SECTION 2: The City Council hereby determines that the described territory meets the requirements provided by law for annexation to the City for the following reasons:

- A. The area to be annexed was contiguous to the City's boundaries at the time the annexation proceedings were instituted;
- B. More than one-eighth (1/8) of the aggregate external boundaries of the area are contiguous to the City;
- C. The territory proposed to be annexed is not included within the boundaries of another incorporated city or within the boundaries of any unincorporated town as those boundaries existed as of July 1, 1983;

5 Metropolitan Police Department, fire protection, street maintenance, and library services immediately
6 upon annexation. Garbage collection by the company franchised by the City will also be provided
7 immediately. The City sanitary sewer system will serve the proposed annexation area. Any
8 connection to or extension of this sewer line to serve the annexation area shall be at the expense of

11 will also be available immediately. Utilities such as gas, electricity, telephone, and water are provided
12 by private utility companies and other services to the area will not be affected by annexation. Street
13 paving, curbs and gutters, sidewalks and street lights which are not in place at the time of annexation
14 will be installed in the presently developed areas upon the request of the property owners and at their
15 expense by means of special assessment districts. Such improvements will be extended into the
16 undeveloped areas as development takes place and the need therefor arises, and will be located
17 according to the needs of the area at that time. Such installations will also be made at the expense of
18 the property owners, either by means of special assessment districts or as prerequisites to the approval
19 of subdivision plats, building permits or other land use or development applications.

20 SECTION 4: The annexation of the described territory shall become effective on the
21 13th day of December, 2002, and on that date the City will have the funds appropriated in sufficient
22 amount to finance the extension into the described territory of police protection, fire protection, street
23 maintenance, street sweeping, and street lighting maintenance.

24 SECTION 5: The described territory, together with the inhabitants and property
25 thereof, shall, from and after the 13th day of December, 2002, be subject to all debts, laws, ordinances
26 and regulations in force in the City and shall be entitled to the same privileges and benefits as other
27 parts of the City, and shall be subject to municipal taxes levied by the City.

28 SECTION 6: The City Engineer is hereby instructed to cause to be prepared an

1 accurate map or plat of the described territory and to record the map or plat, together with a certified
2 copy of this ordinance, in the office of the County Recorder of Clark County, Nevada, which
3 recording shall be done prior to the 13th day of December, 2002.

5 (County of Clark classification), is hereby classified as R-E (City of Las Vegas classification), which
6 is deemed to be the City equivalent of the County classification.

8 phrase in this ordinance or any part thereof, is for any reason held to be unconstitutional, or invalid
9 or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or
10 effectiveness of the remaining portions of this ordinance or any part thereof. The City Council of the
11 City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision,
12 paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections,
13 subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional,
14 invalid or ineffective.
