Said bonds and the coupons thereto attached shall be payable in lawful money of the United States of America, without deduction for exchange or collection charges, at the office of the City Treasurer, City of Las Vegas, Nevada.

Section 6. That said bonds shall be fully negotiable and shall have all the qualities of negotiable paper, subject to the payment provisions stated herein, and the holder or holders thereof shall possess all rights enjoyed by holders of negotiable instruments under the provisions of the Negotiable Instruments Law.

Section 7. That said bonds shall be signed by the Mayor of the City of Las Vegas, countersigned by the City Treasurer, and its corporate seal shall be affixed to each bond and attested and countersigned by its City Clerk. The coupons attached to said bonds shall bear the facsimile signature of the Mayor, City Treasurer and City Clerk, which officers, by the execution of said bonds, shall adopt as and for their signatures the facsimiles thereof appearing on said coupons, and when said bonds are executed, said coupons shall constitute the binding obligations of said City for said interest. Said bonds and coupons bearing the signatures of the officers in office at the time of the signing thereof shall be a valid and binding obligation of the City of Las Vegas, notwithstanding that before the delivery thereof and payment therefor any or all of the persons whose signatures appear thereon shall have ceased to fill their respective offices.

Section 8. That all of said bonds (maturing on and after November 1, 1965) are subject to prior redemption in inverse numerical order at the option of the City on any interest payment date prior to maturity, at a price equal to the principal amount thereof with accrued interest to the redemption date, whenever funds are available therefor. Notice of redemption shall be given by the City Treasurer in the name of the City of Las Vegas by publication of such notice at least once in each calendar week on any day of the week for at least two successive weeks, the first publication to be at least fifteen days prior to the redemption date, in a newspaper of general circulation in the City of Las Vegas, a copy of such notice shall be sent by registered mail at least fifteen days prior to the redemption date to FIRST NATIONAL BANK OF NEVADA, the original purchaser of the bonds. Such notice shall specify the number or numbers of the bonds to be so redeemed (if less than all are to be redeemed) and the date fixed for redemption, and shall further state that on such redemption date there will become due and payable upon each bond so to be redeemed at the office of the City Treasurer in the City of Las Vegas, the principal amount thereof with

accrued interest to the redemption date and that from and after such date interest will cease to accrue. Notice having been given in the manner hereinbefore provided, the bond or bonds so called for redemption shall become due and payable on the redemption date so designated; and upon presentation thereof at the office of the City Treasurer, together with all appurtenant coupons maturing subsequent to the redemption date, the City of Las Vegas will pay the bond or bonds so called for redemption. None of said bonds shall be refunded prior to maturity unless it is certain that there will not be a sufficient amount of money in the special fund herein designated to pay such bond and the interest thereon, as such become due.

Section 9. The said bonds and the interest thereon shall be payable from the special fund heretofore created, and designated "Las Vegas Assessment District No. 445 Bond Interest and Redemption Fund, Series January 1, 1964," containing the receipts upon the collection thereof from the special assessments levied against and secured by a lien upon property in Assessment District No. 445 in said City, said assessments bearing interest commencing October 1, 1963, and payable annually on each principal payment date at the same rates of interest as herein indicated, said assessments being payable in ten substantially equal annual installments of principal commencing on or before October 1, 1964, and on or before the same day in each year thereafter until paid in full, or at the owner's option, the whole of the unpaid principal with interest accruing thereon to the next interest paying date being payable at any time; provided, however, that in the event said fund shall be insufficient to pay said bonds and interest thereon as they become due, the deficiency shall be paid out of the City's general fund.

Section 10. That said bonds and the coupons thereto attached shall be in substantially the following form:
