14 B. More than one-eighth (1/8) of the aggregate external boundaries of
15 the area are contiguous to the City of Las Vegas;
16 C. The territory proposed to be annexed is not included within the
17 boundaries of another incorporated city or within the boundaries of
18 any unincorporated town as those boundaries existed as of July 1,
19 1983;
20 D. The City of Las Vegas is eligible to annex the area described in this

3 electricity, telephone, and water are provided by private utility companies and other services to
4 the area will not be affected by annexation. Street paving, curbs and gutters, sidewalks and street
5 lights which are not in place at the time of annexation will be installed in the presently developed
6 areas upon the request of the property owners and at their expense by means of special assessment
7 districts. Such improvements will be extended into the undeveloped areas as development takes
8 place and the need therefor arises, and will be located according to the needs of the area at that
9 time. Such installations will also be made at the expense of the property owners, either by means
10 of special assessment districts or as prerequisites to the approval of subdivision plats or the
11 issuance of building permits, rezonings, zone variances or special use permits.

12 SECTION 4: The annexation of said described territory shall become
13 effective on the 26th day of May, 1995, and on such date the City of Las Vegas will have the
