

BILL NO. 2002-43

ORDINANCE NO. 5465

AN ORDINANCE TO EXTEND THE BOUNDARIES OF THE CITY, TO PARTICULARLY DESCRIBE THE LAND TO BE ANNEXED, TO MAKE ITS INHABITANTS SUBJECT TO THE LAWS, OBLIGATIONS AND BENEFITS OF THE CITY, AND TO PROVIDE FOR OTHER RELATED MATTERS. (A-0011-99(A))

Sponsored by:
Councilman Larry Brown

Summary: Annexes property described generally as located on the south side of Alexander Road, approximately 965 feet west of Durango Drive.

THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES HEREBY ORDAIN
AS FOLLOWS:

SECTION 1: The corporate limits of the City of Las Vegas, Nevada, are hereby extended to annex, include, and make a part of the City of Las Vegas, Nevada, the following described real property:

The Northwest Quarter (NW 1/4) of the Northwest Quarter (NW 1/4) of the Northeast Quarter (NE 1/4) of the Northeast Quarter (NE 1/4) of Section 8, Township 20 South, Range 60 East, M.D.M., in the County of Clark, State of Nevada.

SECTION 2: The City Council hereby determines that the described territory meets the requirements provided by law for annexation to the City for the following reasons:

- A. The area to be annexed was contiguous to the City's boundaries at the time the annexation proceedings were instituted;
- B. More than one-eighth (1/8) of the aggregate external boundaries of the area are contiguous to the City;
- C. The territory proposed to be annexed is not included within the boundaries of another incorporated city or within the boundaries of any unincorporated town as those boundaries existed as of July 1, 1983;
- D. The City is eligible to annex the area described in this report since the landowners have signed a petition constituting one hundred percent (100%) of the owners of record of individual lots or parcels of land within the annexation area.

SECTION 3: The City will provide police protection through the Las Vegas

1 Metropolitan Police Department, fire protection, street maintenance, and library services immediately
2 upon annexation. Garbage collection by the company franchised by the City will also be provided
3 immediately. The City sanitary sewer system will serve the proposed annexation area. Any
4 connection to or extension of this sewer line to serve the annexation area shall be at the expense of
5 the landowners. Other services, such as participation in the City's recreational programs, special
6 education classes and programs, public works planning, building inspections, and other City services
7 will also be available immediately. Utilities such as gas, electricity, telephone, and water are provided
8 by private utility companies and other services to the area will not be affected by annexation. Street
9 paving, curbs and gutters, sidewalks and street lights which are not in place at the time of annexation
10 will be installed in the presently developed areas upon the request of the property owners and at their
11 expense by means of special assessment districts. Such improvements will be extended into the
12 undeveloped areas as development takes place and the need therefor arises, and will be located
13 according to the needs of the area at that time. Such installations will also be made at the expense of
14 the property owners, either by means of special assessment districts or as prerequisites to the approval
15 of subdivision plats, building permits or other land use or development applications.

16 SECTION 4: The annexation of the described territory shall become effective on the
17 26th day of April, 2002, and on that date the City will have the funds appropriated in sufficient
18 amount to finance the extension into the described territory of police protection, fire protection, street
19 maintenance, street sweeping, and street lighting maintenance.

20 SECTION 5: The described territory, together with the inhabitants and property
21 thereof, shall, from and after the 26th day of April, 2002, be subject to all debts, laws, ordinances and
22 regulations in force in the City and shall be entitled to the same privileges and benefits as other parts
23 of the City, and shall be subject to municipal taxes levied by the City.

24 SECTION 6: The City Engineer is hereby instructed to cause to be prepared an
25 accurate map or plat of the described territory and to record the map or plat, together with a certified
26 copy of this ordinance, in the office of the County Recorder of Clark County, Nevada, which
27 recording shall be done prior to the 26th day of April, 2002.

28 SECTION 7: The described territory, which previously has been zoned R-E and P-F

1 (County of Clark classifications), is hereby classified as C-V (City of Las Vegas classification), which
2 is deemed to be the City equivalent of the County classifications.

3 SECTION 8: If any section, subsection, subdivision, paragraph, sentence, clause or
4 phrase in this ordinance or any part thereof, is for any reason held to be unconstitutional, or invalid
5 or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or
6 effectiveness of the remaining portions of this ordinance or any part thereof. The City Council of the
7 City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision,
8 paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections,
9 subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional,
10 invalid or ineffective.

11 SECTION 9: All ordinances or parts of ordinances, sections, subsections, phrases,
12 sentences, clauses or paragraphs contained in the Municipal Code of the City of Las Vegas, Nevada,
13 1983 Edition, in conflict herewith are hereby repealed.
