*In instances in which the application of the billing units provided for in this schedule, or the application of the term "water use," to determine the number of [ERU's] ERUs discharged by a particular user, other than a residential user, causes inequity, the discharger, other than a residential user, may petition to substitute its actual annual discharge to the sewer system in lieu of the billing units provided for in this schedule or in lieu of the annual water use quantities, in the case of a large commercial user as defined in Section 14.04.010, for the purpose of determining its [ERU's] ERUs, provided that the discharge is measured by an appropriate metering device approved by the City. If this method is employed, the [ERU's] ERUs shall be computed by dividing the actual discharge by 90,000 gallons. The cost of obtaining and installing the metering device is to be borne by the discharger.

**Trailers which contain more than one dwelling unit shall be classified as multiple-residential.

SECTION 3: Title 14, Chapter 4, Section 80, of the Municipal Code of the City of Las Vegas, Nevada, 1983 Edition, is hereby amended to read as follows:

14.04.080: (A) All bills for services rendered by or through the municipal sewage disposal system shall be rendered annually in advance on the first day of the month on which the annual cycle billing established for such premises shall commence, shall be payable annually in advance [or, if the customer elects to pay the amount of any annual bill in semi-annual or quarterly installments, upon notification to the Director of Business Activity within thirty days after the due date specified in such bill of that election and the payment of the first semi-annual or quarterly installment plus a charge in the amount of three dollars per deferred installment for the privilege of doing so, semi-annually or quarterly in advance and shall constitute a lien against the premises.] unless the customer elects to pay the annual bill in semi-annual or quarterly installments. Customers electing to make installment payments must pay an installment collection fee of three dollars with each installment payment. The first semi-annual or quarterly installment payment must be paid in advance, with any remaining amount due constituting a lien against the property. Payment of all bills rendered shall be made to the Department of [Business Activity,] Finance and Business Services, and no license shall be granted for the conducting of any business requiring a license in any multiple dwelling or

1 place of business unless the remaining portion of the current year's annual billing,
2 or, if the customer has elected to pay in semi-annual [installments] or quarterly
3 installments, the remaining portion of the current semi-annual or quarterly
4 installment thereof, as the case may be, shall be paid in advance.

5 (B) The Department shall have all powers which may be necessary or
6 appropriate for a complete and effective exercise of its jurisdiction, including, but not limited to,
7 the power to enter and inspect any commercial or multiple residential premises to make
8 determinations concerning sewer service billing. An inspection of commercial premises must be
9 made during regular business hours. A prior appointment is required in order to perform an
10 inspection at a residential premise, if occupied.

11 SECTION 4: Title 14, Chapter 4, Section 100, of the Municipal Code of
12 the City of Las Vegas, Nevada, 1983 Edition, is hereby amended to read as follows:

13 **14.04.100:** Until paid, the sewer service bill established by this Chapter, including any penalty
14 thereon, shall constitute a perpetual lien on and against the real property and
15 premises which received the sewer service, from the date the sewer service bill and
16 penalties become due, as well as constituting a debt owing to the City by the sewer
17 service customer and by the record owner of such property, if such owner is
18 someone other than the sewer service customer. The [city] City may bring a civil
19 action in any court of competent jurisdiction to recover the amount due and
20 penalties. Additionally, the City may enforce said lien by recording a notice of
21 lien in the office of the County [Records] Recorder after the amount due becomes
22 delinquent and foreclosing the same against such property in the same manner as
23 provided by the laws of the State for the foreclosure of mechanic's liens. A
24 service charge of \$15.00 will be assessed the sewer service customer for a release
25 of the lien filed with the office of the County Recorder in addition to any and all
26 recording costs incurred by the City in recording the release of lien.

SECTION 5: Title 14, Chapter 4, Section 150, of the Municipal Code of the City of Las Vegas, Nevada, 1983 Edition, is hereby amended to read as follows:

14.04.150: The number of equivalent residential units to be charged to the individual customers of the City's sewage disposal system shall be determined in accordance with the [following schedule*:] schedule set forth at LVMC 14.04.020.

 21 application of the term "water use," to determine the number of ERU's discharged by a particular
 22 user, other than a residential user, causes inequity, the discharger, other than a residential
 23 discharger, may petition to substitute its actual annual discharge to the sewer system in lieu of the
 24 billing units provided for in this schedule or in lieu of the annual water use quantities, in the case
 25 of a large commercial user as defined in Section 14.04.010, for the purpose of determining its
 26 ERU's, provided that the discharge is measured by an appropriate metering device approved by
 the City. If this method is employed, the ERU's shall be computed by dividing the actual
 discharge by 90,000 gallons. The cost of obtaining and installing the metering device is to be
 borne by the discharger.

1 particular user, other than a residential user, causes inequity, the discharger, other than a
2 residential user, may petition to substitute its actual annual discharge to the sewer system in lieu
3 of the billing units provided for in this schedule or in lieu of the annual water use quantities, in
4 the case of a large commercial user as defined in Section 14.04.010, for the purpose of
5 determining its [ERU's] ERUs, provided that the discharge is measured by an appropriate
6 metering device approved by the City. If this method is employed, the [ERU's] ERUs shall be
7 computed by dividing the actual discharge by 90,000 gallons. The cost of obtaining and installing
8 the metering device is to be borne by the discharger.

9 ****Trailers which contain more than one dwelling unit shall be classified as multiple-residential.**

10 **SECTION 3: Title 14, Chapter 4, Section 80, of the Municipal Code of the**
11 **City of Las Vegas, Nevada, 1983 Edition, is hereby amended to read as follows:**

12 **14.04.080: (A)** All bills for services rendered by or through the municipal sewage disposal
13 system shall be rendered annually in advance on the first day of the month on
14 which the annual cycle billing established for such premises shall commence, shall
15 be payable annually in advance or, if the customer elects to pay the amount of any
16 annual bill in semi-annual or quarterly installments, [upon notification to the
17 Director of Business Activity within thirty days after the due date specified in such
18 bill of that election and the payment of the first semi-annual or quarterly
19 installment] plus a charge in the amount of three dollars per deferred installment
20 for the privilege of doing so, semi-annually or quarterly in advance and shall
21 constitute a lien against the premises. Payment of all bills rendered shall be made
22 to the Department of [Business Activity,] Finance and Business Services, and no
23 license shall be granted for the conducting of any business requiring a license in
24 any multiple dwelling or place of business unless the remaining portion of the
25 current year's annual billing, or, if the customer has elected to pay in semi-annual
26 installments or quarterly, the remaining portion of the current semi-annual or
quarterly installment thereof, as the case may be, shall be paid in advance.

(B) The Department shall have all powers which may be necessary or
appropriate for a complete and effective exercise of its jurisdiction, including, but not limited to,
the power to enter and inspect any commercial or multiple residential premises to make

determinations concerning sewer service billing. An inspection of commercial premises must be made during regular business hours. A prior appointment is required in order to perform an inspection at a residential premise, if occupied.

SECTION 4: Title 14, Chapter 4, Section 100, of the Municipal Code of the City of Las Vegas, Nevada, 1983 Edition, is hereby amended to read as follows:

14.04.100: Until paid, the sewer service bill established by this Chapter, including any penalty thereon, shall constitute a perpetual lien on and against the real property and premises which received the sewer service, from the date the sewer service bill and penalties become due, as well as constituting a debt owing to the City by the sewer service customer and by the record owner of such property, if such owner is someone other than the sewer service customer. The [city] City may bring a civil action in any court of competent jurisdiction to recover the amount due and penalties. Additionally, the City may enforce said lien by recording a notice of lien in the office of the County [Records] Recorder after the amount due becomes delinquent and foreclosing the same against such property in the same manner as provided by the laws of the State for the foreclosure of mechanic's liens. A service charge of \$15.00 will be assessed the sewer service customer for a release of the lien filed with the office of the County Recorder in addition to any and all recording costs incurred by the City in recording the release of lien.

SECTION 5: Title 14, Chapter 4, Section 150, of the Municipal Code of the City of Las Vegas, Nevada, 1983 Edition, is hereby amended to read as follows:

14.04.150: The number of equivalent residential units to be charged to the individual customers of the City's sewage disposal system shall be determined in accordance with the [following schedule*:] schedule set forth at LVMC 14.04.020.

*In instances in which the application of the billing units provided for in this schedule, or the application of the term "water use," to determine the number of ERU's discharged by a particular user, other than a residential user, causes inequity, the discharger, other than a residential discharger, may petition to substitute its actual annual discharge to the sewer system in lieu of the billing units provided for in this schedule or in lieu of the annual water use quantities, in the case of a large commercial user as defined in Section 14.04.010, for the purpose of determining its ERU's, provided that the discharge is measured by an appropriate metering device approved by the City. If this method is employed, the ERU's shall be computed by dividing the actual discharge by 90,000 gallons. The cost of obtaining and installing the metering device is to be borne by the discharger.

**Trailers which contain more than one dwelling unit shall be classified as multiple-residential.]

SECTION 6: Title 14, Chapter 4, Section 200, of the Municipal Code of the City of Las Vegas, Nevada, 1983 Edition, is hereby amended to read as follows:

11 SECTION 7: Title 14, Chapter 4, Sections 140 and 190, of the Municipal
12 Code of the City of Las Vegas, Nevada, 1983 Edition, are hereby repealed.

13 SECTION 8: If any section, subsection, subdivision, paragraph, sentence,
14 clause or phrase in this ordinance or any part thereof, is for any reason held to be unconstitutional
15 or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the
16 validity or effectiveness of the remaining portions of this ordinance or any part thereof. The City
17 Council of the City of Las Vegas, Nevada, hereby declares that it would have passed each section,
18 subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective of the fact that
19 any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases be
20 declared unconstitutional, invalid or ineffective.
