preparation of all necessary documents, legal proceedings, the recording of the final assessment roll, and other items necessary or desirable for the completion of the levying of the assessments of the District and the issuance of the bonds therefor.

Section 13. All ordinances or resolutions, or parts thereof, in conflict with the provisions of this Ordinance, are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any ordinance or resolution, or part thereof, heretofore repealed.

Section 14. That in accordance with Section 2.110 of the Charter, this Ordinance when first proposed is to be read by title to the City Council, immediately after which an adequate number of copies of the proposed Ordinance are to be deposited with the office of the City Clerk for public examination and distribution upon request; thereafter, the City Clerk is authorized and directed to give notice of the deposit together with the title of the Ordinance by publication at least once in the Las Vegas Review-Journal, i.e., a newspaper published and having general circulation in the City, at least ten (10) days before the adoption of the Ordinance, i.e., at least ten (10) days before July 19, 2000.

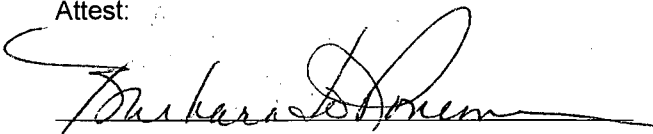

Section 15. That this Ordinance shall be in affect on the day after its publication, as hereinafter provided. After this Ordinance is signed by the Mayor and attested and sealed by the City Clerk, this Ordinance shall be published by title only, together with the names of the City Council voting for or against its passage, and with a statement that typewritten copies of said ordinance are available for inspection by all interested parties at the office of the City Clerk, such publication to be made in the Las Vegas Review-Journal, a newspaper published and having general circulation in the City, at least once, pursuant to Section 2.110 of the Charter and all laws thereunto enabling.
